SECTION 1

INTRODUCTION

1.1 Description of University

The University of Texas System (also referred to herein as the “**University**” or “**UT System**”) is the largest system of public higher education in Texas.

In 1881, the Texas State Legislature established the “Main University,” now known as The University of Texas at Austin, and a medical school, now known as The University of Texas Medical Branch at Galveston. From these origins, The UT System has grown to include 14 educational institutions and employ more than 90,000 faculty and staff employees. Rich in heritage and tradition, the UT System currently provides instruction to more than 217,000 students and is a national leader in various research endeavors.

UT System encompasses a diverse community of institutions including major research universities, comprehensive academic universities, upper level institutions, comprehensive health science institutions and specialized hospitals – all of which are highly complex organizations. The “**UT Institutions**” and their locations are as follows:

- The 8 general academic institutions included in UT System (the “**UT Academic Institutions**”) are located in the following Texas cities: Arlington, Austin, Brownsville (Rio Grande Valley), Dallas, Edinburg (Rio Grande Valley), El Paso, Odessa (UT Permian Basin), San Antonio and Tyler.
- The 6 health science institutions included in UT System (the “**UT Health Science Institutions**”) are located in the following Texas cities: Dallas, Galveston, Houston (UT Health Science Center - Houston and UT M. D. Anderson Cancer Center), San Antonio and Tyler.
- Finally, UT System’s administrative offices (“**UT System Administration**”) are located in Austin, Texas.

1.2 Background and Special Circumstances

The Institute for Transformational Learning (“ITL”) is a division within UT System Administration. The mission of ITL is to improve student outcomes and identify and cultivate new revenue streams through the strategic support of online and innovative programming across the University of Texas System. ITL provides support for innovative pedagogical delivery models, through the creation and coordination of shared services to support campus initiatives, and through encouraging the proliferation of next generation programming models and optimized operations and processes.

In support of ITL’s mission, the UT System Administration is seeking to enter into non-exclusive Agreements (**Agreement**) with established, qualified and experienced firms for the services described in this Request for Proposal No. ITL06162016 (“**RFP**”). The University is soliciting proposals from qualified persons and entities (“**Proposers**”) for the following scope of services as outlined in Section 1.3. As indicated in Section 2.3 of this RFP, the successful Proposers will be referred to as the “**Contractors**”.

The possibility of multiple and/or split awards exists under this solicitation. No minimums are guaranteed or implied. Project teams from the University will work with selected Contractors to develop services as needed. A work order (or Addendum, Exhibit A) will be created specific to each project based on the pricing and services outlined in the Agreement. A competitive process that achieves best value for the University may be utilized, at the sole discretion of the University, to award Addenda.

Approval by the Board of Regents: No Agreement resulting from this RFP will be effective for amounts exceeding one million dollars (\$1,000,000) until approved by the Board of Regents of The University of Texas System.

1.3 Objective of Request for Proposal

The University of Texas System Administration through its Institute for Transformational Learning (“**University**”) issues this Request for Proposal for Selection of a Vendor to Provide Salesforce configuration and development services related to University programs (“**Services**”), RFP No. ITL06162016 (this “**RFP**”). The **Services**, which are specifically described in Section 5.4 (Scope of Work) of this RFP, include design & development services.

1.4 Group Purchase Authority

Texas law authorizes institutions of higher education (defined by [Section 61.003, Education Code](#)) to use the group purchasing procurement method (ref. Sections [51.9335](#), [73.115](#), and [74.008](#), *Education Code*). Additional Texas institutions of higher education may therefore elect to enter into a contract with the successful Proposer. In particular, Proposer should note that University is part of The University of Texas System (**UT System**), composed of fourteen institutions described at <http://www.utsystem.edu/institutions>. UT System institutions routinely evaluate whether a contract resulting from a procurement conducted by one of the institutions might be suitable for use by another, and if so, this could give rise to additional purchase volumes. As a result, in submitting its proposal in response to this RFP, Proposer should consider proposing pricing and other commercial terms that take into account such higher volumes and other expanded opportunities that could result from the eventual inclusion of other institutions in the purchase contemplated by this RFP.

SECTION 2

NOTICE TO PROPOSER**2.1 Submittal Deadline**

University will accept proposals submitted in response to this RFP until 3 p.m., Central Prevailing Time on June 16, 2016 (the “**Submittal Deadline**”).

2.2 University Contact Person

Proposers will direct all questions or concerns regarding this RFP to the following University email address:

GRP-RFPVQ@utsystem.edu

Subject Line: RFP No. ITL06162016; Attn: Institute for Transformational Learning

University specifically instructs interested parties to restrict all contact and questions regarding this RFP to written communications delivered in accordance with this Section *on or before close of business on June 1, 2016*, or in accordance with Section 2.5 of this RFP relating to Historically Underutilized Businesses. University will provide responses within a reasonable time following the time for submission of questions. It is University’s intent to respond to timely submitted questions. University reserves the right, however, to decline to respond to any question.

Proposers should submit any and all questions regarding this RFP by June 1, 2016. If University responds to those questions, University will post those responses as an addendum to this RFP by June 3, 2016. Interested parties should periodically check the posting site for any University responses: http://esbd.cpa.state.tx.us/bid_show.cfm?bidid=124774

2.3 Criteria for Selection

The successful Proposer, if any, selected by University in accordance with the requirements and specifications set forth in this RFP will be the Proposer that submits a proposal in response to this RFP on or before the Submittal Deadline that is the most advantageous to University. The successful Proposer (or Proposers) are referred to as the “**Contractor.**”

Proposer is encouraged to propose terms and conditions offering the maximum benefit to University in terms of (1) services to University, (2) total overall cost to University, and (3) project management expertise. Proposers should describe all educational, state and local government discounts, as well as any other applicable discounts that may be available to University in a contract for the Services.

An evaluation team from University will evaluate proposals. The evaluation of proposals and the selection of Contractor (or Contractors) will be based on the information provided by Proposer in its proposal. University may give consideration to additional information if University deems such information relevant.

The criteria to be considered by University in evaluating proposals and selecting Contractor (or Contractors), will be those factors listed below:

2.3.1 Threshold Criteria Not Scored

- 2.3.1.1 Ability of University to comply with laws regarding Historically Underutilized Businesses; and
- 2.3.1.2 Ability of University to comply with laws regarding purchases from persons with disabilities.

2.5 Historically Underutilized Businesses

- 2.5.1 All agencies of the State of Texas are required to make a good faith effort to assist historically underutilized businesses (each a "**HUB**") in receiving contract awards. The goal of the HUB program is to promote full and equal business opportunity for all businesses in contracting with state agencies. Pursuant to the HUB program, if under the terms of any agreement or contractual arrangement resulting from this RFP, Contractor subcontracts any of the Services, then Contractor must make a good faith effort to utilize HUBs certified by the Procurement and Support Services Division of the Texas Comptroller of Public Accounts. Proposals that fail to comply with the requirements contained in this Section 2.5 will constitute a material failure to comply with advertised specifications and will be rejected by University as non-responsive. Additionally, compliance with good faith effort guidelines is a condition precedent to awarding any agreement or contractual arrangement resulting from this RFP. Proposer acknowledges that, if selected by University, its obligation to make a good faith effort to utilize HUBs when subcontracting any of the Services will continue throughout the term of all agreements and contractual arrangements resulting from this RFP. Furthermore, any subcontracting of the Services by the Proposer is subject to review by University to ensure compliance with the HUB program.
- 2.5.2 University has reviewed this RFP in accordance with Title 34, *Texas Administrative Code*, Section 20.13 (a), and has determined that subcontracting opportunities are probable under this RFP.
- 2.5.3 A HUB Subcontracting Plan ("**HSP**") is required as part of Proposer's proposal. The HSP will be developed and administered in accordance with University's Policy on Utilization of Historically Underutilized Businesses attached as **APPENDIX THREE** and incorporated for all purposes.

Each Proposer must complete and return the HSP in accordance with the terms and conditions of this RFP, including **APPENDIX THREE**. Proposers that fail to do so will be considered non-responsive to this RFP in accordance with Section 2161.252, Government Code.

Questions regarding the HSP may be directed to:

Contact: Amy Nemetz
HUB Coordinator
Phone: 512-499-4485
Email: anemetz@utsystem.edu

Contractor will not be permitted to change its HSP unless: (1) Contractor completes a newly modified version of the HSP in accordance with the terms of **APPENDIX THREE** that sets forth all changes requested by Contractor, (2) Contractor provides University with such a modified version of the HSP, (3) University approves the modified HSP in writing, and (4) all agreements or contractual arrangements resulting from this RFP are amended in writing by University and Contractor to conform to the modified HSP.

2.5.4 In addition to the materials identified in **Section 3** of this RFP, Proposer must submit the following HUB materials (“**HUB Materials**”):

- (a) **one (1) complete original paper copy of Proposer’s HSP**, and
- (b) **one (1) complete electronic copy of Proposer’s entire proposal in a single .pdf file on a flash drive**,

to University at the same time Proposer submits the other copies of its proposal and no later than the Submittal Deadline (ref. **Section 2.1** of the RFP).

Proposer’s HUB Materials must be submitted to University (as instructed in **Section 3.2** of this RFP) under separate cover and in a separate envelope (the “**HSP Envelope**”). Proposer must ensure that the top outside surface of its HSP Envelope clearly shows and makes visible:

2.5.4.1 the RFP No. (ref. **Section 1.3** of this RFP) and the Submittal Deadline (ref. **Section 2.1** of this RFP), both located in the lower left hand corner of the top surface of the envelope,

2.5.4.2 the name and the return address of the Proposer, and

2.5.4.3 the phrase “HUB Subcontracting Plan”.

Any proposal submitted in response to this RFP that is not accompanied by a separate HSP Envelope meeting the above requirements will be rejected by University and returned to the Proposer unopened as that proposal will be considered non-responsive due to material failure to comply with advertised specifications. Furthermore, University will open a Proposer’s HSP Envelope prior to opening the proposal submitted by the Proposer, in order to ensure that the Proposer has submitted the number of completed and signed originals of the Proposer’s HSP that are required by this RFP. A Proposer’s failure to submit the number of completed and signed originals of the HSP that are required by this RFP will result in University’s rejection of the proposal submitted by that Proposer as non-responsive due to material failure to comply with advertised specifications; such a proposal will be returned to the Proposer unopened (ref. **Section 1.5** of **APPENDIX ONE** to this RFP). **Note:** The requirement that Proposer provide one original of the HSP under this **Section 2.5.4** is separate from and does not affect Proposer’s

obligation to provide University with the number of copies of its proposal as specified in **Section 3.1** of this RFP.

SECTION 3**SUBMISSION OF PROPOSAL****3.1 Number of Copies**

Proposer must submit (a) **one (1) complete paper copy of its entire proposal, and (b) one (1) complete electronic copy of its entire proposal in a single .pdf file on a flash drive.** An *original* signature by an authorized officer of Proposer must appear on the Execution of Offer (ref. Section 2 of **APPENDIX ONE**) of the submitted paper copy of the proposal.

If there is a conflict among the provisions in this RFP, the provision requiring Proposer to supply the better quality or greater quantity of services will prevail, or if such conflict does not involve quality or quantity, then interpretation will be in the following order of precedence:

- 3.4.1.1. Specifications and Additional Questions (ref. **Section 5** of this RFP);
- 3.4.1.2. Agreement (ref. **APPENDIX TWO**);
- 3.4.1.3. Proposal Requirements (ref. **APPENDIX ONE**);

SECTION 4**GENERAL TERMS AND CONDITIONS**

The terms and conditions contained in the attached Agreement (ref. **APPENDIX TWO**) or, in the sole discretion of University, terms and conditions substantially similar to those contained in the Agreement, will constitute and govern any agreement that results from this RFP. If Proposer takes exception to any terms or conditions set forth in the Agreement, Proposer will submit a list of the exceptions as part of its proposal in accordance with **Section 5.3.1** of this RFP. Proposer's exceptions will be reviewed by University and may result in disqualification of Proposer's proposal as non-responsive to this RFP. If Proposer's exceptions do not result in disqualification of Proposer's proposal, then University may consider Proposer's exceptions when University evaluates the Proposer's proposal.

University may discuss and negotiate all elements of proposals submitted by Proposers within a specified competitive range. For purposes of negotiation, University may establish, after an initial review of the proposals, a competitive range of acceptable or potentially acceptable proposals composed of the highest rated proposal(s). In that event, University may defer further action on proposals not included within the competitive range pending the selection of Contractor; provided, however, University reserves the right to include additional proposals in the competitive range if deemed to be in the best interest of University.

After the Submittal Deadline but before final selection of Contractor, University may permit Proposer to revise its proposal in order to obtain the Proposer's best and final offer. In that event, representations made by Proposer in its revised proposal, including price and fee quotes, will be binding on Proposer. University will provide each Proposer within the competitive range with an equal opportunity for discussion and revision of its proposal. University is not obligated to select the Proposer offering the most attractive economic terms if that Proposer is not the most advantageous to University overall, as determined by University.

University reserves the right to (a) enter into an agreement for all or any portion of the requirements and specifications set forth in this RFP with one or more Proposers, (b) reject any and all proposals and re-solicit proposals, or (c) reject any and all proposals and temporarily or permanently abandon this selection process, if deemed to be in the best interests of University. University reserves the right to accept or reject any or all proposals, waive any formalities, procedural requirements, or minor technical inconsistencies, and delete any requirement or specification from this RFP or the Agreement when deemed to be in University's best interest. University reserves the right to seek clarification from any Proposer concerning any item contained in its proposal prior to final selection. Such clarification may be provided by telephone conference or personal meeting with or writing to University, at University's sole discretion. Representations made by Proposer within its proposal will be binding on Proposer.

University and Contractor hereby agree as follows:

Each Addendum will set forth the specific deliverables, milestones, delivery dates, term, design requirements, and contract amount. For each Addendum, time is of the essence. University will have no obligation to accept late performance or waive timely performance by Contractor. To the extent that this Agreement expires or terminates prior to the end of an Addendum, such Addendum will survive any such termination or expiration of the Agreement and the terms and conditions of this Agreement will continue to be incorporated for all purposes into that Addendum.
- 1.2 Contractor will obtain, at its own cost, any and all approvals, licenses, filings, registrations and permits required by federal, state or local, laws, statutes, regulations and ordinances ("**Applicable Laws**"), for the performance of the Services.

2. The Work.

The Services and all deliverables and other materials created under this Agreement (including Work Material and Delivered Contractor IP as defined in **Section 7**) are collectively the "**Work**".

3. Time for Commencement and Completion.

The term ("**Initial Term**") of this Agreement will begin on the Effective Date and expire on _____, 20____. - 6.6 The acceptance of Addendum Final Payment by Contractor will constitute a waiver of all claims by Contractor except those previously made in writing and identified by Contractor as unsettled at the time of the Addendum's Final Invoice.
- 6.7 University will have the right to verify the details set forth in Contractor's invoices and supporting documentation, either before or after payment, by (a) inspecting the books and records of Contractor at mutually convenient times; (b) examining any reports with respect to the Work; and (c) other reasonable action.

or other person or address as may be given in writing by University to Contractor in accordance with this Section.

12.15 **Severability.** In case any provision of this Agreement will, for any reason, be held invalid or unenforceable in any respect, the invalidity or unenforceability will not affect any other provision of this Agreement, and this Agreement will be construed as if the invalid or unenforceable provision had not been included.

12.16 **State Auditor's Office.** Contractor understands that acceptance of funds under this Agreement constitutes acceptance of the authority of the Texas State Auditor's Office, or any successor agency (collectively, "**Auditor**"), to conduct an audit or investigation in connection with those funds pursuant to Sections 51.9335(c), 73.115(c) and 74.008(c), *Texas Education Code*. Contractor agrees to cooperate with the Auditor in the conduct of the audit or investigation, including providing all records requested. Contractor will include this provision in all contracts with subcontractors.

12.17 **Limitation of Liability.** EXCEPT FOR UNIVERSITY'S OBLIGATION (IF ANY) TO PAY CONTRACTOR CERTAIN FEES AND EXPENSES UNIVERSITY WILL HAVE NO LIABILITY TO CONTRACTOR OR TO ANYONE CLAIMING THROUGH OR UNDER CONTRACTOR BY REASON OF THE EXECUTION OR PERFORMANCE OF THIS AGREEMENT. NOTWITHSTANDING ANY DUTY OR OBLIGATION OF UNIVERSITY TO CONTRACTOR OR TO ANYONE CLAIMING THROUGH OR UNDER CONTRACTOR, NO PRESENT OR FUTURE AFFILIATED ENTERPRISE, SUBCONTRACTOR, AGENT, OFFICER, DIRECTOR, EMPLOYEE, REPRESENTATIVE, ATTORNEY OR REGENT OF UNIVERSITY, OR THE UNIVERSITY OF TEXAS SYSTEM, OR ANYONE CLAIMING UNDER UNIVERSITY HAS OR WILL HAVE ANY PERSONAL LIABILITY TO CONTRACTOR OR TO ANYONE CLAIMING THROUGH OR UNDER CONTRACTOR BY REASON OF THE EXECUTION OR PERFORMANCE OF THIS AGREEMENT.

12.18 **Survival of Provisions.** No expiration or termination of this Agreement will relieve either party of any obligations under this Agreement that by their nature survive expiration or termination, including **Sections 6.7, 7, 9, 12.5, 12.9, 12.10, 12.11, 12.13, 12.16, 12.17, 12.19, 12.21, and 12.32.**

12.19 **Breach of Contract Claims.**

12.19.1 To the extent that Chapter 2260, *Texas Government Code*, as it may be amended from time to time ("**Chapter 2260**"), is applicable to this Agreement and is not preempted by other Applicable Laws, the dispute resolution process provided for in Chapter 2260 will be used, as further described herein, by University and Contractor to attempt to resolve any claim for breach of contract made by Contractor:

12.19.1.1 Contractor's claims for breach of this Agreement that the parties cannot resolve pursuant to other provisions of this Agreement or in the ordinary course of business will be submitted to the negotiation process provided in subchapter B of Chapter 2260. To initiate the process, Contractor will submit written notice, as required by subchapter B of Chapter 2260, to University in accordance with the notice provisions in this Agreement. Contractor's notice will specifically state that the provisions of subchapter B of Chapter 2260 are being invoked, the date and nature of the event giving rise to the claim, the specific contract provision that University allegedly breached, the amount of damages Contractor seeks, and the method used to calculate the damages. Compliance by Contractor with subchapter B of Chapter 2260 is a required prerequisite to Contractor's filing of a contested case proceeding under subchapter C of Chapter 2260. The chief business officer of University, or another officer of University as may be designated from time to time by University by written notice to Contractor in accordance with the notice provisions in this Agreement, will examine Contractor's claim and any counterclaim and negotiate with Contractor in an effort to resolve the claims.

12.19.1.2 If the parties are unable to resolve their disputes under **Section 12.19.1.1**, the contested case process provided in subchapter C of Chapter 2260 is Contractor's sole and exclusive process for seeking a remedy for any and all of Contractor's claims for breach of this Agreement by University.

12.19.1.3 Compliance with the contested case process provided in subchapter C of Chapter 2260 is a required prerequisite to seeking consent to sue from the Legislature under Chapter 107, *Texas Civil Practices and Remedies Code*. The parties hereto specifically agree that (i) neither the execution of this Agreement by University nor any other conduct, action or inaction of any representative of University relating to this Agreement constitutes or is intended to constitute a waiver of University's or the state's sovereign immunity to suit and (ii) University has not waived its right to seek redress in the courts.

12.19.2 The submission, processing and resolution of Contractor's claim is governed by the published rules adopted by the Texas Attorney General pursuant to Chapter 2260, as currently effective, thereafter enacted or subsequently amended.

12.19.3 University and Contractor agree that any periods set forth in this Agreement for notice and cure of defaults are not waived.

12.20 **Undocumented Workers.** The *Immigration and Nationality Act* (8 *United States Code* 1324a) (“**Immigration Act**”) makes it unlawful for an employer to hire or continue employment of undocumented workers. The United States Immigration and Customs Enforcement Service has established the Form I-9 Employment Eligibility Verification Form (“**I-9 Form**”) as the document to be used for employment eligibility verification (8 *Code of Federal Regulations* 274a). Among other things, Contractor is required to: (1) have all employees complete and sign the I-9 Form certifying that they are eligible for employment; (2) examine verification documents required by the I-9 Form to be presented by the employee and ensure the documents appear to be genuine and related to the individual; (3) record information about the documents on the I-9 Form, and complete the certification portion of the I-9 Form; and (4) retain the I-9 Form as required by Applicable Laws. It is illegal to discriminate against any individual (other than a citizen of another country who is not authorized to work in the United States) in hiring, discharging, or recruiting because of that individual's national origin or citizenship status. If Contractor employs unauthorized workers during performance of this Agreement in violation of the Immigration Act then, in addition to other remedies or penalties prescribed by Applicable Laws, University may terminate this Agreement in accordance with **Section 8**. Contractor represents and warrants that it is in compliance with and agrees that it will remain in compliance with the provisions of the Immigration Act.

12.21 **Limitations.** THE PARTIES ARE AWARE THAT THERE ARE CONSTITUTIONAL AND STATUTORY LIMITATIONS ON THE AUTHORITY OF UNIVERSITY (A STATE AGENCY) TO ENTER INTO CERTAIN TERMS AND CONDITIONS THAT MAY BE A PART OF THIS AGREEMENT, INCLUDING THOSE TERMS AND CONDITIONS RELATING TO LIENS ON UNIVERSITY’S PROPERTY; DISCLAIMERS AND LIMITATIONS OF WARRANTIES; DISCLAIMERS AND LIMITATIONS OF LIABILITY FOR DAMAGES; WAIVERS, DISCLAIMERS AND LIMITATIONS OF LEGAL RIGHTS, REMEDIES, REQUIREMENTS AND PROCESSES; LIMITATIONS OF PERIODS TO BRING LEGAL ACTION; GRANTING CONTROL OF LITIGATION OR SETTLEMENT TO ANOTHER PARTY; LIABILITY FOR ACTS OR OMISSIONS OF THIRD PARTIES; PAYMENT OF ATTORNEYS’ FEES; DISPUTE RESOLUTION; INDEMNITIES; AND CONFIDENTIALITY (COLLECTIVELY, THE “**LIMITATIONS**”), AND TERMS AND CONDITIONS RELATED TO THE LIMITATIONS WILL NOT BE BINDING ON UNIVERSITY EXCEPT TO THE EXTENT AUTHORIZED BY THE LAWS AND CONSTITUTION OF THE STATE OF TEXAS.

12.22 **Ethics Matters; No Financial Interest.** Contractor and its employees, agents, representatives and subcontractors have read and understand University’s Conflicts of Interest Policy available at <http://www.utsystem.edu/board-of-regents/policy-library/policies/int180-conflicts-interest-conflicts-commitment-and-outside->, University’s Standards of Conduct Guide available at <http://www.utsystem.edu/systemcompliance/SOCcombined.pdf>, and applicable state ethics laws and rules available at www.utsystem.edu/oqc/ethics. Neither Contractor nor its employees, agents, representatives or subcontractors will assist or cause University employees to violate University’s Conflicts of Interest Policy, provisions described by University’s Standards of Conduct Guide, or applicable state ethics laws or rules. Contractor represents and warrants that no member of the Board has a direct or indirect financial interest in the transaction that is the subject of this Agreement.

Further, Contractor agrees to comply with [Section 2252.908, Texas Government Code](#) (“Disclosure of Interested Parties Statute”), and [1 Texas Administration Code Sections 46.1 through 46.5](#) (“Disclosure of Interested Parties Regulations”), as implemented by the Texas Ethics Commission (“TEC”), including, among other things, providing the TEC and University with the information required on the form promulgated by the TEC and set forth as **EXHIBIT E**.

12.23 **State of Texas Computer Equipment Recycling Program Certification.** Pursuant to Section 361.965, *Texas Health and Safety Code*, Contractor certifies that it is full compliance with the *State of Texas Manufacturer Responsibility and Consumer Convenience Computer Equipment Collection and Recovery Act* set forth in Chapter 361, Subchapter Y, *Texas Health and Safety Code*, and the rules adopted by the Texas Commission on Environmental Quality under that Act as set forth in Title 30, Chapter 328, Subchapter I, *Texas Administrative Code*. Contractor

acknowledges that this Agreement may be terminated and payment may be withheld if this certification is inaccurate.

12.24 **Enforcement.** Contractor agrees and acknowledges that University is entering into this Agreement in reliance on Contractor's special and unique knowledge and abilities with respect to performing the Work. Contractor's services provide a peculiar value to University. University cannot be reasonably or adequately compensated in damages for the loss of Contractor's services. Accordingly, Contractor acknowledges and agrees that a breach by Contractor of the provisions of this Agreement will cause University irreparable injury and damage. Contractor, therefore, expressly agrees that University will be entitled to injunctive and/or other equitable relief in any court of competent jurisdiction to prevent or otherwise restrain a breach of this Agreement.

12.25 Intentionally Blank

12.26 Intentionally Blank

12.27 **Historically Underutilized Business Subcontracting Plan.** Contractor agrees to use good faith efforts to subcontract the Work in accordance with the Historically Underutilized Business Subcontracting Plan ("HSP") (ref. **Exhibit D**). Contractor agrees to maintain business records documenting its compliance with the HSP and to submit a monthly compliance report to University in the format required by Texas Procurement and Support Services Division of the Texas Comptroller of Public Accounts or any successor agency (collectively, "TPSS"). Submission of compliance reports will be required as a condition for payment under this Agreement. If University determines that Contractor has failed to subcontract as set out in the HSP, University will notify Contractor of any deficiencies and give Contractor an opportunity to submit documentation and explain why the failure to comply with the HSP should not be attributed to a lack of good faith effort by Contractor. If University determines that Contractor failed to implement the HSP in good faith, University, in addition to any other remedies, may report nonperformance to the TPSS in accordance with 34 TAC Sections 20.101 through 20.108. University may also revoke this Agreement for breach and make a claim against Contractor.

12.27.1 **Changes to the HSP.** If at any time during the Term of this Agreement, Contractor desires to change the HSP, before the proposed changes become effective (a) Contractor must comply with 34 TAC Section 20.14; (b) the changes must be reviewed and approved by University; and (c) if University approves changes to the HSP, this Agreement must be amended in accordance with **Section 12.6** to replace the HSP with the revised subcontracting plan.

12.27.2 **Expansion of the Work.** If University expands the scope of the Work through a change order or any other amendment, University will determine if the additional Work contains probable subcontracting opportunities *not* identified in the initial solicitation for the Work. If University determines additional probable subcontracting opportunities exist, Contractor will submit an amended subcontracting plan covering those opportunities. The amended subcontracting plan must comply with the provisions of 34 TAC Section 20.14 before (a) this Agreement may be amended to include the additional Work; or (b) Contractor may perform the additional Work. If Contractor subcontracts any of the additional subcontracting opportunities identified by University without prior authorization and without complying with 34 TAC Section 20.14, Contractor will be deemed to be in breach of this Agreement under **Section 8** and will be subject to any remedial actions provided by Applicable Laws, including Chapter 2161, *Texas Government Code* and 34 TAC Section 20.14. University may report nonperformance under this Agreement to the TPSS in accordance with 34 TAC Sections 20.101 through 20.108.

12.28 **Responsibility for Individuals Performing Work; Criminal Background Checks.** Each individual who is assigned to perform the Work under this Agreement will be an employee of Contractor or an employee of a subcontractor engaged by Contractor. Contractor is responsible for the performance of all individuals performing the Work under this Agreement. Prior to commencing the Work, Contractor will (1) provide University with a list ("**List**") of all individuals who may be assigned to perform the Work on University's premises and (2) have an appropriate criminal background screening performed on all the individuals on the List. Contractor will determine on a case-by-case basis whether each individual assigned to perform the Work is qualified to provide the services. Contractor will not knowingly assign any individual to provide services on University's premises who has a history of criminal conduct unacceptable for a university campus or healthcare center, including violent or sexual offenses. Contractor will update the List each time there is a change in the individuals assigned to perform the Work on University's premises.

Prior to commencing performance of the Work under this Agreement, Contractor will provide University a letter signed by an authorized representative of Contractor certifying compliance with this Section. Contractor will provide University an updated certification letter each time there is a change in the individuals on the List.

12.29 **EIR Environment Specifications.** Exhibit F attached and incorporated for all purposes, establishes specifications, representations, warranties and agreements related to the environment specifications of EIR that Contractor is providing to University under this Agreement. The specifications, representations, warranties and agreements set forth in Exhibit F are binding on Contractor. Contractor agrees to perform the Work in compliance with Exhibit F.

12.30 **Security Characteristics and Functionality of Proposer's Information Resources.** Exhibit G, attached and incorporated for all purposes, establishes specifications, representations, warranties and agreements related to the products and services Contractor is providing to University under this Agreement. The specifications, representations, warranties and agreements set forth in Exhibit G are binding on Contractor. Contractor agrees to perform the Work in compliance with Exhibit G.

12.31 **External Terms.** This Agreement completely supplants, replaces, and overrides all other terms and conditions or agreements, written or oral, concerning Contractor's performance or provision of goods or services under this Agreement ("**External Terms**"). The External Terms are null and void and will have no effect under this Agreement, regardless of whether University or its employees, contractors, or agents express assent or agreement to the External Terms. The External Terms include any shrinkwrap, clickwrap, browsewrap, web-based terms and conditions of use, and any other terms and conditions displayed in any format that University or its employees, contractors, or agents are required to accept or agree to before or in the course of accessing or using any goods or services provided by Contractor.

12.32 **FERPA Compliance.** All of the University Records Contractor receives, creates or maintains for or on behalf of University constitute "Education Records" (as defined by FERPA), or "Personally Identifiable Information from Education Records" (as defined by FERPA) (collectively "**FERPA Records**"). Before Contractor may access, create or maintain any of University's FERPA Records, Contractor must execute the FERPA compliance contract addendum ("**FERPA Confidentiality and Security Outsourcing Addendum**"), attached as **EXHIBIT H**, FERPA Confidentiality and Security Outsourcing Addendum, and incorporated for all purposes. The FERPA Confidentiality and Security Outsourcing Addendum contains terms required by University to ensure that Contractor complies with FERPA (including the requirements of 34 CFR § 99.33(a)) and University Rules related to FERPA, including (i) a description of all FERPA Records subject to this Agreement, and (ii) recognition that University retains the right to control Contractor's access, use, and disclosure of all FERPA Records. Except to the extent **Section 12.11** conflicts with the FERPA Confidentiality and Security Addendum, Contractor will comply with **Section 12.11** in connection with all FERPA Records. To the extent that the FERPA Confidentiality and Security Outsourcing Addendum conflicts with any term contained in this Agreement, the terms of the FERPA Confidentiality and Security Outsourcing Addendum will control.

University and Contractor have executed and delivered this Agreement to be effective as of the Effective Date.

FERPA CONFIDENTIALITY AND SECURITY OUTSOURCING ADDENDUM

This FERPA Confidentiality and Security Addendum (“**Addendum**”) is made and entered into effective as of [] (the “**Effective Date**”) by and between **The University of Texas System**, a state agency established under the laws of the State of Texas (“**System**”) and [] (“**Contractor**”), (collectively, “**Parties**”). System institutions are required to comply with the Family Educational Rights and Privacy Act, 20 U.S.C. §1232g and 34 CFR Part 99 (**FERPA**), and System FERPA policies. To the extent that System and any System office or department, including the Institution of Transformational Learning, maintains, uses, collects, or provides third party access to System institution records subject to FERPA, FERPA and System policy require System to ensure that all such records are maintained and used in compliance with FERPA and System FERPA policies. The purpose of this Addendum is to provide the terms under which Contractor is required to maintain the confidentiality and security of any and all System records subject to FERPA and System policy on FERPA. Contractor will use such FERPA records solely to perform Work on behalf of System pursuant to the **Agreement Between University and Contractor For Salesforce Configuration and Development Services** (“**Underlying Agreement**”).

1. **FERPA.** The Parties understand and agree that:
 - 1.1 As part of the work (“**Work**”), that Contractor will provide pursuant to the Underlying Agreement, Contractor is expected to create, receive, use, or maintain, records or record systems from System institutions (Institutions) and/or that System holds from or on behalf of these Institution that (a) are subject to FERPA or (b) contain “Personally Identifiable Information” derived from “Education Records” as defined by, and subject to, FERPA (collectively, “**FERPA Records**”) namely: **[Insert a specific description of all types or categories of records subject to FERPA to be created, accessed, collected and/or maintained by Contractor.]** FERPA Records include all data in any form whatsoever, including electronic, written and machine readable form.
 - 1.2 Notwithstanding any other provision of the Underlying Agreement, this Addendum or any other agreement, all FERPA Records created, received or maintained by Contractor pursuant to the Underlying Agreement will remain the sole and exclusive property of System.
2. **FERPA Compliance.** In connection with all FERPA Records that Contractor may create, receive or maintain on behalf of System pursuant to the Underlying Agreement, Contractor is designated as a University Official with a legitimate educational interest in and with respect to such FERPA Records. Contractor’s designation is only to the extent to which Contractor is required to create, receive or maintain FERPA Records to carry out the Underlying Agreement. Contractor may have access to FERPA records only so long as Contractor understands and agrees to all of the following terms and conditions *without reservation*:
 - 2.1 **Prohibition on Unauthorized Use or Disclosure of FERPA Records:** Contractor will hold System FERPA Records in strict confidence. Contractor will not use or disclose FERPA Records received from or on behalf of System, including any FERPA Records provided by a System Institution student directly to Contractor, except as permitted or required by the Underlying Agreement or this Addendum.
 - 2.2 **Maintenance of the Security of FERPA Records:** Contractor will use administrative, technical and physical security measures, including secure encryption in the case of electronically maintained or transmitted FERPA Records, approved by System and that are at least as stringent as the requirements of UT System Information and Resource Use & Security Policy,

UTS 165 at <http://www.utsystem.edu/bor/procedures/policy/policies/uts165.html>, to preserve the confidentiality and security of all FERPA Records received from, or on behalf of System, System Institution students or any third party pursuant to the Underlying Agreement.

- 2.3 **Reporting of Unauthorized Disclosures or Misuse of FERPA Records and Information:** Contractor, within one (1) day after discovery, will report to System any use or disclosure of FERPA Records not authorized by the Underlying Agreement and this Addendum. Contractor's report will identify: (i) the nature of the unauthorized use or disclosure, (ii) the FERPA Records used or disclosed, (iii) who made the unauthorized use or received the unauthorized disclosure, (iv) what Contractor has done or will do to mitigate any deleterious effect of the unauthorized use or disclosure, and (v) what corrective action Contractor has taken or will take to prevent future similar unauthorized use or disclosure. Contractor will provide such other information, including written reports, as reasonably requested by System to ensure that System remains in compliance with FERPA, other applicable law, and applicable System policy. For purposes of this **Section 2.3**, an unauthorized disclosure or use includes any access or use of an "Education Record" (as defined by FERPA) by a Contractor employee or agent that is not required to allow the employee or agent to perform Work or access by any employee or agent that does not involve the provision of Work.
- 2.4 **Right to Audit:** If System has a reasonable basis to believe that Contractor is not in compliance with the terms of this Addendum, System may audit Contractor's compliance with FERPA as Contractor's compliance relates to System's FERPA Records maintained by Contractor.
- 2.5 **Five Year Exclusion for Improper Disclosure of Education Records.** Under the federal regulations implementing FERPA, improper disclosure or disclosure of personally identifiable information from System or a System Institution's "Education Records" (as defined by FERPA) by Contractor or its employees or agents may result in Contractor's complete exclusion from eligibility to contract with any System Institution or System that involves access to System FERPA Records for at least five (5) years.
3. **Return of FERPA Records.** Contractor agrees that upon termination or expiration of the Underlying Agreement or this Addendum for any reason, or upon System's written request, Contractor will halt all access, use, creation, or processing of FERPA Records and within 30 days after expiration or termination or University's written request, Contractor will return to University all FERPA Records, including any copies created by Contractor or any subcontractor; and Contractor will certify in writing to University that all FERPA records have been returned to University.
4. **Disclosure.** Contractor will restrict disclosure of FERPA Records solely to those employees, subcontractors, or agents of Contractor that have a need to access the FERPA Records in order for Contractor to perform its obligations under the Underlying Agreement or this Addendum. Prior to any disclosure by Contractor of any FERPA Records to a subcontractor or agent, Contractor will first obtain System's written approval and ensure that subcontractor or agent to comply with restrictions and obligations that align with the restrictions and obligations imposed on Contractor by the Underlying

5. **Termination.** This Addendum will remain in effect until the earlier of (a) expiration or termination of the Underlying Agreement, or (b) the date University terminates this Addendum by giving Contractor sixty (60) days' written notice of University's intent to terminate. **Sections 2, 3, 4, 6, and 7** of this Addendum will survive expiration or termination of the Underlying Agreement and this Addendum.
6. **Breach.** In the event of a breach, threatened breach or intended breach of this Addendum by Contractor, University (in addition to any other rights and remedies available to University at law or in equity) will be entitled to preliminary and final injunctions, enjoining and restraining such breach, threatened breach or intended breach.
7. **Governing Law.** The validity, construction, and performance of this Addendum are governed by the laws of the State of Texas, and suit may be brought in Travis, County, Texas to enforce the terms of this Addendum.
8. **Non-Assignment.** The rights and obligations of the Parties under this Addendum may not be sold, assigned or otherwise transferred.
9. **Addendum Controls; Interpretation.** To the extent that this Addendum conflicts with any term of the Underlying Agreement, this Addendum shall control. This Addendum shall be interpreted at all times such that System Institutions remain in compliance with FERPA and that System remains in compliance with System FERPA policy.

 - a. When subcontracting opportunities are not probable, and the Respondent proposes to perform all the work with its employees and resources, the Respondent shall submit a HUB Subcontracting Plan that includes **Section 3 – Self Performance Justification**.
 - b. When subcontracting opportunities are not probable, but the Respondent proposes to subcontract any part of the work, the Respondent shall submit a **HUB Subcontracting Plan as prescribed by the Texas Comptroller** identifying subcontractors.
4. Respondents shall follow, but are not limited to, procedures listed in the Policy when developing a HUB Subcontracting Plan.
5. **Competitive Sealed Proposals (CSP):** Respondents shall submit a HUB Subcontracting Plan (packaged separately) twenty-four (24) hours following the Response submission date and time or as prescribed by the project manager.
6. In making a determination whether a good faith effort has been made in the development of the required HUB Subcontracting Plan, UT System shall follow the procedures listed in the Policy. If accepted by the

University, the HUB Subcontracting Plan shall become a provision of the Respondent's contract with UT System. **Revisions necessary to clarify and enhance information submitted in the original HUB subcontracting plan may be made in an effort to determine good faith effort.** Any revisions after the submission of the HSP shall be approved by the HUB Coordinator.

7. **Design Build (DB) and Construction Manager @ Risk (CM@R) responses:** Respondents to a "design build" or "construction manager-at-risk" purchase solicitation shall include the Letter of HUB Commitment in their Response attesting that the Respondent has read and understands the Policy on Historically Underutilized Businesses (HUBs), and a HUB Subcontracting Plan for all preconstruction and construction services including a HUB Subcontracting Plan as prescribed by the Texas Comptroller specific to construction services identifying first, second and third tier subcontractors. Respondents proposing to perform Part 1 preconstruction services with their own resources and employees shall submit, as part of their HSP, the SelfPerformanceJustification.
8. **DB and CM@R HUB Contract Requirements:** Contractors engaged under design-build and construction manager-at-risk contracts shall submit a HUB Subcontracting Plan for all preconstruction and construction Phase Services, and, must further comply with the requirements of this Policy by developing and submitting a HUB Subcontracting Plan for each bid package issued in buying out the guaranteed maximum or lump sum price of the project. The HSP shall identify first, second and third tier subcontractors.
9. The University of Texas System shall reject any Response that does not include a fully completed HSP as required. **An incomplete HUB Subcontracting Plan is considered a material failure to comply with the solicitation for proposals.**
10. **Changes to the HUB Subcontracting Plan:** Once a Respondent's HSP is accepted by UT System and becomes a provision of the contract between Respondent and UT System, the Respondent can only change that HSP if (a) the Respondent complies with 34 TAC Section 20.14; (b) the Respondent provides its proposed changes to UT System for review; (c) UT System (including UT System's HUB Coordinator) approves Respondent's proposed changes to its HSP; and (d) UT System and the Respondent amend their contract (in writing signed by authorized officials of both parties) in order to replace the contract's existing HSP with a revised HSP containing the changes approved by UT System.
11. **Expansion of Work:** If, after entering into a contract with a Respondent as a result of a purchase solicitation subject to the Policy, UT System wishes to expand the scope of work that the Respondent will perform under that contract through a change order or any other contract amendment (the "additional work"), UT System will determine if the additional work contains probable subcontracting opportunities not identified in the initial purchase solicitation for that contract. If UT System determines that probable subcontracting opportunities exist for the additional work, then the Respondent must submit to UT System an amended HUB Subcontracting Plan covering those opportunities that complies with the provisions of 34 TAC Section 20.14. Such an amended HSP must be approved by UT System and the Respondent (including UT System's HUB Coordinator) before (a) the contract may be amended by UT System and the Respondent to include the additional work and the amended HSP and (b) the Respondent performs the additional work. If a Respondent subcontracts any of the additional subcontracting opportunities identified by UT System for any additional work (i) without complying with 34 TAC Section 20.14 or (ii) before UT System and that Respondent amend their contract to include a revised HSP that authorizes such subcontracting, then the Respondent will be deemed to be in breach of its contract with UT System. As a result of such breach, UT System will be entitled to terminate its contract with the Respondent, and the Respondent will be subject to any remedial actions provided by Texas law, including those set forth in Chapter 2161, Texas Government Code, and 34 TAC Section 20.14. The University may report a Respondent's nonperformance under a

contract between that Respondent and UT System to the Texas Comptroller in accordance with 34 TAC Sections 20.10 through 20.18.

12. A Response may state that the Respondent intends to perform all the subcontracting opportunities with its own employees and resources in accordance with the Policy. However, if such a Respondent enters into a contract with UT System as a result of such a Response but later desires to subcontract any part of the work set forth in that contract, before the Respondent subcontracts such work it must first change its HUB Subcontracting Plan in accordance with the provisions of Section 10 above.
13. The University of Texas System shall require a professional services firm, contractor or vendor to whom a contract has been awarded to report the identity and the amount paid to its subcontractors on a monthly basis using a **HUB Subcontracting Plan (HSP) Prime Contractor Progress Assessment Report (PAR)** as a condition for payment.
14. If the University of Texas System determines that the successful Respondent failed to implement an approved HUB Subcontracting Plan in good faith, UT System, in addition to any other remedies, may report nonperformance to the Texas Comptroller in accordance with 34 TAC Section 20.14, (g) (1) related remedies of nonperformance to professional services firms, contractor and vendor implementation of the HSP.
15. In the event of any conflict between this "Summary of Requirements" and the remainder of the HUB Policy, the remainder of the HUB Policy will control.

Select one of the following:

- _____ 32.9% for all special trade construction contracts

I understand the above HUB percentages must represent Texas Comptroller HUB certification standards. For each of the listed HUB firms, I have attached a Texas Comptroller HUB Certification document.

Should we discover additional subcontractors claiming Historically Underutilized Business status during the course of this contract we will notify you of the same. In addition, if for some reason a HUB is unable to fulfill its contract with us, we will notify you immediately in order to take the appropriate steps to amend this contractual obligation.

RE: Historically Underutilized Business Plan for (Project Title): _____
Project Number: _____

Dear :

In accordance with the requirements outlined in the specification section “HUB Participation Program”, I am pleased to forward this HUB Subcontracting Plan as an integral part of our proposal in connection with your invitation for request for proposals, referencing Project Number _____.

I have read and understand The University of Texas System Policy on Utilization of Historically Underutilized Businesses (HUBs).

Good Faith Effort will be documented by a two part HUB Subcontracting Plan (HSP) process. Part one (1) of the HSP submission will reflect self-performance with the appropriate sections completed per the instructions in Option One of the HSP Quick Checklist located on page 10 of The University of Texas Exhibit H Policy on Utilization of Historically Underutilized Businesses (HUBs).

As the scope of work/project is defined under this ID/IQ contract, part two (2) of the process will require a revised HUB Subcontracting Plan (HSP) and the Good Faith Effort will be documented per instructions in Attachment B (page 16-17) and Option Three of the HSP Quick Check List. The revised HUB Subcontracting Plan will be submitted to the HUB Coordinator prior to execution of each contract process. Documentation of subcontracted work will be provided with each pay request.

Sincerely,

Project Executive

HUB Subcontracting Plan (HSP) Quick Checklist

While this HSP Quick Checklist is being provided to merely assist you in readily identifying the sections of the HSP form that you will need to complete, it is very important that you adhere to the instructions in the HSP form and instructions provided by the contracting agency.

- GFE Method A (Attachment A) - Complete an Attachment A for each of the subcontracting opportunities you listed in Section 2b.
- Letter of Transmittal

Option Two: If you will be subcontracting any portion of the contract to Texas certified HUB vendors and Non-HUB vendors, and the aggregate percentage of all the subcontracting work you will be awarding to the Texas certified HUB vendors with which you do not have a "continuous contract" in place for more than five (5) years meets or exceeds the HUB Goal the contracting agency identified in the "Agency Special Instructions/Additional requirements", complete:

- Section 1 - Respondent and Requisition Information
- Section 2a. - Yes, I will be subcontracting portions of the contract.
- Section 2b. - List all the portions of work you will subcontract, and indicate the percentage of the contract you expect to award to Texas certified HUB vendors and Non-HUB vendors.

- Letter of Transmittal

Option Three: If you will be subcontracting any portion of the contract to Texas certified HUB vendors and Non-HUB vendors or only to Non-HUB vendors, and the aggregate percentage of all the subcontracting work you will be awarding to the Texas certified HUB vendors with which you do not have a "continuous contract" in place for more than five (5) years does not meet or exceed the HUB Goal the contracting agency identified in the "Agency Special Instructions/Additional Requirements", complete:

- Section 1 - Respondent and Requisition Information
- Section 2a. - Yes, I will be subcontracting portions of the contract.
- Section 2b. - List all the portions of work you will subcontract, and indicate the percentage of the contract you expect to award to Texas certified HUB vendors and Non-HUB vendors.

- Section 1 - Respondent and Requisition Information
- Section 2a. - No, I will not be subcontracting any portion of the contract, and I will be fulfilling the entire contract with my own resources.

- Letter of HUB Commitment

***Continuous Contract:** Any existing written agreement (including any renewals that are exercised) between a prime contractor and a HUB vendor, where the HUB vendor provides the prime contractor with goods or service, to include transportation and delivery under the same contract for a specified period of time. The frequency the HUB vendor is utilized or paid during the term of the contract is not relevant to whether the contract is considered continuous. Two or more contracts that run concurrently or overlap one another for different periods of time are considered by CPA to be individual contracts rather than renewals or extensions to the original contract. In such situations the prime contractor and HUB vendor are entering (have entered) into "new" contracts.

HUB Subcontracting Plan (HSP)

In accordance with Texas Gov't Code §2161.252, the contracting agency has determined that subcontracting opportunities are probable under this contract. Therefore, all respondents, including State of Texas certified Historically Underutilized Businesses (HUBs) must complete and submit this State of Texas HUB Subcontracting Plan (HSP) with their response to the bid requisition (solicitation).

NOTE: Responses that do not include a completed HSP shall be rejected pursuant to Texas Gov't Code §2161.252(b).

The HUB Program promotes equal business opportunities for economically disadvantaged persons to contract with the State of Texas in accordance with the goals specified in the 2009 State of Texas Disparity Study. The statewide HUB goals defined in 34 Texas Administrative Code (TAC) §20.13 are:

- **11.2 percent for heavy construction other than building contracts,**
- **21.1 percent for all building construction, including general contractors and operative builders' contracts,**
- **32.9 percent for all special trade construction contracts,**
- **23.7 percent for professional services contracts,**
- **26.0 percent for all other services contracts, and**
- **21.1 percent for commodities contracts.**

-- Agency Special Instructions/Additional Requirements --

*In accordance with 34 TAC §20.14(d)(1)(D)(iii), a respondent (prime contractor) may demonstrate good faith effort to utilize Texas certified HUBs for its subcontracting opportunities if the total value of the respondent's subcontracts with Texas certified HUBs meets or exceeds the statewide HUB goal or the agency specific HUB goal, whichever is higher. When a respondent uses this method to demonstrate good faith effort, the respondent must identify the HUBs with which it will subcontract. If using existing contracts with Texas certified HUBs to satisfy this requirement, only the aggregate percentage of the contracts expected to be subcontracted to HUBs with which the respondent **does not** have a **continuous contract*** in place for **more than five (5) years** shall qualify for meeting the HUB goal. This limitation is designed to encourage vendor rotation as recommended by the 2009 Texas Disparity Study.*

In accordance with 34 TAC §20.13(d)(1)(D)(iii), the goals below are the applicable goals for The University of Texas System Administration only.

- Other Services HUB Goal – 26%
- Commodities HUB Goal – 35.25%
- Special Trades HUB Goal – 32.9%

- Responses for Special Trades Construction shall submit a HUB Subcontracting Plan (HSP) that meets the Good Faith Effort prescribed in Method B (Attachment B). See instruction for Option Three on the HSP Quick Check List. No other Good Faith Effort method will be accepted.
- Responses for Miscellaneous Services Agreements for indefinite duration/indefinite quantity- Two (2) part process:
 1. Submit a Letter of HUB Commitment (page 9) and a Good Faith Effort described in Option Four.
 2. Submit a revised HSP prior to execution of each contract process as described in Option Three of Quick Check List.
- Respondents shall submit a completed HUB Subcontracting Plan (HSP) to be considered responsive. Failure to submit a completed HSP shall result in the bid, proposal or other expression of interest to be considered Non-responsive.
- Respondents who intend to Self-Perform all of their work shall submit an HSP for Self-Performance HUB Subcontracting Plan (HSP) as described in Option Four.
- Prime Contractor Progress Assessment Report (PAR) shall be submitted with each request for payment as a condition of payment.

SECTION-3 SELF PERFORMING JUSTIFICATION (If you responded "No" to SECTION 2, Item a, you must complete this SECTION and continue to SECTION 4.)

If you responded "No" to SECTION 2, Item a, in the space provided below **explain how** your company will perform the entire contract with its own employees, supplies, materials and/or equipment, to include transportation and delivery.

SECTION-4: AFFIRMATION

As evidenced by my signature below, I affirm that I am an authorized representative of the respondent listed in SECTION 1, and that the information and supporting documentation submitted with the HSP is true and correct. Respondent understands and agrees that, if awarded any portion of the requisition:

- The respondent will provide notice as soon as practical to all the subcontractors (HUBs and Non-HUBs) of their selection as a subcontractor for the awarded contract. The notice must specify at a minimum the contracting agency's name and its point of contact for the contract, the contract award number, the subcontracting opportunity they (the subcontractor) will perform, the approximate dollar value of the subcontracting opportunity and the expected percentage of the total contract that the subcontracting opportunity represents. A copy of the notice required by this section must also be provided to the contracting agency's point of contact for the contract no later than ten (10) working days after the contract is awarded.
- The respondent must submit monthly compliance reports (Prime Contractor Progress Assessment Report – PAR) to the contracting agency, verifying its compliance with the HSP, including the use of and expenditures made to its subcontractors (HUBs and Non-HUBs). (The PAR is available at <http://www.window.state.tx.us/procurement/prog/hub/hub-forms/progressassessmentrpt.xls>).
- The respondent must seek approval from the contracting agency prior to making any modifications to its HSP, including the hiring of additional or different subcontractors and the termination of a subcontractor the respondent identified in its HSP. If the HSP is modified without the contracting agency's prior approval, respondent may be subject to any and all enforcement remedies available under the contract or otherwise available by law, up to and including debarment from all state contracting.
- The respondent must, upon request, allow the contracting agency to perform on-site reviews of the company's headquarters and/or work-site where services are being performed and must provide documentation regarding staffing and other resources.

Unless the contracting agency specified a different time period, you must allow the HUBs at least seven (7) working days to respond to the notice prior to you submitting your bid response to the contracting agency. When searching for Texas certified HUBs and verifying their HUB status, ensure that you use the State of Texas’ Centralized Master Bidders List (CMBL) - Historically Underutilized Business (HUB) Directory Search located at <http://mycpa.cpa.state.tx.us/tpasscmbsearch/index.jsp>. HUB status code “A” signifies that the company is a Texas certified HUB.
- b.** List the three (3) Texas certified HUBs you notified regarding the subcontracting opportunity you listed in SECTION B-1. Include the company’s Texas Vendor Identification (VID) Number, the date you sent notice to that company, and indicate whether it was responsive or non-responsive to your subcontracting opportunity notice.

ACCESS BY INDIVIDUALS WITH DISABILITIES

Access by Individuals with Disabilities. Contractor represents and warrants (“EIR Accessibility Warranty”) that the electronic and information resources and all associated information, documentation, and support that it provides to University under this Agreement (collectively, the “EIRs”) comply with the applicable requirements set forth in Title 1, Chapter 213, *Texas Administrative Code*, and Title 1, Chapter 206, Rule §206.70, *Texas Administrative Code* (as authorized by Chapter 2054, Subchapter M, *Government Code*.) Contractor will periodically (but no less than every 12 months) confirm its EIR complies with this EIR Warranty, if Contractor finds it does not comply, then Contractor represents and warrant that it will, at no cost to University, either (1) perform all necessary remediation to make the EIRs satisfy the EIR Accessibility Warranty or (2) replace the EIRs with new EIRs that satisfy the EIR Accessibility Warranty. In the event that Contractor fails or is unable to do so, then University may terminate this Agreement and Contractor will refund to University all amounts University has paid under this Agreement within thirty (30) days after the termination date. Contractor will provide all assistance and cooperation necessary for the performance of accessibility testing conducted by University or University’s third party testing resources as required by Title 1, Rule §213.38(g) of the *Texas Administrative Code*.
