SECTION 1

INTRODUCTION

1.1 Description of University

The University of Texas System ("UTS") was established pursuant to the Texas Constitution of 1876. In 1881, Austin was designated the site of the main academic campus and Galveston as the location of the medical branch. The University of Texas at Austin first opened in 1883, and eight years later, John Sealy Hospital in Galveston (now a part of The University of Texas Medical Branch at Galveston) established a program for university-trained medical professionals. In addition to the original academic campus located in Austin, UTS now includes additional academic campuses in El Paso, Dallas, Arlington, San Antonio, the Permian Basin (Odessa), Tyler, and the Rio Grande Valley (Brownsville and Edinburg). Health institutions for medical education and research have expanded beyond the original Galveston medical campus to include the M.D. Anderson Cancer Center (Houston), the Southwestern Medical Center at Dallas, and the Health Science Centers at Houston, San Antonio, and Tyler. The UTS is also responsible for management of the 2.1 million acres of the Permanent University Fund Lands in West Texas. This acreage is predominantly leased for oil, gas and mineral interests, or other surface interests such as grazing. The fifteen institutions of UTS have emerged among the nation's premier educational enterprises.

The Board of Regents of The University of Texas System consists of nine regents who serve without compensation. Regents are appointed by the Governor of the State of Texas and confirmed by the Texas State Senate to staggered six-year terms. The administrative offices of UTS are located in Austin, Texas.

1.2 Background and Special Circumstances

During a large-scale disaster event or emergency, an institution may require additional assistance beyond the scope of local and/or state (institution) resources. These resources may be defined as equipment, services, or personnel. Examples of such events can be, but are not limited to hurricanes and tropical storms, tornadoes, or direct terrorist attacks.

1.3 Objective of this Request for Proposal

The University of Texas System ("**University**") is soliciting proposals in response to this Request for Proposal for Selection of a Vendor to Provide Emergency Services related to disasters and emergencies. The Services, which are more specifically described in **Section 5.4** (Scope of Work) of this RFP, include (1) prepare and submit project worksheets; provide mobile or temporary command center facilities (2) provide mobile or temporary command center facilities; and (3) plan and provide for debris management.

This will be an umbrella contract entered into by UT System for the benefit of its institutions. Specific projects under the agreement will be instituted on an institution basis based on the submission of a Request for Services by the institution and payment will be made directly by that institution.

1.4 Group Purchase Authority

Texas law authorizes institutions of higher education (defined by Section 61.003, Education Code) to use the group purchasing procurement method (ref. Sections 51.9335, 73.115, and 74.008, Education Code). Additional Texas institutions of higher education may therefore elect to enter into a contract with the successful Proposer under this RFP. In particular, Proposer should note that University is part of The University of Texas System ("UT System"), which is comprised of nine academic and six health universities described at <http://www.utsystem.edu/institutions>. UT System institutions routinely evaluate whether a contract resulting from a procurement conducted by one of the institutions might be suitable for use by another, and if so, this could give rise to additional purchase volumes. As a result, in submitting its proposal in response to this RFP, Proposer should consider proposing pricing and other commercial terms that take into account such higher volumes and other expanded opportunities that could result from the eventual inclusion of other institutions in the purchase contemplated by this RFP.

SECTION 2

NOTICE TO PROPOSER

2.1 Submittal Deadline

University will accept proposals submitted in response to this RFP until **2:00 PM**, Central Prevailing Time on June 30, 2014 (the “**Submittal Deadline**”).

2.2 University Contact Person

Proposers will direct all questions or concerns regarding this RFP to the following University contact (“**University Contact**”):

Patrice Reisen-Hicks
Emergency Management Coordinator
The University of Texas System

preisen@utsystem.edu

University specifically instructs all interested parties to restrict all contact and questions regarding this RFP to written communications forwarded to University Contact. University Contact must receive all questions or concerns no later than June 18, 2014. University will have a reasonable amount of time to respond to questions or concerns. It is University’s intent to respond to all appropriate questions and concerns; however, University reserves the right to decline to respond to any question or concern.

2.3 Criteria for Selection

The successful Proposer, if any, selected by University in accordance with the requirements and specifications set forth in this RFP will be the Proposer that submits a proposal in response to this RFP on or before the Submittal Deadline that is the most advantageous to University. The successful Proposer is referred to as the “**Contractor**.”

Proposer is encouraged to propose terms and conditions offering the maximum benefit to University in terms of (1) services to University, (2) total overall cost to University, and (3) project management expertise. Proposers should describe all educational, state and local government discounts, as well as any other applicable discounts that may be available to University in a contract for the Services.

An evaluation team from University will evaluate proposals. The evaluation of proposals and the selection of Contractor will be based on the information provided by Proposer in its proposal. University may give consideration to additional information if University deems such information relevant.

The criteria to be considered by University in evaluating proposals and selecting Contractor, will be those factors listed below:

2.3.1 Threshold Criteria Not Scored

- 2.3.1.1 Ability of University to comply with laws regarding Historically Underutilized Businesses; and

2.3.1.2 Ability of University to comply with laws regarding purchases from persons with disabilities.

2.3.2 Scored Criteria

2.3.2.1 the cost of goods and services;

2.3.2.2 the reputation of the Proposer and of the Proposer's goods or services;

2.3.2.3 the quality of the Proposer's goods or services;

2.3.2.4 the extent to which the goods or services meet the University's needs;

2.3.2.5 the Proposer's past relationship with the University;

2.3.2.6 the total long-term cost to the University of acquiring the Proposer's goods or service.

2.4 Key Events Schedule

Issuance of RFP	May 30, 2014
Pre-Proposal Conference (ref. Section 2.6 of this RFP)]	June 17, 2014, 10:00 AM
Deadline for Questions/Concerns (ref. Section 2.2 of this RFP)	June 17, 2014, 2:00 PM
Submittal Deadline (ref. Section 2.1 of this RFP)	2:00 PM Central Prevailing Time on June 30, 2014

2.5 Historically Underutilized Businesses

2.5.1 All agencies of the State of Texas are required to make a good faith effort to assist historically underutilized businesses (each a “**HUB**”) in receiving contract awards. The goal of the HUB program is to promote full and equal business opportunity for all businesses in contracting with state agencies. Pursuant to the HUB program, if under the terms of any agreement or contractual arrangement resulting from this RFP, Contractor subcontracts any of the Services, then Contractor must make a good faith effort to utilize HUBs certified by the Procurement and Support Services Division of the Texas Comptroller of Public Accounts. Proposals that fail to comply with the requirements contained in this Section 2.5 will constitute a material failure to comply with advertised specifications and will be rejected by University as non-responsive. Additionally, compliance with good faith effort guidelines is a condition precedent to awarding any agreement or contractual arrangement resulting from this RFP. Proposer acknowledges that, if selected by University, its obligation to make a good faith effort to utilize HUBs when subcontracting any of the Services will continue throughout the term of all agreements and contractual arrangements resulting from this RFP. Furthermore, any subcontracting of the Services by the Proposer is subject to review by University to ensure compliance with the HUB program.

- 2.5.2 University has reviewed this RFP in accordance with Title 34, *Texas Administrative Code*, Section 20.13 (a), and has determined that subcontracting opportunities are probable under this RFP.
- 2.5.3 A HUB Subcontracting Plan (“**HSP**”) is required as part of Proposer’s proposal. The HSP will be developed and administered in accordance with University’s Policy on Utilization of Historically Underutilized Businesses attached as **APPENDIX TWO** and incorporated for all purposes.

Each Proposer must complete and return the HSP in accordance with the terms and conditions of this RFP, including **APPENDIX TWO**. Proposers that fail to do so will be considered non-responsive to this RFP in accordance with Section 2161.252, Government Code.

Questions regarding the HSP may be directed to:

Contact:	Stephanie Park Office of HUB Development The University of Texas System 702 Colorado Street Austin, Texas 78701
Phone:	512-499-4378
Email:	spark@utsystem.edu

Contractor will not be permitted to change its HSP unless: (1) Contractor completes a newly modified version of the HSP in accordance with the terms of **APPENDIX TWO** that sets forth all changes requested by Contractor, (2) Contractor provides University with such a modified version of the HSP, (3) University approves the modified HSP in writing, and (4) all agreements or contractual arrangements resulting from this RFP are amended in writing by University and Contractor to conform to the modified HSP.

- 2.5.4 Proposer must submit three (3) originals of the HSP to University at the same time it submits its proposal to University (ref. **Section 3.2** of this RFP.) The three (3) originals of the HSP must be submitted under separate cover and in a separate envelope (the “HSP Envelope”). Proposer must ensure that the top outside surface of its HSP Envelope clearly shows and makes visible:

2.5.4.1 the RFP No. (ref. **Section 1.3** of this RFP) and the Submittal Deadline (ref. **Section 2.1** of this RFP), both located in the lower left hand corner of the top surface of the envelope,

2.5.4.2 the name and the return address of the Proposer, and

2.5.4.3 the phrase “HUB Subcontracting Plan”.

Any proposal submitted in response to this RFP that is not accompanied by a separate HSP Envelope meeting the above requirements will be rejected by University and returned to the Proposer unopened as that proposal will be considered non-responsive due to material failure to comply with advertised specifications. Furthermore, University will open a Proposer’s HSP Envelope prior to opening the proposal submitted by the Proposer, in order to ensure that the Proposer has submitted the number of completed and signed originals of the

Proposer's HSP that are required by this RFP. A Proposer's failure to submit the number of completed and signed originals of the HSP that are required by this RFP will result in University's rejection of the proposal submitted by that Proposer as non-responsive due to material failure to comply with advertised specifications; such a proposal will be returned to the Proposer unopened (ref. **Section 1.5** of **APPENDIX ONE** to this RFP). **Note:** The requirement that Proposer provide three originals of the HSP under this **Section 2.5.4** is separate from and does not affect Proposer's obligation to provide University with the number of copies of its proposal as specified in **Section 3.1** of this RFP.

2.6 Pre-Proposal Conference

University will hold a pre-proposal conference at **10:00 AM**, Central Prevailing Time on June 17, 2014, in Room 3.108 of Building 28 on the UTMB Campus (ref. **APPENDIX THREE Campus Map**). The pre-proposal conference will allow all Proposers an opportunity to ask University's representatives relevant questions and clarify provisions of this RFP.

3.4 Terms and Conditions

3.4.1 Proposer must comply with the requirements and specifications contained in this RFP, the Terms and Conditions (ref. **Section 4** of this RFP), the Notice to Proposer (ref. **Section 2** of this RFP), Proposal Requirements (ref. **APPENDIX ONE**) and the Specifications and Additional Questions (ref. **Section 5** of this RFP). If there is a conflict among the provisions in this RFP, the provision requiring Proposer to supply the better quality or greater quantity of services will prevail, or if such conflict does not involve quality or quantity, then interpretation will be in the following order of precedence:

- 3.4.1.1. Specifications and Additional Questions (ref. **Section 5** of this RFP);
- 3.4.1.2. Terms and Conditions (ref. **Section 4** of this RFP);
- 3.4.1.3. Proposal Requirements (ref. **APPENDIX ONE**);

SECTION 4**GENERAL TERMS AND CONDITIONS****4.1 General**

The terms and conditions contained in this Section 4 or, in the sole discretion of University, terms and conditions substantially similar to these terms and conditions, will be included in any contract or agreement that results from this RFP (ref. Section 1.4 of APPENDIX ONE). If Proposer takes exception to any terms or conditions set forth in this Section 4, Proposer will submit a list of the exceptions as part of its proposal in accordance with Section 5.3.1 of this RFP. Proposer's exceptions will be reviewed by University and may result in disqualification of Proposer's proposal as non-responsive to this RFP. If Proposer's exceptions do not result in disqualification of Proposer's proposal, then University may consider Proposer's exceptions when University evaluates the Proposer's proposal.

As indicated in **Section 2.3** of this RFP, the successful Proposer is referred to as the "**Contractor.**"

4.2 Payment

University agrees to pay fees due under this Agreement in accordance with the Texas Prompt Payment Act (“**Act**”), Chapter 2251, *Government Code*. Pursuant to the Act, payment shall be deemed late on the 31st day after the later of: 1) the date the performance of the Services under this Agreement are completed, or 2) the date University receives an invoice for the Services. University will be responsible for interest on overdue payments equal to the sum of: 1) one percent, plus 2) the prime rate as published in the Wall Street Journal on the first day of July of the preceding fiscal year (University’s fiscal year begins September 1) that does not fall on a Saturday or Sunday. University will have the right to verify the details set forth in Contractor’s invoices and supporting documentation, either before or after payment, by (a) inspecting the books and records of Contractor at mutually convenient times; (b) examining any reports with respect to the Project; and (c) other reasonable action. The cumulative amount of all payments will not exceed the amount of this Agreement.

- 4.5.4 Contractor will, at its own cost, correct all material defects in the Services as soon as practical after Contractor becomes aware of the defects. If Contractor fails to correct material defects in the Services within a reasonable time, then University may correct the defective Services at Contractor's expense. This remedy is in addition to, and not in substitution for, any other remedy for defective Services that University may have at law or in equity.
- 4.5.5 Contractor will maintain a staff of properly trained and experienced personnel to ensure satisfactory performance under this Agreement. Contractor will cause all persons connected with Contractor directly in charge of the Services to be duly registered and/or licensed under all applicable federal, state and local, laws, regulations, and ordinances. Contractor will assign to the Project a designated representative who will be responsible for the administration and coordination of the Services.

Pursuant to Sections 2107.008 and 2252.903, *Government Code*, Contractor agrees that any payments owing to Contractor under this Agreement may be applied directly toward any debt or delinquency that Contractor owes the State of Texas or any agency of the State of Texas regardless of when it arises, until such debt or delinquency is paid in full.

4.10 Loss of Funding

Performance by University under this Agreement may be dependent upon the appropriation and allotment of funds by the Texas State Legislature (the “**Legislature**”) and/or allocation of funds by the Board of Regents of The University of Texas System (the “**Board**”). If the Legislature fails to appropriate or allot the necessary funds, or the Board fails to allocate the necessary funds, then University shall issue written notice to Contractor and University may terminate this Agreement without further duty or obligation hereunder. 4.14.1.1 Contractor's claims for breach of this Agreement that the parties cannot resolve pursuant to other provisions of this Agreement or in the ordinary course of business will be submitted to the negotiation process provided in subchapter B of Chapter 2260. To initiate the process, Contractor will submit written notice, as required by subchapter B of Chapter 2260, to University in accordance with the notice provisions in this Agreement.

Contractor's notice will specifically state that the provisions of subchapter B of Chapter 2260 are being invoked, the date and nature of the event giving rise to the claim, the specific contract provision that University allegedly breached, the amount of damages Contractor seeks, and the method used to calculate the damages. Compliance by Contractor with subchapter B of Chapter 2260 is a required prerequisite to Contractor's filing of a contested case proceeding under subchapter C of Chapter 2260. The Chief Business Officer of University, or the other officer of University as may be designated from time to time by University by written notice thereof to Contractor in accordance with the notice provisions in this Agreement, will examine Contractor's claim and any counterclaim and negotiate with Contractor in an effort to resolve the claims.

4.14.1.3 Compliance with the contested case process provided in subchapter C of Chapter 2260 is a required prerequisite to seeking consent to sue from the Legislature under Chapter 107, *Civil Practices and Remedies Code*. The parties hereto specifically agree that (i) neither the execution of this Agreement by University nor any other conduct, action or inaction of any representative of University relating to this Agreement constitutes or is intended to constitute a waiver of University's or the state's sovereign immunity to suit and (ii) University has not waived its right to seek redress in the courts.

4.14.2 The submission, processing and resolution of Contractor's claim is governed by the published rules adopted by the Texas Attorney General pursuant to Chapter 2260, as currently effective, thereafter enacted or subsequently amended.

4.14.3 University and Contractor agree that any periods set forth in this Agreement for notice and cure of defaults are not waived.

4.15 Compliance with Law

Contractor will perform the Services in compliance with all applicable federal, state and local, laws, regulations, and ordinances. Contractor represents and warrants that neither Contractor nor any firm, corporation or institution represented by Contractor, or anyone acting for the firm, corporation or institution, (1) has violated the antitrust laws of the State of Texas, Chapter 15, *Business and Commerce Code*, or federal antitrust laws, or (2) has communicated directly or indirectly the content of Contractor's response to University's procurement solicitation to any competitor or any other person engaged in a similar line of business during the procurement process for this Agreement.

4.16 Records

SECTION 1

GENERAL INFORMATION

1.1 Purpose

University is soliciting competitive sealed proposals from Proposers having suitable qualifications and experience providing services in accordance with the terms, conditions and requirements set forth in this RFP. This RFP provides sufficient information for interested parties to prepare and submit proposals for consideration by University.

By submitting a proposal, Proposer certifies that it understands this RFP and has full knowledge of the scope, nature, quality, and quantity of the services to be performed, the detailed requirements of the services to be provided, and the conditions under which such services are to be performed. Proposer also certifies that it understands that all costs relating to preparing a response to this RFP will be the sole responsibility of the Proposer.

PROPOSER IS CAUTIONED TO READ THE INFORMATION CONTAINED IN THIS RFP CAREFULLY AND TO SUBMIT A COMPLETE RESPONSE TO ALL REQUIREMENTS AND QUESTIONS AS DIRECTED.

1.2 Inquiries and Interpretations

University may in its sole discretion respond in writing to written inquiries concerning this RFP and mail its response as an Addendum to all parties recorded by University as having received a copy of this RFP. Only University's responses that are made by formal written Addenda will be binding on University. Any verbal responses, written interpretations or clarifications other than Addenda to this RFP will be without legal effect. All Addenda issued by University prior to the Submittal Deadline will be and are hereby incorporated as a part of this RFP for all purposes.

Proposers are required to acknowledge receipt of each Addendum as specified in this Section. The Proposer must acknowledge all Addenda by completing, signing and returning the Addenda Checklist (ref. **Section 4** of **APPENDIX ONE**). The Addenda Checklist must be received by University prior to the Submittal Deadline and should accompany the Proposer's proposal.

Any interested party that receives this RFP by means other than directly from University is responsible for notifying University that it has received an RFP package, and should provide its name, address, telephone number and FAX number to University, so that if University issues Addenda to this RFP or provides written answers to questions, that information can be provided to such party.

1.3 Public Information

Proposer is hereby notified that University strictly adheres to all statutes, court decisions and the opinions of the Texas Attorney General with respect to disclosure of public information.

University may seek to protect from disclosure all information submitted in response to this RFP until such time as a final agreement is executed.

Upon execution of a final agreement, University will consider all information, documentation, and other materials requested to be submitted in response to this RFP, to be of a non-confidential and non-proprietary nature and, therefore, subject to public disclosure under the *Texas Public Information Act (Government Code, Chapter 552.001, et seq.)*. Proposer will be advised of a request for public information that implicates their materials and will have the opportunity to raise any objections to disclosure to the Texas Attorney General. Certain information may be protected from release under Sections 552.101, 552.110, 552.113, and 552.131, *Government Code*.

1.4 Type of Agreement

Contractor, if any, will be required to enter into a contract with University in a form that (i) includes terms and conditions substantially similar to the terms and conditions set forth in **Section 4** of this RFP, and (ii) is otherwise acceptable to University in all respects (the “**Agreement**”).

1.5 Proposal Evaluation Process

University will select Contractor by using the competitive sealed proposal process described in this Section. University will open the HSP Envelope submitted by a Proposer prior to opening the Proposer’s proposal in order to ensure that the Proposer has submitted the number of completed and signed originals of the Proposer’s HUB Subcontracting Plan (also called the HSP) that are required by this RFP (ref. **Section 2.5.4** of the RFP.) All proposals submitted by the Submittal Deadline accompanied by the number of completed and signed originals of the HSP that are required by this RFP will be opened publicly to identify the name of each Proposer submitting a proposal. Any proposals that are not submitted by the Submittal Date or that are not accompanied by the number of completed and signed originals of the HSP that are required by this RFP will be rejected by University as non-responsive due to material failure to comply with advertised specifications. After the opening of the proposals and upon completion of the initial review and evaluation of the proposals, University may invite one or more selected Proposers to participate in oral presentations. University will use commercially reasonable efforts to avoid public disclosure of the contents of a proposal prior to selection of Contractor.

University may make the selection of Contractor on the basis of the proposals initially submitted, without discussion, clarification or modification. In the alternative, University may make the selection of Contractor on the basis of negotiation with any of the Proposers. In conducting such negotiations, University will use commercially reasonable efforts to avoid disclosing the contents of competing proposals.

At University's sole option and discretion, University may discuss and negotiate all elements of the proposals submitted by selected Proposers within a specified competitive range. For purposes of negotiation, University may establish, after an initial review of the proposals, a competitive range of acceptable or potentially acceptable proposals composed of the highest rated proposal(s). In that event, University will defer further action on proposals not included within the competitive range pending the selection of Contractor; provided, however, University reserves the right to include additional proposals in the competitive range if deemed to be in the best interests of University.

After submission of a proposal but before final selection of Contractor is made, University may permit a Proposer to revise its proposal in order to obtain the Proposer's

best and final offer. In that event, representations made by Proposer in its revised proposal, including price and fee quotes, will be binding on Proposer. University will provide each Proposer within the competitive range with an equal opportunity for discussion and revision of its proposal. University is not obligated to select the Proposer offering the most attractive economic terms if that Proposer is not the most advantageous to University overall, as determined by University.

University reserves the right to (a) enter into an agreement for all or any portion of the requirements and specifications set forth in this RFP with one or more Proposers, (b) reject any and all proposals and re-solicit proposals, or (c) reject any and all proposals and temporarily or permanently abandon this selection process, if deemed to be in the best interests of University. Proposer is hereby notified that University will maintain in its files concerning this RFP a written record of the basis upon which a selection, if any, is made by University.

By submitting a proposal, Proposer acknowledges (1) Proposer's acceptance of [a] the Proposal Evaluation Process (ref. **Section 1.5** of **APPENDIX ONE**), [b] the Criteria for Selection (ref. **2.3** of this RFP), [c] the Specifications and Additional Questions (ref. **Section 5** of this RFP), [d] the terms and conditions set forth in **Section 4** of this RFP, and [e] all other requirements and specifications set forth in this RFP; and (2) Proposer's recognition that some subjective judgments must be made by University during this RFP process.

University reserves the right to accept or reject any or all proposals, waive any formalities, procedural requirements, or minor technical inconsistencies, and delete any requirement or specification from this RFP or the Agreement when deemed to be in University's best interest. University reserves the right to seek clarification from any Proposer concerning any item contained in its proposal prior to final selection. Such clarification may be provided by telephone conference or personal meeting with or writing to University, at University's sole discretion. Representations made by Proposer within its proposal will be binding on Proposer.

This Agreement between University and Contractor ("**Agreement**") is made and entered into effective as of _____, 20____ (the "**Effective Date**"), by and between **The University of Texas System**, an agency and institution of higher education established under the laws of the State of Texas ("**University**"), and _____, a _____ ("**Contractor**"), Federal Tax Identification Number _____

University and Contractor hereby agree as follows:

1. **Scope of Work.**

- 1.1 Contractor will perform the scope of the work ("**Work**") set forth in **Exhibit A**, Scope of Work, attached and incorporated for all purposes, to the satisfaction of University and in accordance with the schedule ("**Schedule**") for the Work set forth in **Exhibit B**, Schedule, attached and incorporated for all purposes. Time is of the essence in connection with this Agreement. University will have no obligation to accept late performance or waive timely performance by Contractor.
- 1.2 Contractor will obtain, at its own cost, any and all approvals, licenses, filings, registrations and permits required by federal, state or local, laws, statutes, regulations and ordinances ("**Applicable Laws**"), for the performance of the Work.
- 1.3 Upon execution of this Agreement, all services previously performed by Contractor on behalf of University and included in the description of the Work, will become a part of the Work and will be subject to the terms and conditions of this Agreement.

2. **The Project.**

The Work will be provided in connection with emergency and recovery services related to disaster events and all other related, necessary and appropriate services (the "**Project**").

3. **Time for Commencement and Completion.**

The term ("**Initial Term**") of this Agreement will begin on the Effective Date and expire on _____, 20____. University will have the option to renew this Agreement for four (4) additional one (1) year terms (each a "**Renewal Term**"). The Initial Term and each Renewal Term are collectively referred to as the "**Term**").

4. **Contractor's Obligations.**

- 4.1 Contractor will perform the Work in compliance with (a) all Applicable Laws, and (b) the *Rules and Regulations* of the Board of Regents of The University of Texas System at <http://www.utsystem.edu/bor/rules/>, and the policies of The

University of Texas System at <http://www.utsystem.edu/bor/procedures/policy/> (collectively, "**University Rules**"). Contractor represents and warrants that neither Contractor nor any firm, corporation or institution represented by Contractor, or anyone acting for the firm, corporation or institution, (1) has violated the antitrust laws of the State of Texas, Chapter 15, *Texas Business and Commerce Code*, or federal antitrust laws, or (2) has communicated directly or indirectly the content of Contractor's response to University's procurement solicitation to any competitor or any other person engaged in a similar line of business during the procurement process for this Agreement.

- 4.2 Contractor represents, warrants and agrees that (a) it will use its best efforts to perform the Work in a good and workmanlike manner and in accordance with the highest standards of Contractor's profession or business, and (b) all of the Work to be performed will be of the quality that prevails among similar businesses of superior knowledge and skill engaged in providing similar services in major United States urban areas under the same or similar circumstances.
- 4.3 Contractor will call to University's attention in writing all information in any materials supplied to Contractor (by University or any other party) that Contractor regards as unsuitable, improper or inaccurate in connection with the purposes for which the material is furnished.
- 4.4 Contractor warrants and agrees that the Work will be accurate and free from any material defects. Contractor's duties and obligations under this Agreement will at no time be in any way diminished by reason of any approval by University nor will Contractor be released from any liability by reason of any approval by University, it being agreed that University at all times is relying upon Contractor's skill and knowledge in performing the Work.
- 4.5 Contractor will, at its own cost, correct all material defects in the Work as soon as practical after Contractor becomes aware of the defects. If Contractor fails to correct material defects in the Work within a reasonable time, then University may correct the defective Work at Contractor's expense. This remedy is in addition to, and not in substitution for, any other remedy for defective Work that University may have at law or in equity.
- 4.6 Contractor will maintain a staff of properly trained and experienced personnel to ensure satisfactory performance under this Agreement. Contractor will cause all persons connected with Contractor directly in charge of the Work to be duly registered and/or licensed under all Applicable Laws. Contractor will assign to the Project a designated representative who will be responsible for the administration and coordination of the Work. Contractor will furnish efficient business administration and coordination and perform the Work in an expeditious and economical manner consistent with the interests of University.
- 4.7 Contractor represents that if (i) it is a corporation, then it is a corporation duly organized, validly existing and in good standing under the laws of the State of Texas, or a foreign corporation or limited liability company duly authorized and in good standing to conduct business in the State of Texas, that it has all necessary

corporate power and has received all necessary corporate approvals to execute and deliver this Agreement, and the individual executing this Agreement on behalf of Contractor has been duly authorized to act for and bind Contractor; or (ii) if it is a partnership, limited partnership, limited liability partnership, or limited liability company then it has all necessary power and has secured all necessary approvals to execute and deliver this Agreement and perform all its obligations hereunder, and the individual executing this Agreement on behalf of Contractor has been duly authorized to act for and bind Contractor.

- 4.8 Contractor represents and warrants that neither the execution and delivery of this Agreement by Contractor nor the performance of its duties and obligations under this Agreement will (a) result in the violation of any provision [i] if a corporation, of Contractor's articles of incorporation or by-laws, [ii] if a limited liability company, of its articles of organization or regulations, or [iii] if a partnership, of any partnership agreement by which Contractor is bound; (b) result in the violation of any provision of any agreement by which Contractor is bound; or (c) to the best of Contractor's knowledge and belief, conflict with any order or decree of any court or other body or authority having jurisdiction.
- 4.9 Contractor represents and warrants that all of Contractor's Personnel contributing to the Work Material (ref. **Section 7**) under this Agreement will be required to (i) acknowledge in writing the ownership of Contractor (for the benefit of University) of the Work Material and each element thereof produced by the Personnel while performing services pursuant to this Agreement and (ii) make all assignments necessary to effectuate such ownership. "**Personnel**" means any and all persons associated with Contractor who provide any work or work product pursuant to this Agreement, including officers, managers, supervisors, full-time employees, part-time employees, and independent contractors.
- 4.10 Contractor represents and warrants that: (i) the Work will be performed solely by Contractor, its full-time or part-time employees during the course of their employment, or independent contractors who have assigned in writing all right, title and interest in their work to Contractor for the benefit of University; (ii) University will receive free, good and clear title to all Work Material developed under this Agreement; (iii) the Work Material and the intellectual property rights protecting the Work Material are free and clear of all encumbrances, including security interests, licenses, liens, charges or other restrictions; (iv) the Work Material will not infringe upon or violate any patent, copyright, trade secret, trademark, service mark or other property right of any former employer, independent contractor, client or other third party; and (v) the use, reproduction, distribution, or modification of the Work Material will not violate the rights of any third parties in the Work Material, including trade secret, publicity, privacy, copyright, trademark, service mark and patent rights.
- 4.11 If this Agreement requires Contractor's presence on University's premises or in University's facilities, Contractor agrees to cause its employees, representatives, agents, or subcontractors to become aware of, fully informed about, and in full compliance with all applicable University Rules, including those relative to personal health, security, environmental quality, safety, fire prevention, noise,

smoking, and access restrictions.

5. The Contract Amount.

- 5.1 So long as Contractor has provided University with its current and accurate Federal Tax Identification Number in writing, University will pay Contractor for the performance of the Work as more particularly set forth in **Exhibit C**, Payment for Services, attached and incorporated for all purposes.
- 5.2 The Contract Amount includes all applicable federal, state or local sales or use taxes payable as a result of the execution or performance of this Agreement.
- 5.3 University, an agency of the State of Texas, is exempt from Texas Sales & Use Tax on the Work in accordance with Section 151.309, *Texas Tax Code*, and Title 34 *Texas Administrative Code* ("**TAC**") Section 3.322.

6. Payment Terms.

Each invoice will be accompanied by documentation that University may reasonably request to support the invoice amount. University will, within twenty-one (21) days from the date it receives an invoice and supporting documentation, approve or disapprove the amount reflected in the invoice. If University approves the amount or any portion of the amount, University will promptly pay (each a "**Progress Payment**") to Contractor the amount approved so long as Contractor is not in default under this Agreement. If University disapproves any invoice amount, University will give Contractor specific reasons for its disapproval in writing.
- 6.2 Within ten (10) days after final completion of the Work and acceptance of the Work by University or as soon thereafter as possible, Contractor will submit a final invoice ("**Final Invoice**") setting forth all amounts due and remaining unpaid to Contractor. Upon approval of the Final Invoice by University, University will pay ("**Final Payment**") to Contractor the amount due under the Final Invoice.
- 6.3 Notwithstanding any provision of this Agreement to the contrary, University will not be obligated to make any payment (whether a Progress Payment or Final Payment) to Contractor if Contractor is in default under this Agreement.
- 6.4 The cumulative amount of all Progress Payments and the Final Payment (defined below) will not exceed the Contract Amount as more particularly set forth in **Exhibit C**, Payment for Services.
- 6.5 No payment made by University will (a) be construed to be final acceptance or approval of that part of the Work to which the payment relates, or (b) relieve Contractor of any of its duties or obligations under this Agreement.

- 6.6 The acceptance of Final Payment by Contractor will constitute a waiver of all claims by Contractor except those previously made in writing and identified by Contractor as unsettled at the time of the Final Invoice for payment.
- 6.7 University will have the right to verify the details set forth in Contractor's invoices and supporting documentation, either before or after payment, by (a) inspecting the books and records of Contractor at mutually convenient times; (b) examining any reports with respect to the Project; and (c) other reasonable action.
- 6.8 Section 51.012, *Texas Education Code*, authorizes University to make any payment through electronic funds transfer methods. Contractor agrees to receive payments from University through electronic funds transfer methods, including the automated clearing house system (also known as ACH). Prior to the first payment under this Agreement, University will confirm Contractor's banking information. Any changes to Contractor's banking information must be communicated to University in writing at least thirty (30) days in advance of the effective date of the change in accordance with **Section 12.14**.
- 6.9 Notwithstanding any other provision of this Agreement, University is entitled to a "**Prompt Payment Discount**" of % off of each payment that University submits within days after University's receipt of Contractor's invoice for that payment.

- 7.1 All drawings, specifications, plans, computations, sketches, data, photographs, tapes, renderings, models, publications, statements, accounts, reports, studies, and other materials prepared by Contractor or any subcontractors in connection with the Work (collectively, "**Work Material**"), whether or not accepted or rejected by University, are the sole property of University and for its exclusive use and re-use at any time without further compensation and without any restrictions.
- 7.2 Contractor grants and assigns to University all rights and claims of whatever nature and whether now or hereafter arising in and to the Work Material and will cooperate fully with University in any steps University may take to obtain or enforce patent, copyright, trademark or like protections with respect to the Work Material.
- 7.3 Contractor will deliver all Work Material to University upon expiration or termination of this Agreement. University will have the right to use the Work Material for the completion of the Work or otherwise. University may, at all times, retain the originals of the Work Material. The Work Material will not be used by any person other than University on other projects unless expressly authorized by University in writing.
- 7.4 The Work Material will not be used or published by Contractor or any other party unless expressly authorized by University in writing. Contractor will treat all Work Material as confidential.

7.5 All title and interest in the Work Material will vest in University and will be deemed to be a work made for hire and made in the course of the Work rendered under this Agreement. To the extent that title to any Work Material may not, by operation of law, vest in University or Work Material may not be considered works made for hire, Contractor hereby irrevocably assigns, conveys and transfers to University and its successors, licensees and assigns, all rights, title and interest worldwide in and to the Work Material and all proprietary rights therein, including all copyrights, trademarks, service marks, patents, trade secrets, moral rights, all contract and licensing rights and all claims and causes of action with respect to any of the foregoing, whether now known or hereafter to become known. In the event Contractor has any rights in the Work Material which cannot be assigned, Contractor agrees to waive enforcement worldwide of the rights against University, its successors, licensees, assigns, distributors and customers or, if necessary, to exclusively license the rights, worldwide to University with the right to sublicense. These rights are assignable by University.

8. Default and Termination.

8.1 In the event of a material failure by a party to this Agreement to perform in accordance with the terms of this Agreement (“**default**”), the other party may terminate this Agreement upon fifteen (15) days’ written notice of termination setting forth the nature of the material failure; provided, that, the material failure is through no fault of the terminating party. The termination will not be effective if the material failure is fully cured prior to the end of the fifteen-day period.

8.2 University may, without cause, terminate this Agreement at any time upon giving seven (7) days’ advance written notice to Contractor. Upon termination pursuant to this Section, Contractor will be entitled to payment of an amount that will compensate Contractor for the Work satisfactorily performed from the time of the last payment date to the termination date in accordance with this Agreement; provided, that, Contractor has delivered all Work Material to University. Notwithstanding any provision in this Agreement to the contrary, University will not be required to pay or reimburse Contractor for any services performed or for expenses incurred by Contractor after the date of the termination notice that could have been avoided or mitigated by Contractor.

8.3 Termination under **Sections 8.1** or **8.2** will not relieve Contractor from liability for any default or breach under this Agreement or any other act or omission of Contractor.

8.4 If Contractor fails to cure any default within fifteen (15) days after receiving written notice of the default, University will be entitled (but will not be obligated) to cure the default and will have the right to offset against all amounts due to Contractor under this Agreement, any and all reasonable expenses incurred in connection with University’s curative actions.

8.5 In the event that this Agreement is terminated, then within thirty (30) days after termination, Contractor will reimburse University for all fees paid by University to Contractor that were (a) not earned by Contractor prior to termination, or (b) for

20, §§20.101 – 20.108. The benefits and burdens of this Agreement are assignable by University.

If the Legislature fails to appropriate or allot the necessary funds, or the Board fails to allocate the necessary funds, then University will issue written notice to Contractor and University may terminate this Agreement without further duty or obligation hereunder. - 12.10 **Waivers.** No delay or omission in exercising any right accruing upon a default in performance of this Agreement will impair any right or be construed to be a waiver of any right. - 12.11 **Confidentiality and Safeguarding of University Records; Press Releases; Public Information.** Under this Agreement, Contractor may (1) create, (2) receive from or on behalf of University, or (3) have access to, records or record systems (collectively, "**University Records**"). At the request of University, Contractor agrees to provide University with a written summary of the procedures Contractor uses to safeguard and maintain the confidentiality of University Records. **Confidentiality and Safeguarding of University Records; Press Releases; Public Information.** Under this Agreement, Contractor may (1) create, (2) receive from or on behalf of University, or (3) have access to, records or record systems (collectively, "**University Records**"). However, it is expressly agreed that University will not provide to Contractor, and Contractor will never seek to access, any University Records that contain personally identifiable information regarding any individual

that is not available to any requestor under the *Texas Public Information Act*, Chapter 552, Texas Government Code, including “directory information” of any student who has opted to prohibit the release of their “directory information” as that term is defined under the Family Educational Rights and Privacy Act, 20 U.S.C. §1232g (“**FERPA**”) and its implementing regulations. Additional mandatory confidentiality and security compliance requirements with respect to University Records subject to the Health Insurance Portability and Accountability Act and Code of Federal Regulations Title 45, Part 160 and subparts A and E of Part 164 (collectively “**HIPAA**”) are addressed in **Section 12.26**. At the request of University, Contractor agrees to provide University with a written summary of the procedures Contractor uses to safeguard and maintain the confidentiality of University Records.

- 12.11.1 **Notice of Impermissible Use.** If an impermissible use or disclosure of any University Records occurs, Contractor will provide written notice to University within one (1) business day after Contractor’s discovery of that use or disclosure. Contractor will promptly provide University with all information requested by University regarding the impermissible use or disclosure.
- 12.11.2 **Return of University Records.** Contractor agrees that within thirty (30) days after the expiration or termination of this Agreement, for any reason, all University Records created or received from or on behalf of University will be (1) returned to University, with no copies retained by Contractor; or (2) if return is not feasible, destroyed. Twenty (20) days before destruction of any University Records, Contractor will provide University with written notice of Contractor’s intent to destroy University Records. Within five (5) days after destruction, Contractor will confirm to University in writing the destruction of University Records.
- 12.11.3 **Disclosure.** If Contractor discloses any University Records to a subcontractor or agent, Contractor will require the subcontractor or agent to comply with the same restrictions and obligations as are imposed on Contractor by this **Section 12.11**.

- 12.11.4 **Press Releases.** Except when defined as part of the Work, Contractor will not make any press releases, public statements, or advertisement referring to the Project or the engagement of Contractor as an independent contractor of University in connection with the Project, or release any information relative to the Project for publication, advertisement or any other purpose without the prior written approval of University.
- 12.11.5 **Public Information.** University strictly adheres to all statutes, court decisions and the opinions of the Texas Attorney General with respect to disclosure of public information under the *Texas Public Information Act* (“**TPIA**”), Chapter 552, *Texas Government Code*. In accordance with Section 552.002 of TPJA and Section 2252.907, *Texas Government Code*, and at no additional charge to University, Contractor will make any information created or exchanged with University pursuant to this Agreement (and not otherwise exempt from disclosure under TPJA) available in a format reasonably requested by University that is accessible by the public.
- 12.11.6 **Termination.** In addition to any other termination rights set forth in this Agreement and any other rights at law or equity, if University reasonably determines that Contractor has breached any of the restrictions or obligations set forth in this Section, University may immediately terminate this Agreement without notice or opportunity to cure.
- 12.11.7 **Duration.** The restrictions and obligations under this Section will survive expiration or termination of this Agreement for any reason.
- 12.12 **Binding Effect.** This Agreement will be binding upon and inure to the benefit of the parties hereto and their respective permitted assigns and successors.
- 12.13 **Records.** Records of Contractor's costs, reimbursable expenses pertaining to the Project and payments will be available to University or its authorized representative during business hours and will be retained for four (4) years after final Payment or abandonment of the Project, unless University otherwise instructs Contractor in writing.

12.14 **Notices.** Except as otherwise provided by this Section, all notices, consents, approvals, demands, requests or other communications provided for or permitted to be given under any of the provisions of this Agreement will be in writing and will be sent via certified mail, hand delivery, overnight courier, facsimile transmission (to the extent a facsimile number is set forth below), or email (to the extent an email address is set forth below) as provided below, and notice will be deemed given (i) if delivered by certified mail, when deposited, postage prepaid, in the United States mail, or (ii) if delivered by hand, overnight courier, facsimile (to the extent a facsimile number is set forth below) or email (to the extent an email address is set forth below), when received:

- 12.15 **Severability.** In case any provision of this Agreement will, for any reason, be held invalid or unenforceable in any respect, the invalidity or unenforceability will not affect any other provision of this Agreement, and this Agreement will be construed as if the invalid or unenforceable provision had not been included.
- 12.16 **State Auditor's Office.** Contractor understands that acceptance of funds under this Agreement constitutes acceptance of the authority of the Texas State Auditor's Office, or any successor agency (collectively, "**Auditor**"), to conduct an audit or investigation in connection with those funds pursuant to Sections 51.9335(c), 73.115(c) and 74.008(c), *Texas Education Code*. Contractor agrees to cooperate with the Auditor in the conduct of the audit or investigation, including providing all records requested. Contractor will include this provision in all contracts with subcontractors.
- 12.17 **Limitation of Liability.** EXCEPT FOR UNIVERSITY'S OBLIGATION (IF ANY) TO PAY CONTRACTOR CERTAIN FEES AND EXPENSES UNIVERSITY WILL HAVE NO LIABILITY TO CONTRACTOR OR TO ANYONE CLAIMING THROUGH OR UNDER CONTRACTOR BY REASON OF THE EXECUTION OR PERFORMANCE OF THIS AGREEMENT. NOTWITHSTANDING ANY DUTY OR OBLIGATION OF UNIVERSITY TO CONTRACTOR OR TO ANYONE CLAIMING THROUGH OR UNDER CONTRACTOR, NO PRESENT OR FUTURE AFFILIATED ENTERPRISE, SUBCONTRACTOR, AGENT, OFFICER, DIRECTOR, EMPLOYEE, REPRESENTATIVE, ATTORNEY OR REGENT OF UNIVERSITY, OR THE UNIVERSITY OF TEXAS SYSTEM, OR ANYONE CLAIMING UNDER UNIVERSITY HAS OR WILL HAVE ANY PERSONAL LIABILITY TO CONTRACTOR OR TO ANYONE CLAIMING THROUGH OR UNDER CONTRACTOR BY REASON OF THE EXECUTION OR PERFORMANCE OF THIS AGREEMENT.

Contractor will receive no financial compensation for delay or hindrance to the Work. In no event will University be liable to Contractor or its employees, agents, representatives or subcontractors, for any damages arising out of or associated with any delay or hindrance to the Work, regardless of the source of the delay or hindrance, including a force majeure occurrence, and even if such delay or hindrance results from, arises out of, or is due, in whole or in part, to the negligence, breach of contract or other fault of University. Contractor's sole remedy in any such case will be an extension of time.

In any action or suit to enforce any right or remedy under this Agreement or to interpret any provision of this Agreement, neither party will be entitled to recover attorneys' fees, costs or other related expenses from the other party.

- 12.18 **Survival of Provisions.** No expiration or termination of this Agreement will relieve either party of any obligations under this Agreement that by their nature survive expiration or termination, including **Sections 6.7, 9, 12.5, 12.9, 12.10, 12.11, 12.13, 12.16, 12.17, 12.19 and 12.21.**
- 12.19 **Breach of Contract Claims.**

12.19.1 To the extent that Chapter 2260, *Texas Government Code*, as it may be amended from time to time ("**Chapter 2260**"), is applicable to this Agreement and is not preempted by other Applicable Laws, the dispute resolution process provided for in Chapter 2260 will be used, as further described herein, by University and Contractor to attempt to resolve any claim for breach of contract made by Contractor:

12.19.1.1 Contractor's claims for breach of this Agreement that the parties cannot resolve pursuant to other provisions of this Agreement or in the ordinary course of business will be submitted to the negotiation process provided in subchapter B of Chapter 2260. To initiate the process, Contractor will submit written notice, as required by subchapter B of Chapter 2260, to University in accordance with the notice provisions in this Agreement. Contractor's notice will specifically state that the provisions of subchapter B of Chapter 2260 are being invoked, the date and nature of the event giving rise to the claim, the specific contract provision that University allegedly breached, the amount of damages Contractor seeks, and the method used to calculate the damages. Compliance by Contractor with subchapter B of Chapter 2260 is a required prerequisite to Contractor's filing of a contested case proceeding under subchapter C of Chapter 2260. The chief business officer of University, or another officer of University as may be designated from time to time by University by written notice to Contractor in accordance with the notice provisions in this Agreement, will examine Contractor's claim and any counterclaim and negotiate with Contractor in an effort to resolve the claims.

12.19.1.2 If the parties are unable to resolve their disputes under **Section 12.19.1.1**, the contested case process provided in subchapter C of Chapter 2260 is Contractor's sole and exclusive process for seeking a remedy for any and all of Contractor's claims for breach of this Agreement by University.

12.19.1.3 Compliance with the contested case process provided in subchapter C of Chapter 2260 is a required prerequisite to seeking consent to sue from the Legislature under Chapter 107, *Texas Civil Practices and Remedies Code*. The parties hereto specifically agree that (i) neither the execution of this Agreement by University nor any other conduct, action or inaction of any representative of University relating to this Agreement constitutes or is intended to constitute a waiver of University's or the state's

sovereign immunity to suit and (ii) University has not waived its right to seek redress in the courts.

12.19.2 The submission, processing and resolution of Contractor's claim is governed by the published rules adopted by the Texas Attorney General pursuant to Chapter 2260, as currently effective, thereafter enacted or subsequently amended.

12.19.3 University and Contractor agree that any periods set forth in this Agreement for notice and cure of defaults are not waived.

12.20 **Undocumented Workers.** The *Immigration and Nationality Act* (8 *United States Code* 1324a) ("**Immigration Act**") makes it unlawful for an employer to hire or continue employment of undocumented workers. The United States Immigration and Customs Enforcement Service has established the Form I-9 Employment Eligibility Verification Form ("**I-9 Form**") as the document to be used for employment eligibility verification (8 *Code of Federal Regulations* 274a). Among other things, Contractor is required to: (1) have all employees complete and sign the I-9 Form certifying that they are eligible for employment; (2) examine verification documents required by the I-9 Form to be presented by the employee and ensure the documents appear to be genuine and related to the individual; (3) record information about the documents on the I-9 Form, and complete the certification portion of the I-9 Form; and (4) retain the I-9 Form as required by Applicable Laws. It is illegal to discriminate against any individual (other than a citizen of another country who is not authorized to work in the United States) in hiring, discharging, or recruiting because of that individual's national origin or citizenship status. If Contractor employs unauthorized workers during performance of this Agreement in violation of the Immigration Act then, in addition to other remedies or penalties prescribed by Applicable Laws, University may terminate this Agreement in accordance with **Section 8**. Contractor represents and warrants that it is in compliance with and agrees that it will remain in compliance with the provisions of the Immigration Act.

12.21 **Limitations.** THE PARTIES ARE AWARE THAT THERE ARE CONSTITUTIONAL AND STATUTORY LIMITATIONS ON THE AUTHORITY OF UNIVERSITY (A STATE AGENCY) TO ENTER INTO CERTAIN TERMS AND CONDITIONS THAT MAY BE A PART OF THIS AGREEMENT, INCLUDING THOSE TERMS AND CONDITIONS RELATING TO LIENS ON UNIVERSITY'S PROPERTY; DISCLAIMERS AND LIMITATIONS OF WARRANTIES; DISCLAIMERS AND LIMITATIONS OF LIABILITY FOR DAMAGES; WAIVERS, DISCLAIMERS AND LIMITATIONS OF LEGAL RIGHTS, REMEDIES, REQUIREMENTS AND PROCESSES; LIMITATIONS OF PERIODS TO BRING LEGAL ACTION; GRANTING CONTROL OF LITIGATION OR SETTLEMENT TO ANOTHER PARTY; LIABILITY FOR ACTS OR OMISSIONS OF THIRD PARTIES; PAYMENT OF ATTORNEYS' FEES; DISPUTE RESOLUTION; INDEMNITIES; AND CONFIDENTIALITY (COLLECTIVELY, THE "**LIMITATIONS**"), AND TERMS AND CONDITIONS RELATED TO THE LIMITATIONS WILL NOT BE BINDING ON UNIVERSITY EXCEPT TO THE EXTENT AUTHORIZED BY THE LAWS AND CONSTITUTION OF THE STATE OF TEXAS.

12.22 **Ethics Matters; No Financial Interest.** Contractor and its employees, agents, representatives and subcontractors have read and understand University's

Conflicts of Interest Policy available at <http://www.utsystem.edu/policy/policies/int160.html>, University's Standards of Conduct Guide available at <http://www.utsystem.edu/systemcompliance/SOCcombined.pdf>, and applicable state ethics laws and rules available at www.utsystem.edu/ogc/ethics. Neither Contractor nor its employees, agents, representatives or subcontractors will assist or cause University employees to violate University's Conflicts of Interest Policy, provisions described by University's Standards of Conduct Guide, or applicable state ethics laws or rules. Contractor represents and warrants that no member of the Board has a direct or indirect financial interest in the transaction that is the subject of this Agreement.

- 12.23 **State of Texas Computer Equipment Recycling Program Certification.** Pursuant to Section 361.965, *Texas Health and Safety Code*, Contractor certifies that it is full compliance with the *State of Texas Manufacturer Responsibility and Consumer Convenience Computer Equipment Collection and Recovery Act* set forth in Chapter 361, Subchapter Y, *Texas Health and Safety Code*, and the rules adopted by the Texas Commission on Environmental Quality under that Act as set forth in Title 30, Chapter 328, Subchapter I, *Texas Administrative Code*. Contractor acknowledges that this Agreement may be terminated and payment may be withheld if this certification is inaccurate.
- 12.24 **Enforcement.** Contractor agrees and acknowledges that University is entering into this Agreement in reliance on Contractor's special and unique knowledge and abilities with respect to performing the Work. Contractor's services provide a peculiar value to University. University cannot be reasonably or adequately compensated in damages for the loss of Contractor's services. Accordingly, Contractor acknowledges and agrees that a breach by Contractor of the provisions of this Agreement will cause University irreparable injury and damage. Contractor, therefore, expressly agrees that University will be entitled to injunctive and/or other equitable relief in any court of competent jurisdiction to prevent or otherwise restrain a breach of this Agreement.
- 12.25 **Access by Individuals with Disabilities.** Contractor represents and warrants ("EIR Accessibility Warranty") that the electronic and information resources and all associated information, documentation, and support that it provides to University under this Agreement (collectively, the "EIRs") comply with the applicable requirements set forth in Title 1 TAC Chapter 213 and Title 1 TAC Section 206.70 (as authorized by Chapter 2054, Subchapter M, *Texas Government Code*). To the extent Contractor becomes aware that the EIRs, or any portion of the EIRs, do not comply with the EIR Accessibility Warranty, then Contractor represents and warrants that it will, at no cost to University, either (1) perform all necessary remediation to make the EIRs satisfy the EIR Accessibility Warranty or (2) replace the EIRs with new EIRs that satisfy the EIR Accessibility Warranty. In the event that Contractor is unable to do so, then University may terminate this Agreement and Contractor will refund to University all amounts University has paid under this Agreement within thirty (30) days after the termination date.

12.26 **HIPAA Compliance.** University is a HIPAA Covered Entity and some of the information Contractor receives, maintains or creates for or on behalf of University may constitute Protected Health Information (“PHI”) that is subject to HIPAA. Before Contractor may receive, maintain or create any University Records subject to HIPAA, Contractor will execute the HIPAA Business Associate Agreement (“BAA”) set forth in **EXHIBIT D**, HIPAA Business Associate Agreement, attached and incorporated for all purposes. To the extent that the BAA conflicts with any term contained in this Agreement, the terms of the BAA will control.

12.27 **Historically Underutilized Business Subcontracting Plan.** Contractor agrees to use good faith efforts to subcontract the Work in accordance with the Historically Underutilized Business Subcontracting Plan (“HSP”) (ref. **Exhibit E**). Contractor agrees to maintain business records documenting its compliance with the HSP and to submit a monthly compliance report to University in the format required by Texas Procurement and Support Services Division of the Texas Comptroller of Public Accounts or any successor agency (collectively, “TPSS”). Submission of compliance reports will be required as a condition for payment under this Agreement. If University determines that Contractor has failed to subcontract as set out in the HSP, University will notify Contractor of any deficiencies and give Contractor an opportunity to submit documentation and explain why the failure to comply with the HSP should not be attributed to a lack of good faith effort by Contractor. If University determines that Contractor failed to implement the HSP in good faith, University, in addition to any other remedies, may report nonperformance to the TPSS in accordance with 34 TAC Sections 20.101 through 20.108. University may also revoke this Agreement for breach and make a claim against Contractor.

12.27.1 **Changes to the HSP.** If at any time during the Term of this Agreement, Contractor desires to change the HSP, before the proposed changes become effective (a) Contractor must comply with 34 TAC Section 20.14; (b) the changes must be reviewed and approved by University; and (c) if University approves changes to the HSP, this Agreement must be amended in accordance with **Section 12.6** to replace the HSP with the revised subcontracting plan.

12.27.2 **Expansion of the Work.** If University expands the scope of the Work through a change order or any other amendment, University will determine if the additional Work contains probable subcontracting opportunities *not* identified in the initial solicitation for the Work. If University determines additional probable subcontracting opportunities exist, Contractor will submit an amended subcontracting plan covering those opportunities. The amended subcontracting plan must comply with the provisions of 34 TAC Section 20.14 before (a) this Agreement may be amended to include the additional Work; or (b) Contractor may perform the additional Work. If Contractor subcontracts any of the additional

subcontracting opportunities identified by University without prior authorization and without complying with 34 TAC Section 20.14, Contractor will be deemed to be in breach of this Agreement under **Section 8** and will be subject to any remedial actions provided by Applicable Laws, including Chapter 2161, *Texas Government Code* and 34 TAC Section 20.14. University may report nonperformance under this Agreement to the TPSS in accordance with 34 TAC Sections 20.101 through 20.108.

- 12.28 **Responsibility for Individuals Performing Work; Criminal Background Checks.** Each individual who is assigned to perform the Work under this Agreement will be an employee of Contractor or an employee of a subcontractor engaged by Contractor. Contractor is responsible for the performance of all individuals performing the Work under this Agreement. Prior to commencing the Work, Contractor will (1) provide University with a list ("**List**") of all individuals who may be assigned to perform the Work on University's premises and (2) have an appropriate criminal background screening performed on all the individuals on the List. Contractor will determine on a case-by-case basis whether each individual assigned to perform the Work is qualified to provide the services. Contractor will not knowingly assign any individual to provide services on University's premises who has a history of criminal conduct unacceptable for a university campus or healthcare center, including violent or sexual offenses. Contractor will update the List each time there is a change in the individuals assigned to perform the Work on University's premises.

Prior to commencing performance of the Work under this Agreement, Contractor will provide University a letter signed by an authorized representative of Contractor certifying compliance with this Section. Contractor will provide University an updated certification letter each time there is a change in the individuals on the List.

University an updated certification letter each time there is a change in the individuals assigned to perform the Work.

12.29 **Quality Assurance.** Contractor will (a) comply with all applicable standards of the Joint Commission ("**Joint Commission**"); (b) implement and monitor a quality assurance process that complies with Joint Commission standards; (c) comply with applicable Joint Commission privileging standards for licensed independent practitioners; (d) upon request, provide assurance to University of a licensed independent practitioner's privileging file; and (e) provide University with periodic reports of its quality assurance indicators and/or permit University to conduct periodic quality assurance audits of the Work.

12.30 **Certifications of Nonsegregated Facilities and Equal Employment Opportunities Compliance.** Contractor certifies that, except for restrooms and wash rooms and one (1) or more lactation rooms each of which is segregated on the basis of sex: (1) it does not maintain or provide for its employees any segregated facilities at any of its establishments and that it does not permit its employees to perform their services at any location under its control where segregated facilities are maintained; (2) it will not maintain or provide for its employees any segregated facilities at any of its establishments; and (3) it will not permit its employees to perform their services at any location under its control where segregated facilities are maintained. A breach of this certification is a violation of the Equal Opportunity clause. The term "**segregated facilities**" means any waiting rooms, work areas, rest rooms and wash rooms, entertainment areas, and transportation or housing facilities provided for employees which are segregated by explicit directive or are in fact segregated on the basis of race, color, religion, sex, or national origin, because of habit, local custom, or otherwise. Contractor further agrees that, except where it has contracts prior to the award with subcontractors exceeding \$10,000.00 which are not exempt from the provisions of the Equal Opportunity clause, Contractor will retain the certifications for each one of its subcontractors in Contractor's files, and that it will forward the following notice to all proposed subcontractors (except where the proposed subcontractors have submitted identical certifications for specific time periods):

NOTICE TO PROSPECTIVE SUBCONTRACTORS OF REQUIREMENTS FOR CERTIFICATIONS OF NONSEGREGATED FACILITIES - A Certification on Nonsegregated Facilities must be submitted prior to the award of any subcontract exceeding \$10,000.00 which is not exempt from the provisions of the Equal Opportunity clause. The certification may be submitted either for each subcontract or for all subcontracts during a period (i.e. quarterly, semiannually, or annually).

Contractor understands that the penalty for making false statements regarding the subject matters of this Section is prescribed in 18 U.S.C. 1001.

This certification is a material representation of fact upon which reliance will be placed when University executes this Agreement. If it is later determined that Contractor knowingly rendered an erroneous certification, in addition to the other remedies available to University, University may terminate this Agreement for default by Contractor.

- 12.32 **Office of Inspector General Certification.** Contractor acknowledges that University is prohibited by federal regulations from allowing any employee, representative, agent or subcontractor of Contractor to work on site at University's premises or facilities if that individual is not eligible to work on federal healthcare programs including Medicare, Medicaid, or other similar federal programs. - 12.36 **Discrimination Prohibited.** UNIVERSITY AND CONTRACTOR WILL ABIDE BY THE REQUIREMENTS OF 41 CFR 60-1.4(A), 60-300.5(A) AND 60-741.5(A) (COLLECTIVELY, THE “**REGULATIONS**”). THE REGULATIONS (1) PROHIBIT DISCRIMINATION AGAINST QUALIFIED INDIVIDUALS BASED ON THEIR STATUS AS PROTECTED VETERANS OR INDIVIDUALS WITH DISABILITIES, AND (2) PROHIBIT DISCRIMINATION AGAINST ALL INDIVIDUALS BASED ON THEIR RACE, COLOR, RELIGION, SEX, OR NATIONAL ORIGIN. MOREOVER, THE REGULATIONS REQUIRE THAT UNIVERSITY AND CONTRACTOR TAKE AFFIRMATIVE ACTION TO EMPLOY AND ADVANCE IN EMPLOYMENT, INDIVIDUALS WITHOUT REGARD TO RACE, COLOR, RELIGION, SEX, NATIONAL ORIGIN, PROTECTED VETERAN STATUS OR DISABILITY.
- 12.37 **FERPA Compliance.** Some of the University Records Contractor receives, creates or maintains for or on behalf of University constitute “Education Records” (as defined by FERPA), or “Personally Identifiable Information from Education Records” (as defined by FERPA) (collectively “**FERPA Data**”). Before Contractor may access, create or maintain any of University’s FERPA Data, Contractor must execute the FERPA compliance contract addendum (“**FERPA Confidentiality and Security Addendum**”), attached as **EXHIBIT _____**, FERPA Confidentiality and Security Addendum, and incorporated for all purposes. The FERPA Confidentiality and Security Addendum contains terms required by University to ensure that Contractor complies with FERPA (including the requirements of 34 CFR § 99.33(a)) and University Rules related to FERPA, including (i) a description of all FERPA Data subject to this Agreement, and (ii) recognition that University retains the right to control Contractor’s access, use, and disclosure of all FERPA Data. **POLICY ON UTILIZATION OF
HISTORICALLY UNDERUTILIZED BUSINESSES (HUBs)**

Introduction

In accordance with the Texas Government Code, Sections 2161.181-182 and Title 34, Section 20.13 of the Texas Administrative Code (TAC), The Board of Regents of the University of Texas System, acting through the Office of HUB Development shall make a good faith effort to utilize Historically Underutilized Businesses (HUBs) in contracts for construction services, including professional and consulting services; and commodities contracts. The HUB Rules promulgated by the Texas Comptroller of Public Accounts (the “Texas Comptroller”), set forth in 34 TAC Sections 20.10-20.28, encourage the use of HUBs by implementing these policies through race-, ethnic- and gender-neutral means.

The purpose of the HUB Program is to promote full and equal business opportunities for all businesses in State contracting in accordance with the following goals as specified in the State of Texas Disparity Study:

- **11.2% for heavy construction other than building contracts;**
- **21.1% for all building construction, including general contractors and operative builders contracts;**
- **32.7% for all special trade construction contracts;**
- **23.6% for professional services contracts**
- **24.6% for all other services contracts, and**
- **21% for commodities contracts.**

The University of Texas System shall make a good faith effort to meet or exceed these goals to assist HUBs in receiving a portion of the total contract value of all contracts that U. T. System expects to award in a fiscal year. The University of Texas System may achieve the annual program goals by contracting directly with HUBs or indirectly through subcontracting opportunities in accordance with the Texas Government Code, Chapter 2161, Subchapter F.

NOTE:

In accordance with 34 TAC §20.13 (d) (1)(D)(iii), the goals above are the State of Texas HUB goals. For purposes of this procurement, the University of Texas System goals listed in the Special Instructions on page 10 will apply.

SUMMARY OF REQUIREMENTS
Historically Underutilized Business (HUBs) Subcontracting Plan

It is the policy of The University of Texas System and each of its component institutions, to promote and encourage contracting and subcontracting opportunities for Historically Underutilized Businesses (HUBs) in all

contracts. Accordingly, The University of Texas System has adopted “**EXHIBIT H, Policy on Utilization of Historically Underutilized Businesses**”. The Policy applies to all contracts with an expected value of \$100,000 or more. The Board of Regents of The University of Texas System is the contracting authority.

1. In all contracts for professional services, contracting services, and/or commodities with an expected value of \$100,000 or more, The University of Texas System (“U. T. System” or the “University”) will indicate in the purchase solicitation (e.g. RFQ, RFP, or CSP) whether or not U. T. System has determined that subcontracting opportunities are probable in connection with the contract. A HUB Subcontracting Plan is a required element of the architect, contractor or vendor Response to the purchase solicitation. The HUB Subcontracting Plan shall be developed and administered in accordance with the Policy. **Failure to submit a required HUB Subcontracting Plan will result in rejection of the Response.**
2. If subcontracting opportunities are probable, U. T. System will declare such probability in its invitations for bids, requests for proposals, or other purchase solicitation documents, and shall require submission of the appropriate HUB Subcontracting Plan with the Response.
 - a. When subcontracting opportunities are probable, and the Respondent proposes to subcontract any part of the work, the Respondent shall submit a **HUB Subcontracting Plan as prescribed by the Texas Comptroller** identifying subcontractors **[[34 TAC §20.14 (d) (1)(A)(B)(C)(D) (i)(ii)(iii)(2)(3)(A)(B)(C)(D)(E)(F)(4)(A)(B)].**
 - b. When subcontracting opportunities are probable, but the Respondent can perform such opportunities with its employees and resources, the Respondent’s HUB Subcontracting Plan shall include **the Self Performance HUB Subcontracting Plan, Section 3 – Self Performance Justification as the HUB Subcontracting Plan (HSP).** **[34 TAC §20.14 (d)(5)(A)(B)(C)(D)].**
3. If subcontracting opportunities are not probable, U. T. System will declare such probability in its invitations for bids, requests for proposals, or other purchase solicitation documents and shall require submission of the appropriate HUB Subcontracting Plan with the Response.
 - a. When subcontracting opportunities are not probable, and the Respondent proposes to perform all of the work with its employees and resources, the Respondent shall submit a HUB Subcontracting Plan that includes **the Self Performance HUB Subcontracting Plan, Section 3 – Self Performance Justification as the HUB Subcontracting Plan (HSP).**
 - b. When subcontracting opportunities are not probable, but the Respondent proposes to subcontract any part of the work, the Respondent shall submit a **HUB Subcontracting Plan as prescribed by the Texas Comptroller** identifying subcontractors.
4. Respondents shall follow, but are not limited to, procedures listed in the Policy when developing a HUB Subcontracting Plan.
5. **In making a determination whether a good faith effort has been made in the development of the required HUB Subcontracting Plan, U. T. System shall follow the procedures listed in the Policy. If accepted by the University, the HUB Subcontracting Plan shall become a provision of the Respondent’s contract with the University of Texas System. Revisions necessary to clarify and enhance information submitted in the original HUB subcontracting plan may be made in an effort to determine good faith effort. Any revisions after the submission of the HUB Subcontracting Plan shall be approved by the HUB Coordinator.**
6. The University of Texas System shall reject any Response that does not include a fully completed HUB Subcontracting Plan, as required. **An incomplete HUB Subcontracting Plan is considered a material failure to comply with the solicitation for proposals.**

7. Changes to the HUB Subcontracting Plan. Once a Respondent's HUB Subcontracting Plan is accepted by U. T. System and becomes a provision of the contract between Respondent and U. T. System, the Respondent can only change that HUB Subcontracting Plan if (a) the Respondent complies with 34 TAC Section 20.14; (b) the Respondent provides its proposed changes to U. T. System for review; (c) U. T. System (including U. T. System's HUB Coordinator) approves Respondent's proposed changes to its HUB Subcontracting Plan; and (d) U. T. System and the Respondent amend their contract (via a writing signed by authorized officials of both parties) in order to replace the contract's existing HUB Subcontracting Plan with a revised HUB Subcontracting Plan containing the changes approved by U. T. System.
8. Expansion of Work. If, after entering into a contract with a Respondent as a result of a purchase solicitation subject to the Policy, U. T. System wishes to expand the scope of work that the Respondent will perform under that contract through a change order or any other contract amendment (the "Additional Work"), U. T. System will determine if the Additional Work contains probable subcontracting opportunities not identified in the initial purchase solicitation for that contract. If U. T. System determines that probable subcontracting opportunities exist for the Additional Work, then the Respondent must submit to U. T. System an amended HUB Subcontracting Plan covering those opportunities that complies with the provisions of 34 TAC Section 20.14. Such an amended HUB Subcontracting Plan must be approved by U. T. System (including U. T. System's HUB Coordinator) before (a) the contract may be amended by U. T. System and the Respondent to include the Additional Work and the amended HUB Subcontracting Plan and (b) the Respondent performs the Additional Work. If a Respondent subcontracts any of the additional subcontracting opportunities identified by U. T. System for any Additional Work (i) without complying with 34 TAC Section 20.14 or (ii) before U. T. System and that Respondent amend their contract to include a revised HUB Subcontracting Plan that authorizes such subcontracting, then the Respondent will be deemed to be in breach of its contract with U. T. System. As a result of such breach, U. T. System will be entitled to terminate its contract with the Respondent, and the Respondent will be subject to any remedial actions provided by Texas law, including those set forth in Chapter 2161, Texas Government Code, and 34 TAC Section 20.14. University may report a Respondent's nonperformance under a contract between that Respondent and U. T. System to the Texas Comptroller in accordance with 34 TAC Sections 20.101 through 20.108.
9. A Response may state that the Respondent intends to perform all the subcontracting opportunities with its own employees and resources in accordance with the Policy. However, if such a Respondent enters into a contract with U. T. System as a result of such a Response but later desires to subcontract any part of the work set forth in that contract, before the Respondent subcontracts such work it must first change its HUB Subcontracting Plan in accordance with the provisions of Section 7 above .
10. The University shall require a vendor to whom a contract has been awarded to report the identity and the amount paid to its subcontractors on a monthly basis using a **HUB Subcontracting Plan (HSP) Prime Contractor Progress Assessment Report (PAR)** as a condition for payment.
11. If the University determines that the successful Respondent failed to implement an approved HUB Subcontracting Plan in good faith, the University, in addition to any other remedies, may report nonperformance to the Texas Comptroller in accordance with 34 TAC, Section 20.14, (g)(1) related remedies of nonperformance to professional services firms, contractor, and vender implementation of the HUB Subcontracting Plan.
12. In the event of any conflict between this "Summary of Requirements" and the remainder of the HUB Policy, the remainder of the HUB Policy will control.
13. These requirements, including the attachments referred to above, may be downloaded over the Internet from <http://www.utsystem.edu/hub/hubforms.html>. For additional information contact Office of HUB Development, The University of Texas System Administration, 512/499-4530.

Two or more contracts that run concurrently or overlap one another for different periods of time are considered by CPA to be individual contracts rather than renewals or extensions to the original contract. In such situations the prime contractor and HUB vendor are entering (have entered) into "new" contracts.*

SECTION 4 AFFIRMATION

As evidenced by my signature below, I affirm that I am an authorized representative of the respondent listed in SECTION 1, and that the information and supporting documentation submitted with the HSP is true and correct. Respondent understands and agrees that, if awarded any portion of the requisition:

- The respondent will provide notice as soon as practical to all the subcontractors (HUBs and Non-HUBs) of their selection as a subcontractor for the awarded contract. The notice must specify at a minimum the contracting agency's name and its point of contact for the contract, the contract award number, the subcontracting opportunity they (the subcontractor) will perform, the approximate dollar value of the subcontracting opportunity and the expected percentage of the total contract that the subcontracting opportunity represents. A copy of the notice required by this section must also be provided to the contracting agency's point of contact for the contract no later than ten (10) working days after the contract is awarded.
- The respondent must submit monthly compliance reports (Prime Contractor Progress Assessment Report – PAR) to the contracting agency, verifying its compliance with the HSP, including the use of and expenditures made to its subcontractors (HUBs and Non-HUBs). (The PAR is available at <http://www.window.state.tx.us/procurement/prog/hub/hub-forms/progressassessmentrpt.xls>).
- The respondent must seek approval from the contracting agency prior to making any modifications to its HSP, including the hiring of additional or different subcontractors and the termination of a subcontractor the respondent identified in its HSP. If the HSP is modified without the contracting agency's prior approval, respondent may be subject to any and all enforcement remedies available under the contract or otherwise available by law, up to and including debarment from all state contracting.
- The respondent must, upon request, allow the contracting agency to perform on-site reviews of the company's headquarters and/or work-site where services are being performed and must provide documentation regarding staffing and other resources.

SECTION B-3 NOTIFICATION OF SUBCONTRACTING OPPORTUNITY

When completing this section you MUST comply with items a, b, c and d, thereby demonstrating your Good Faith Effort of having notified Texas certified HUBs and minority or women trade organizations or development centers about the subcontracting opportunity you listed in SECTION B-1. Your notice should include the scope of work, information regarding the location to review plans and specifications, bonding and insurance requirements, required qualifications, and identify a contact person. When sending notice of your subcontracting opportunity, you are encouraged to use the attached HUB Subcontracting Opportunity Notice form, which is also available online at <http://www.window.state.tx.us/procurement/prog/hub/hub-subcontracting-plan/>

Retain supporting documentation (i.e., certified letter, fax, e-mail) demonstrating evidence of your good faith effort to notify the Texas certified HUBs and minority or women trade organizations or development centers. Also, be mindful that a working day is considered a normal business day of a state agency, not including weekends, federal or state holidays, or days the agency is declared closed by its executive officer. The initial day the subcontracting opportunity notice is sent/provided to the HUBs and to the minority or women trade organizations or development centers is considered to be "day zero" and does not count as one of the seven (7) working days.

- a. Provide written notification of the subcontracting opportunity you listed in SECTION B-1, to three (3) or more Texas certified HUBs. Unless the contracting agency specified a different time period, you must allow the HUBs at least seven (7) working days to respond to the notice prior to your submitting your bid response to the contracting agency. When searching for Texas certified HUBs, ensure that you use the State of Texas' Centralized Master Bidders List (CMBL) and Historically Underutilized Business (HUB) Search directory located at <http://www.window.state.tx.us/procurement/cmb/cmbhub.html>. HUB Status code "A" signifies that the company is a Texas certified HUB.
- b. List the three (3) Texas certified HUBs you notified regarding the subcontracting opportunity you listed in SECTION B-1. Include the company's Vendor ID (VID) number, the date you sent notice to that company, and indicate whether it was responsive or non-responsive to your subcontracting opportunity notice.

- c. Provide written notification of the subcontracting opportunity you listed in SECTION B-1 to two (2) or more minority or women trade organizations or development centers in Texas to assist in identifying potential HUBs by disseminating the subcontracting opportunity to their members/participants. Unless the contracting agency specified a different time period, you must provide your subcontracting opportunity notice to minority or women trade organizations or development centers at least seven (7) working days prior to submitting your bid response to the contracting agency. HUB Subcontracting Opportunity Notification Form

In accordance with Texas Gov't Code, Chapter 2161, each state agency that considers entering into a contract with an expected value of \$100,000 or more shall, before the agency solicits bids, proposals, offers, or other applicable expressions of interest, determine whether subcontracting opportunities are probable under the contract. The state agency I have identified below in **Section B** has determined that subcontracting opportunities are probable under the requisition to which my company will be responding.

34 Texas Administrative Code, §20.14 requires all respondents (prime contractors) bidding on the contract to provide notice of each of their subcontracting opportunities to at least three (3) Texas certified HUBs (who work within the respective industry applicable to the subcontracting opportunity), and allow the HUBs at least seven (7) working days to respond to the notice prior to the respondent submitting its bid response to the contracting agency. In addition, the respondent must provide notice of each of its subcontracting opportunities to two (2) or more minority or women trade organizations or development centers at least seven (7) working days prior to submitting its bid response to the contracting agency.

We respectfully request that vendors interested in bidding on the subcontracting opportunity scope of work identified in **Section C, Item 2**, reply no later than the date and time identified in **Section C, Item 1**. Submit your response to the point-of-contact referenced in **Section A**.

RFP No. 156082
Submitted Questions

Pre-Proposal Meeting Questions:

Question: Is there a certain discipline that should lead the project?

Response: The desired contractor should display expertise in the FEMA Public Assistance process. The expertise should focus on incident documentation for Public Assistance, approach to project to determine best outcome, and Incident Command.

Question: In regards to the debris removal piece of the contract, is there already a Debris Removal Plan in place at each campus?

Response: Not all campuses will have a Debris Removal Plan in place prior to the incident. However, there are systemwide contracts in place and those contractors are met with prior to the start of each hurricane storm season.

Question: Do UT institutions have to meet state requirements and/or standards?

Response: Yes, and in some cases, institutions and UT System have to exceed state requirements and/or standards.

Question: Does the contractor have to use the format provided in Section 6, or can they use their own template?

Response: No. The format used in Section 6 is there as an example. A contractor may use it if they choose to or they can use their own template or format.

Question: Was it intentional to not have instructions for pricing?

Response: Yes. The section on pricing was left generic so that the contractor can use the format he or she chooses. For clarity however, the contractor should still identify certain positions in regards to the Statement of Work in the rate schedule.

Question: Should the contractor submit bios with the proposal?

Response: It is not a requirement for the contractor to submit bios with the proposal, however, bios will be welcomed if they are available.

Question: Has UT System or impacted institutions within UT System closed out previous federal disasters through FEMA?

Response: UT Medical Branch- Galveston has still not yet closed out Hurricane Ike from 2008.

Discussion Question: Has UTMB or other impacted institutions in the Houston/Galveston area closed out Tropical Storm Allison from 2001?

Response: Yes.

Question: What are UT System requirements in regards to insurance when working with FEMA?

Response: The UT System Office of Risk Management manages insurance programs and claims at each of the UT institutions. The desired expertise we are seeking for this particular contract is a vendor who understands the FEMA process when filing a Public Assistance claim.

It should be noted that this expertise will not only be utilized during a warned disaster event such as a hurricane, but a no-notice incident as well.

Question: Is it acceptable for a contractor to submit exceptions to the contract with their bid?

Response: Yes it is. It should be understood that exceptions will not necessarily disqualify a contractor's bid to the proposal.

Discussion Question: Is there flexibility with the exceptions?

Response: Yes.

Question: Does the RFP include pre-disaster planning with contractors already in place?

Response: Historically, UT System institutions have used systemwide vendors already under contract for pre-disaster planning.

Question: What is the term or duration of the contract?

Response: The initial contract will be for one year plus four one year amendments for a total of five years.
