Supplemental Letter for the FY 2015 Annual HUB Report – Agency 720

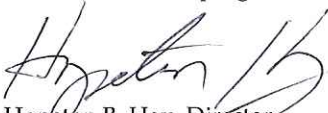

It is the policy of The University of Texas System and each of its institutions, to promote and encourage contracting and subcontracting opportunities of Historically Underutilized Businesses (HUBs) in all contracts. Measurements of supply marketplace variables, including demand for goods and services for which no HUB suppliers are available, and payments to non-certified HUB firms are important considerations in evaluating HUB program performance.

Good faith efforts include but are not limited to:

- Participation and facilitation of 135 HUB forum events in all regions of the state.
 - Participated in 11 minority organization functions
 - Attended 44 regional HUB conferences, workshops and outreach sessions.
 - Facilitated 11 Mentor-Protégé meetings.
 - Facilitated 40 one-on-ones between HUB firms and key U.T. System decision makers.
 - Facilitated 29 training events.
- The U.T. System Office of HUB Programs is a partner with several other state agencies and institutions of higher education in a Memorandum of Cooperation with TAAACC and TAMACC. In addition, the HUB office supports regional minority organizations by co-hosting numerous outreach opportunities.
- Sponsorship of technical assistance workshops by the HUB office.
 - Sponsored several UT Model Contractor Development Program training sessions in partnership with DPR in Austin, and Bartlett Cocke and Vaughn Construction in the Rio Grande Valley. More than 80 HUB firms participated in this training opportunity.
 - Sponsored Building Construction & Professional Service HUB Outreach events to match HUB architectural and engineering (A/E) and construction subcontracting firms with UT System project management staff and prime A/E and general contractor firms to discuss business opportunities. Forty-two HUB firms attended.
 - Sponsored OSHA training in partnership with OFPC and Rio South Texas PTAC in South Texas. Thirty hours of training was offered to 30 companies.
- Focus on Mentor-Protégé Program
 - Currently there are 7 active partnerships: 4 Construction, 2 Professional Services, 1 Commodities

The University of Texas System Administration, in partnership with the institutions within The University of Texas System, is committed to maximizing HUB participation by fostering collaborative efforts and innovative approaches ensuring HUB inclusion in local communities throughout the state in an effort to facilitate economic development.

The University of Texas System Administration submits this supplemental letter to provide additional information and background related to its HUB program. Please address inquiries to the Office of HUB Programs, 512-499-4530.
