1. Uniform Summary of Benefits and Coverage

The uniform Summary of Benefits and Coverage (SBC) provision of the Affordable Care Act requires all insurers and group health plans to provide consumers with an SBC to describe key plan features in a mandated format, including limitations and exclusions. The provision also requires that consumers have access to a uniform glossary of terms commonly used in health care coverage.

The UT insurance SBCs are available online.

UT SELECT PPO or Out-of-Area coverage:

www.bcbstx.com/ut/coverage

You can view the glossary at

www.healthcare.gov/sbc-glossary

To request a copy of these documents free of charge, you may call the **SBC Hotline at 1-855-756-4448**.

2. UT SELECT Medical Plan Opt Out of Certain Provisions of the Public Health Service (PHS) Act

Group health plans sponsored by State governmental employers, such as UT System must generally comply with certain requirements in Title XXVII of the Federal Public Health Services Act. However, the Act also permits State governmental employers that sponsor "self-funded" health plans (rather than provide coverage through a health insurance policy) to elect to exempt the self-funded plan from such requirements. UT System has elected to exempt the UT SELECT Medical plan, which is self-funded, from the following requirements:

1. Standards related to benefits for mothers and newborns.
2. Required coverage for reconstructive surgery following mastectomies.
3. Coverage of dependent students on medically necessary leave of absence.

The exemption from these federal requirements will be in effect for the 2023-2024 plan year. The election may be renewed for subsequent plan years.

However, UT System currently voluntarily provides coverage that substantially complies with the requirements of the Newborn and Mother's Protection Act and the WHCRA. Information about coverage available to newborns and mothers after delivery and coverage for reconstructive surgery can be found in the UT SELECT Medical plan guide.

3. Premium Assistance Under Medicaid and the Children’s Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you’re eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren’t eligible for Medicaid or CHIP, you won’t be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren’t already enrolled. This is called a “special enrollment” opportunity, and you must request coverage within 60 days of being determined eligible for premium assistance. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call **1-866-444-EBSA (3272)**.

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of January 31, 2023. Contact your State for more information on eligibility –

4. University of Texas System Notice of Privacy Practices

Revised Effective August 1, 2018; Reviewed August 2023

THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY.

I. PURPOSE OF THIS NOTICE

This Notice of Privacy Practices (this "Notice") describes the privacy practices of the UT SELECT, UT SELECT Dental and Dental Plus and UT FLEX Self-funded Group Health Plans ("the Plans") which are funded by The University of Texas System and administered by the Office of the Employee Benefits (OEB) within the University of Texas System Administration (System). Federal law requires OEB to make sure that any medical information that it collects, creates or holds on behalf of the Plans that identifies you remains private. Federal law also requires OEB to maintain this Notice of OEB's legal duties and privacy practices with respect to your medical information. Specifically, this

Notice describes how OEB may use or disclose your medical information (see Section II), your rights concerning your medical information (see Section III), how you may contact System regarding OEB's privacy policies (see Section VI), and OEB's right to revise this Notice (see Section VII). OEB will abide by the terms of this Notice as long as it is in effect. This Notice applies to any use or disclosure of your medical information occurring on or after the effective date written at the top of this page, even if OEB created or received the information before the effective date. This Notice will no longer apply once a revised version of this Notice becomes effective.

II. HOW SYSTEM MAY USE OR DISCLOSE YOUR MEDICAL INFORMATION

OEB may use or disclose your medical information only as described in this Section II.

- A. Treatment.** OEB may disclose your medical information to a health care provider for your medical treatment.
- B. Payment.** OEB may use or disclose your medical information in order to determine premiums, determine whether OEB is responsible for payment of your health care, and make payments for your health care. For example, before paying a doctor's bill, OEB may use your medical information to determine whether the terms of your Plan cover the medical care you received. OEB may also disclose your medical information to a health care provider or other person as needed for that person's payment activities.
- C. Health Care Operations.** OEB may use or disclose your medical information in order to conduct "health care operations." Health care operations are activities that federal law considers important to OEB's successful operation. As examples, OEB may use your medical information complying with contracts and applicable laws. In addition, OEB may contact you to give you information about treatment alternatives or other health-related services that may interest you. OEB may also disclose your medical information to a health care provider or other health plan that is involved with your health care, as needed for that person's quality-related medical information to evaluate the performance of participating providers in the Plans' networks, and OEB may disclose your medical information to an auditor who will make sure that a third party administrator of a Plan is complying with contracts and applicable laws.
- D. Required by Law.** OEB will use or disclose your medical information if a federal, state, or local law requires it to do so.
- E. Required by Military Authority.** If you are a member of the Armed Forces or a foreign military, OEB may use or disclose your medical information if the appropriate military authorities require it to do so.
- F. Serious Threat to Health or Safety.** OEB may use or disclose your medical information if necessary because of a serious threat to someone's health or safety.

- G. Limited Data Set.** OEB may use or disclose your medical information for purposes of health care operations, research, or public health activities if the information is stripped of direct identifiers and the recipient agrees to keep the information confidential.
- H. Disclosure to You.** OEB may disclose your medical information to you or to a third party to whom you request us in writing to disclose your medical information.
- I. Disclosures to Individuals Involved with Your Health Care.** OEB may use or disclose your medical information in order to tell someone responsible for your care about your location or condition. OEB may disclose your medical information to your relative, friend, or other person you identify, if the information relates to that person’s involvement with your health care or payment for your health care.
- J. Disclosures to Business Associates.** OEB may contract or otherwise arrange with other entities or OEB offices to perform services on behalf of the Plans. OEB may then disclose your medical information to these “Business Associates,” and these Business Associates will use or disclose your medical information only to the extent OEB would be able to do so under the terms of this Section II. These Business Associates are also required to comply with federal law that regulates your medical information privacy.
- K. Other Disclosures.** OEB may also disclose your medical information to:
- Authorized federal officials for intelligence, counterintelligence, and other national security activities authorized by law;
 - Law enforcement officials if they need the information to investigate a crime or to identify or locate a suspect, fugitive, material witness, or missing person;
 - Health oversight agencies, if authorized by law, in order to monitor the health care system, government benefit programs, or compliance with civil rights laws;
 - Persons authorized by law to receive public health information, including reports of disease, injury, birth, death, child abuse or neglect, food problems, or product defects;
 - Persons authorized by law to receive the information under a court order, subpoena, discovery request, warrant, summons, or similar process;
 - Persons who need the information to comply with workers’ compensation laws or similar programs providing benefits for work-related injuries or illnesses;
 - Governmental agencies authorized to receive reports of abuse if you are a victim of abuse, neglect, or domestic violence;
 - Coroners or medical examiners, to identify you, to determine your cause of death, or as otherwise authorized by law;
 - Funeral directors, who need the information;
 - The Secretary of Health and Human Services, a federal agency that investigates compliance with federal privacy law.
- L. Incidental Uses and Disclosures.** Uses and disclosures that occur incidentally with a use or disclosure described in this Section II are acceptable if they occur notwithstanding OEB’s reasonable safeguards to limit such incidental uses and disclosures.
- M. Written Authorization.** OEB may use or disclose your medical information under circumstances that are not described above only if you provide permission by “written authorization.” After you provide written authorization, you may revoke that authorization, in writing, at any time by sending notice of the revocation to the Privacy Officer identified in Section VI of this Notice. If you revoke an authorization, OEB will no longer use or disclose your medical information under the circumstances permitted by that authorization. However, OEB cannot take back any disclosures already made under that authorization.

III. RESTRICTIONS

- A. OEB will not use your medical information for fundraising purposes.
- B. OEB will never use your genetic medical information about you for underwriting purposes. Using or disclosing your genetic information is prohibited by federal law.
- C. OEB does not use your medical information for marketing purposes. "Marketing" does not include face to face communications with you, or any

communications for which the Plan receives no remuneration such as refill reminders, treatment plans, alternatives to treatment, case management, value added services provided in connection with a Plan, and other purposes related to treatment and health care operations. "Marketing" also excludes promotional gifts of nominal value provided by the Plan.

- D. OEB does not sell your medical information.

IV. YOUR RIGHTS CONCERNING YOUR MEDICAL INFORMATION

You have the following rights associated with your medical information:

- A. **Right To Request Restrictions.** Although OEB is generally permitted to use or disclose your medical information for treatment, payment, health care operations, and notification to individuals involved with your health care, you have the right to request that OEB limit those uses and disclosures of medical information. You must make your request in writing to the Privacy Officer. Your request must state (1) the information you want to limit, (2) to whom you want the limit to apply, (3) the special circumstances that support your request for a restriction on Plan disclosures, and (4) if your request would impact payment, how payment will be handled. OEB will consider your request but does not have to agree to it. If OEB does agree, OEB will comply with your request (unless the disclosure is for your emergency treatment or is required by law) until you or OEB cancels the restriction. There is a form you can use to make this request which is available on the System website www.utsystem.edu/documents/docs/special-notice-other/hipaa-request-restriction-use-or-disclosure-protected-health-in or by contacting the Privacy Officer or the Benefits Office at The University of Texas System institution that you contact for assistance with your System insurance benefits.
- B. **Right To Confidential Communications.** You have the right to request that OEB communicate your medical information to you by a certain method (for example, by e-mail) or at a certain location (for example, at a post office box). You must make your request in writing to the Privacy Officer. Your request must include the method or location desired. If your

request would impact payment, you must describe how payment will be handled. Your request must indicate why disclosure of your medical information by another method or to another location could endanger you.

- C. **Right To Inspect and Copy.** You have the right, in most cases, to inspect and copy your medical information maintained by or for OEB. You must make your request in writing to the Privacy Officer. If OEB denies your request, you may have the right to have the denial reviewed by a licensed health care professional selected by OEB. If OEB (or a licensed health care professional performing the review on behalf of OEB) grants your request OEB will provide you with the requested access. You may request copies of such information but OEB may charge you a reasonable fee.
- D. **Right to Amend.** If you feel that medical information OEB has about you is incorrect or incomplete, you may ask OEB to amend the information. You have the right to request an amendment for as long as the information is kept by or for OEB. You must make your request in writing to the Privacy Officer, and you must give a reason that supports your request. If the Privacy Officer denies your request for an amendment, they will explain to you the reasons for denial and your appeal rights following denial.
- E. **Right to an Accounting of Disclosures.** You have the right to request a list of disclosures of your medical information that have been made by OEB and its Business Associates. You must make your request in writing to the Privacy Officer. Your request must state

the time period during which the disclosures were made, which may not include dates more than six years prior to the request. OEB may charge you a fee for the list of disclosures if you request more than one list within 12 months. OEB does not have to list the following disclosures:

- Disclosures for treatment;
- Disclosures for payment;
- Disclosures for health care operations;
- Disclosures of a limited data set for health care operations, research, or public health activities;
- Disclosures to you;
- Disclosures to individuals involved with your health care;
- Disclosures to authorized federal officials for national security activities;
- Disclosures that occur incidentally with other permissible uses and disclosures;
- Disclosures made under your written authorization; and
- In certain circumstances, disclosures to law enforcement officials or health oversight agencies.

- F. **Right to Make a Complaint.** If you believe your privacy rights have been violated, you may file a written complaint with the Privacy Officer or with the federal government's Department of Health and Human Services. OEB will not penalize you or retaliate against you in any way if you file a complaint.
- G. **Right to a Paper Copy of This Notice.** You have the right to request a paper copy of this Notice, even if you have received this Notice electronically. You may make your request to the Privacy Officer.

V. BREACH NOTIFICATIONS

OEB makes every effort to secure your health information, including the use of encryption and multi-factor authentication whenever possible. In the event that any of your medical information that has not been encrypted is the subject of a breach, System will provide you with a written or electronic notification about the breach as required by federal law.

5. Medicare Part D Notice of Creditable Coverage

Important Notice from The University of Texas System Office of Employee Benefits About Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with The University of Texas System and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan.

Medicare-eligible retirees and their Medicare-eligible dependents covered under the UT medical plans are automatically enrolled in the UT CARE PDP Employer Group Waiver Plan (EGWP), also known as UT CARE Part D.

Active employees and retirees working in a benefits-eligible position at a UT institution, as well as their dependents, who are covered under the UT medical plans are enrolled in the UT prescription drug plan (non-Medicare) regardless of Medicare eligibility. If you are considering enrolling in a Medicare Part D plan or an Advantage Plan with prescription drug coverage that is not affiliated with UT, you should compare your current coverage through UT, including which drugs are covered at what cost, with the coverage and costs of the Medicare plans available to you. Information about where you can get help with making decisions about your prescription drug coverage is included at the end of this notice.

Coverage under the UT prescription plans is considered Creditable.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. The University of Texas System Office of Employee Benefits has determined that the coverage offered by the UT prescription drug plan is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join a Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th. However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens to Your Current Coverage If You Decide to Join a Medicare Drug Plan?

For participants in the UT prescription drug plan (non-Medicare due to active employment), you are not required to drop your UT medical and prescription plan coverage if you choose to join a Part D plan not affiliated with UT. Your UT prescription drug benefits will coordinate with your outside Part D coverage.

For participants in the UT CARE Part D plan, enrollment in a Medicare Part D or Advantage plan not affiliated with UT will conflict with your UT CARE Part D coverage. You will need to choose either a UT or non-UT plan, then take further action to disenroll from the other. Failure to do so may result in automatic disenrollment from the plan of your choice or a disruption in your coverage.

If you do decide to join a non-UT Medicare drug plan and drop or lose your current UT medical plan with prescription drug coverage, be aware that you and your dependents will be able to get this coverage back during annual enrollment or following a qualified change of status event.

When Will You Pay a Higher Premium (Penalty) to Join a Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with the UT medical plan and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.
