SECTION 1

INTRODUCTION**1.1 Description of The University of Texas System**

The University of Texas System is comprised of System Administration and 15 institutions of higher education with campuses across the State of Texas whose missions are devoted to world class healthcare, teaching, research, and public service (collectively, “**UT System**”). UT System currently has six health institutions and nine academic facilities, making it one of the larger education systems in the United States. With an operating budget of \$14.6 billion, UT System has a current student enrollment exceeding 216,000. UT System employs more than 87,000 faculty and staff, making UT System one of the largest employers in the State of Texas.

UT System is comprised of the following institutions:

- The University of Texas Southwestern Medical Center (UTSW)
- The University of Texas Medical Branch at Galveston (UTMB)
- The University of Texas Health Science Center at Houston (UTHSCH)
- The University of Texas Health Science Center at San Antonio (UTHSCSA)
- The University of Texas MD Anderson Cancer Center (UTMDACC)
- The University of Texas Health Science Center at Tyler (UTHSCT)
- The University of Texas at Arlington (UTA)
- The University of Texas at Austin (UT Austin)
- The University of Texas at Brownsville (UTB)
- The University of Texas at Dallas (UTD)
- The University of Texas at El Paso (UTEP)
- The University of Texas – Pan American (UTPA)
- The University of Texas of the Permian Basin (UTPB)
- The University of Texas at San Antonio (UTSA)
- The University of Texas at Tyler (UTT)

UT System has established the University of Texas System Supply Chain Alliance (the “**Alliance**”) to conduct and coordinate strategic purchasing initiatives across UT System. The Alliance is also affiliated with various Texas institutions of higher education. Through collaborative relationships, the Alliance seeks to combine supply chain and contracting activities and obtain best value goods and services while reducing total acquisition costs. The Alliance has created a team of supply chain professionals (the “**Strategic Services Group**”) that has been tasked with executing Alliance purchasing initiatives. The Strategic Services Group assembles a team of subject matter experts (“**SMEs**”) from participating institutions to assist in the development of each sourcing event and the evaluation of suppliers during the procurement process. SMEs are involved from the sourcing event’s inception and work with the Alliance and UT System to select the best value supplier(s). Any agreement resulting from this Request for Proposal, UTS/A41 (this “**RFP**”) will be extended and marketed to all UT System institutions. Various non-UT System institutions that are affiliated with the Alliance may participate, too, in any agreement resulting from this RFP.

By participating in this RFP, proposer(s) (collectively, “**Proposer**”) agrees to extend all goods, services and pricing to any Alliance member or affiliate (collectively, “**Institutional Participant**”) that wishes to participate in any contract entered into with Proposer.

1.2 Objective of this Request for Proposal

UT System, acting through the Alliance, is soliciting proposals in response to this RFP from qualified suppliers, for the supply of athletic and fitness equipment (excluding apparel items and excluding any equipment provided under a sponsorship arrangement) and related services more specifically described in **Section 5.4 ("Scope of Work")** of this RFP (collectively, the "**Services**"). The successful Proposer(s) to whom business may be awarded is referred to in this RFP as the "**Preferred Supplier.**"

UT System is seeking to identify a Preferred Supplier that will provide the most practical and cost-effective business model to serve the needs of Institutional Participants. The goal of this RFP is to work toward solutions that will minimize cost, while maintaining or improving current service levels for all participating UT System institutions. Proposer should provide solutions involving HUB suppliers, where possible (ref. **Section 2.5** of this RFP).

Proposer is invited to submit a proposal to establish a strategic business alliance with UT System that will maximize the resources of both organizations to most effectively meet the requirements specified in this RFP. Specifically this RFP process should:

- Provide a comprehensive and guaranteed pricing structure for the Services;
- Leverage the aggregate purchasing volumes of Institutional Participants;
- Achieve cost savings for Institutional Participants;
- Improve overall customer satisfaction; and
- Enhance relationships between Preferred Supplier and Institutional Participants.

UT System is seeking to reduce the total acquisition cost of the Services while creating synergies between Institutional Participants and Preferred Supplier. UT System hopes to conclude an agreement that will provide Institutional Participants with access to the Services at discounted prices and permit all parties to reduce procurement and transaction costs and improve business processes.

Proposer should propose charges for the Services that will be guaranteed to be discounted as compared to the then-current market rates for comparable services available from other reputable service providers. UT System will work through the Alliance to team with the Preferred Supplier to develop business processes that will foster a strong working relationship and produce a win-win for all parties.

The Preferred Supplier will be enrolled in the Alliance's Supplier Relationship Management Program ("**SRM**") to monitor Preferred Supplier's performance and pricing. UT System expects Preferred Supplier to work closely with the Alliance and each Institutional Participant and produce benefits for all parties involved in the relationship.

Proposer should realize that what is written in their final proposal submitted to UT System may become part of the successful Proposer's final contract.

UT System may ask Proposer(s) to provide a formal presentation, prior to contract award, with additional information to SME's or the Strategic Services Group. This presentation will allow the Alliance to clarify any technical, quality, or price-based questions that may arise from Proposer's response.

1.3 Background and Scope of Opportunity

Based on data provided by UTMB, UTSA, UTEP, UTPB and UTT, the collective expenditures by these institutions for athletic and fitness equipment and related services is estimated at approximately \$1.1 million annually. Other institutions may participate in the Agreement resulting from this sourcing event, which would increase the estimate above.

THE ABOVE FIGURE IS AN ESTIMATE ONLY. VOLUMES PURCHASED ON THE BASIS OF ANY AGREEMENT RESULTING FROM THIS RFP MAY INVOLVE MORE OR LESS THAN THE ESTIMATE PROVIDED. UT SYSTEM DOES NOT REPRESENT, WARRANT OR GUARANTY THAT PARTICIPANTS WILL PURCHASE ANY PARTICULAR DOLLAR VALUE OR ANY PARTICULAR QUANTITY, AND UT SYSTEM SPECIFICALLY DISCLAIMS ANY SUCH REPRESENTATIONS, WARRANTIES AND GUARANTIES.

SECTION 2

NOTICE TO PROPOSER

2.3 Criteria for Selection

Successful Proposer, if any, selected by UT System in accordance with the requirements and specifications set forth in this RFP, will be the Proposer that submits a proposal in response to this RFP, on or before the Submittal Deadline, that is most advantageous to UT System.

Proposers should describe all educational, state and local government discounts, as well as any other applicable discounts that may be available.

An evaluation team from UT System will evaluate proposals. The evaluation of proposals and the selection of Preferred Supplier will be based on the information provided by Proposer in its proposal. UT System may give consideration to additional information if UT System deems such information relevant.

The criteria to be considered by UT System in evaluating proposals and selecting Preferred Supplier, will be those factors listed below:

2.3.1 Threshold Criteria Not Scored

2.5 Historically Underutilized Businesses

- 2.5.1 All agencies of the State of Texas are required to make a good faith effort to assist historically underutilized businesses (each a "**HUB**") in receiving contract awards. The goal of the HUB program is to promote full and equal business opportunity for all businesses in contracting with state agencies. Pursuant to the HUB program, if under the terms of any agreement or contractual arrangement resulting from this RFP, Preferred Supplier subcontracts any of its performance hereunder, Preferred Supplier must make a good faith effort to utilize HUBs certified by the Texas Procurement and Support Services Division of the Texas Comptroller of Public Accounts or any successor agency. Proposals that fail to comply with the requirements contained in this **Section 2.5** will constitute a material failure to comply with advertised specifications and will be rejected by UT System as non-responsive. Additionally, compliance with good faith effort guidelines is a condition precedent to awarding any agreement or contractual arrangement resulting from this RFP. Proposer acknowledges that, if selected by UT System, its obligation to make a good faith effort to utilize HUBs when subcontracting hereunder will continue throughout the term of all agreements and contractual arrangements resulting from this RFP. Furthermore, any subcontracting hereunder by Proposer is subject to review by UT System to ensure compliance with the HUB program.
- 2.5.2 UT System has reviewed this RFP in accordance with Title 34, *Texas Administrative Code*, Section 20.13 (a), and has determined that subcontracting opportunities are probable under this RFP.
- 2.5.3 A HUB Subcontracting Plan ("**HSP**") is required as part of Proposer's proposal. The HSP will be developed and administered in accordance with UT System's Policy on Utilization of Historically Underutilized Businesses attached as **APPENDIX TWO** and incorporated herein for all purposes.

*Each Proposer must complete and return the HSP in accordance with the terms and conditions of this RFP, including **APPENDIX TWO**. Proposals that fail to do so will be considered non-responsive to this RFP in accordance with Section 2161.252, Texas Government Code.*

Preferred Supplier will not be permitted to change its HSP unless: (1) Preferred Supplier completes a newly modified version of the HSP in accordance with the terms of **APPENDIX TWO** that sets forth all changes requested by Preferred Supplier, (2) Preferred Supplier provides UT System with such modified version of the HSP, (3) UT System approves the modified HSP in writing, and (4) all agreements or contractual arrangements resulting from this RFP are amended in writing by UT System and Preferred Supplier to conform to the modified HSP.

- 2.5.4 Proposer must submit one (1) signed copy of the HSP to UT System at the same time as it submits its proposal to UT System (ref. **Section 3.1** of this RFP). The signed copy of the HSP (the “**HSP Packet**”) must be submitted electronically utilizing the SciQuest e-sourcing tool as more particularly described in **Section 3.1** of this RFP. Proposer must ensure that the HSP Packet is submitted according to the electronic instructions provided in this RFP.

Any proposal submitted in response to this RFP that is not accompanied by an HSP Packet meeting the above requirements will be rejected by UT System and remain unopened, as that proposal will be considered non-responsive due to material failure to comply with advertised specifications. Furthermore, UT System will open a Proposer’s HSP Packet prior to opening the proposal submitted by Proposer, in order to ensure that Proposer has submitted a signed copy of the Proposer’s HSP Packet as required by this RFP. A Proposer’s failure to submit a signed copy of the completed HSP Packet as required by this RFP will result in UT System’s rejection of the proposal submitted by that Proposer as non-responsive, due to material failure to comply with advertised specifications; such a proposal will remain unopened and will be disqualified and not reviewed by UT System (ref. **Section 1.5** of **APPENDIX ONE** to this RFP).

Note: The requirement that Proposer provide a signed and completed HSP Packet under this **Section 2.5.4** is separate from and does not affect Proposer’s obligation to provide UT System with its proposal as specified in **Section 3.1** of this RFP.

2.6 Pre-Proposal Conference

UT System will hold a pre-proposal conference at **10:00 AM**, Central Standard Time, on **October 7, 2014**. Proposers may attend the conference in one of the following two formats:

in person attendance located in the One Mid-Campus Building at 7007 Bertner Ave. Suite 11.2339, TX 77030 (located in the Texas Medical Center); or

webinar broadcast via the Internet utilizing the “Go-to-Meeting” webinar conference service.

The Pre-Proposal Conference will allow all Proposers an opportunity to ask the Alliance, the Strategic Services Group, and UT System HUB representatives relevant questions and clarify provisions of this RFP. APPENDIX ONE

PROPOSAL REQUIREMENTS

SECTION 1 GENERAL INFORMATION

1.1 Purpose

UT System is soliciting competitive sealed proposals from Proposers having suitable qualifications and experience providing goods and services in accordance with the terms, conditions and requirements set forth in this RFP. This RFP provides sufficient information for interested parties to prepare and submit proposals for consideration by UT System.

By submitting a proposal, Proposer certifies that it understands this RFP and has full knowledge of the scope, nature, quality, and quantity of the goods and services to be performed, the detailed requirements of the goods and services to be provided, and the conditions under which such goods and services are to be performed. Proposer also certifies that it understands that all costs relating to preparing a response to this RFP will be the sole responsibility of Proposer.

PROPOSER IS CAUTIONED TO READ THE INFORMATION CONTAINED IN THIS RFP CAREFULLY AND TO SUBMIT A COMPLETE RESPONSE TO ALL REQUIREMENTS AND QUESTIONS AS DIRECTED.

1.2 Inquiries and Interpretations

UT System may in its sole discretion respond in writing to written inquiries concerning this RFP and post its response as an Addendum to all parties recorded by UT System as participating in this RFP. Only UT System's responses that are made by formal written Addenda will be binding on UT System. Any verbal responses, written interpretations or clarifications other than Addenda to this RFP will be without legal effect. All Addenda issued by UT System prior to the Submittal Deadline will be and are hereby incorporated as a part of this RFP for all purposes.

Proposers are required to acknowledge receipt of each Addendum by selecting "acknowledge" in the Addendum section of the RFP in SciQuest. Each Addendum must be acknowledged by Proposer prior to the Submittal Deadline and should accompany Proposer's proposal.

1.3 Public Information

Proposer is hereby notified that UT System strictly adheres to all statutes, court decisions and the opinions of the Texas Attorney General with respect to disclosure of public information.

UT System may seek to protect from disclosure all information submitted in response to this RFP until such time as a final agreement is executed.

Upon execution of a final agreement, UT System will consider all information, documentation, and other materials requested to be submitted in response to this RFP, to be of a non-confidential and non-proprietary nature and, therefore, subject to public disclosure under the *Texas Public Information Act* (*Government Code*, Chapter 552.001, et seq.). Proposer will be advised of a

request for public information that implicates their materials and will have the opportunity to raise any objections to disclosure to the Texas Attorney General. Certain information may be protected from release under Sections 552.101, 552.110, 552.113, and 552.131, *Government Code*.

1.4 Type of Agreement

Preferred Supplier, if any, will be required to enter into an agreement with UT System in a form that (i) includes terms and conditions substantially similar to those set forth in **Section 4** of this RFP, and (ii) is otherwise acceptable to UT System in all respects.

1.5 Proposal Evaluation Process

UT System will select Preferred Supplier by using the competitive sealed proposal process described in this Section. UT System will open the HSP Packet submitted by a Proposer prior to opening Proposer's proposal in order to ensure that Proposer has submitted the completed and signed HUB Subcontracting Plan (also called the HSP) that is required by this RFP (ref. **Section 2.5.4** of the RFP). All proposals submitted by the Submittal Deadline accompanied by the completed and signed HSP required by this RFP will be opened. Any proposals that are not submitted by the Submittal Date or that are not accompanied by the completed and signed HSP required by this RFP will be rejected by UT System as non-responsive due to material failure to comply with advertised specifications. After the opening of the proposals and upon completion of the initial review and evaluation of the proposals, UT System may invite one or more selected Proposers to participate in oral presentations. UT System will use commercially reasonable efforts to avoid public disclosure of the contents of a proposal prior to selection of Preferred Supplier.

UT System may make the selection of Preferred Supplier on the basis of the proposals initially submitted, without discussion, clarification or modification. In the alternative, UT System may make the selection of Preferred Supplier on the basis of negotiation with any of Proposers. In conducting such negotiations, UT System will avoid disclosing the contents of competing proposals.

At UT System's sole option and discretion, UT System may discuss and negotiate all elements of the proposals submitted by selected Proposers within a specified competitive range. For purposes of negotiation, UT System may establish, after an initial review of the proposals, a competitive range of acceptable or potentially acceptable proposals composed of the highest rated proposal(s). In that event, UT System will defer further action on proposals not included within the competitive range pending the selection of Preferred Supplier; provided, however, UT System reserves the right to include additional proposals in the competitive range if deemed to be in the best interests of UT System.

After submission of a proposal but before final selection of Preferred Supplier is made, UT System may permit a Proposer to revise its proposal in order to obtain Proposer's best and final offer. In that event, representations made by Proposer in its revised proposal, including price and fee quotes, will be binding on Proposer. UT System will provide each Proposer within the competitive range with an equal opportunity for discussion and revision of its proposal. UT System is not obligated to select Proposer offering the most attractive economic terms if that Proposer is not the most advantageous to UT System overall, as determined by UT System.

UT System reserves the right to (a) enter into an agreement for all or any portion of the requirements and specifications set forth in this RFP with one or more Proposers, (b) reject any

and all proposals and re-solicit proposals, or (c) reject any and all proposals and temporarily or permanently abandon this selection process, if deemed to be in the best interests of UT System. Proposer is hereby notified that UT System will maintain in its files concerning this RFP a written record of the basis upon which a selection, if any, is made by UT System.

1.6 Proposer's Acceptance of Evaluation Methodology

By submitting a proposal, Proposer acknowledges (1) Proposer's acceptance of [a] the Proposal Evaluation Process (ref. **Section 1.5 of APPENDIX ONE**), [b] the Criteria for Selection (ref. **2.3** of this RFP), [c] the Specifications, Additional Questions and Scope of Work (ref. **Section 5** of this RFP), [d] the terms and conditions set forth in **Section 4** of this RFP, and [e] all other requirements and specifications set forth in this RFP; and (2) Proposer's recognition that some subjective judgments must be made by UT System during this RFP process.

- 1.8.2 Proposals and any other information submitted by Proposer in response to this RFP will become the property of UT System.

UT System reserves the right to accept or reject any or all proposals, waive any formalities, procedural requirements, or minor technical inconsistencies, and delete any requirement or specification from this RFP when deemed to be in UT System's best

interest. UT System reserves the right to seek clarification from any Proposer concerning any item contained in its proposal prior to final selection. Such clarification may be provided by telephone conference or personal meeting with or writing to UT System, at UT System's sole discretion. UT SYSTEM POLICY ON UTILIZATION OF HISTORICALLY UNDERUTILIZED BUSINESSES

[Note: the Alliance should include the most recent edition, obtained from the UT System HUB Office, of the System's Policy on Utilization of Historically Underutilized Businesses.]

APPENDIX THREE

SAMPLE PREFERRED SUPPLIER AGREEMENT

for

ATHLETIC EQUIPMENT

between

THE UNIVERSITY OF TEXAS SYSTEM

and

University of Texas Agreement Number: _____

This Preferred Supplier Agreement, dated effective as of _____, 20__ (“**Effective Date**”), is made by and between **The University of Texas System (“UT System”)**, a state agency and institution of higher education authorized under the laws of the State of Texas, and _____ (“**Preferred Supplier**”), a _____ corporation, Federal Tax Identification Number _____, with its principal offices located at _____.

This Agreement specifies the terms and conditions applicable to the supply by Preferred Supplier of certain athletic and fitness equipment (excluding apparel items and excluding any equipment provided under a sponsorship arrangement) and related services to institutional participants, all as further described below.

Now, therefore, the parties, intending to be legally bound, agree as follows:

SECTION 1 – Definitions

“**Alliance**” means The University of Texas System Supply Chain Alliance, a group purchasing organization established by UT System to conduct and coordinate strategic purchasing initiatives across UT System. UT System health and academic institutions are members of the Alliance. The Alliance is also affiliated with other institutions of higher education that have executed an Alliance affiliate agreement.

“**Institutional Participant**” means an Alliance member or affiliated institution of higher education, as designated by the Alliance, that has executed an Institutional Participation Agreement in connection with this Agreement.

“Institutional Participation Agreement” or **“IPA”** means the Institutional Participation Agreement attached to this Agreement as **Rider 300** and incorporated for all purposes, to be executed by each Institutional Participant.

“Services” means the supply by Preferred Supplier of certain athletic and fitness equipment (excluding apparel items) and related services, as described in **Rider 100**, Scope of Work.

“UT Party” means, as applicable, UT System and/or the Institutional Participants.

“UT System Contract Administrator” means the Director of the Alliance, who will be the initial contact for all contractual concerns related to this Agreement.

SECTION 2 – Term:

The term of this Agreement will begin on the Effective Date and expire _____ [*initial fixed term of five years*], unless earlier terminated in accordance with the provisions of this Agreement. UT System will have the option to extend the term of this Agreement for an additional two-year period, upon written notice given to Preferred Supplier at least 90 days in advance of the renewal term.

The Parties acknowledge that, prior to any scheduled expiration of this Agreement, UT System may conduct a competitive procurement for the purchase of products and services comparable to the Services, for the period following expiration. If Preferred Supplier is not selected as the source for the succeeding period, Institutional Participants may need to transition over a period of time to purchasing the products and services primarily from the new source, rather than from Preferred Supplier. In such event, in order to allow for an orderly transition, Institutional Participants may wish to continue purchasing from Preferred Supplier for a limited period of time after the anticipated expiration of this Agreement. As a result, Preferred Supplier agrees that, notwithstanding any other provision of this Agreement:

- Preferred Supplier will make the Services available for purchase by Institutional Participants after _____, 2020 (or the anticipated expiration date under any extended term of this Agreement), for a transitional period of six months (the **“Transition Period”**), on the same terms and conditions set forth in this Agreement.
- The Administrative Fee provided for in **Rider 100** (Scope of Work) will apply to all Services purchased hereunder during the Transition Period, and all related obligations of Preferred Supplier under this Agreement (such as to report sales volumes to UT System) will continue during such period.
- The Administrative Fee will apply to all future payments made by Institutional Participants for purchases of Services initiated during this Agreement, including the Transition Period, even if such payments are made following expiration of this Agreement.
- All incentive / rebate trigger amounts that may be established in this Agreement for any calendar year will be pro-rated automatically on a straight-line basis, to account for partial calendar years during which this Agreement exists, including the Transition Period.

SECTION 3 – Amendment:

No change, modification, alteration, or waiver of this Agreement will be effective unless it is set forth in a written agreement that is signed by UT System and Preferred Supplier.

SECTION 4 – Performance by Preferred Supplier:

Preferred Supplier will perform its obligations under this Agreement to the satisfaction of UT Party. Time is of the essence in connection with this Agreement. UT Party will not have any obligation to accept late performance or waive timely performance by Preferred Supplier. Preferred Supplier will obtain, at its own cost, any and all approvals, licenses, filings, registrations and permits required by federal, state or local laws, regulations or ordinances, for its performance hereunder.

SECTION 5 – Family Code Child Support Certification:

Pursuant to Section 231.006, *Family Code*, Preferred Supplier certifies that it is not ineligible to receive the award of or payments under this Agreement and acknowledges that this Agreement may be terminated and payment may be withheld if this certification is inaccurate.

SECTION 6 – Eligibility Certifications:

Pursuant to Sections 2155.004 and 2155.006, *Texas Government Code*, Preferred Supplier certifies that it has not received compensation for participation in the preparation of the Request for Proposal related to this Agreement and is not ineligible to receive the award of or payments under this Agreement; and acknowledges that this Agreement may be terminated and payment withheld if these certifications are inaccurate.

Pursuant to Section 361.965, Texas Health and Safety Code, Preferred Supplier also certifies that it is in full compliance with the State of Texas Manufacturer Responsibility and Consumer Convenience Computer Equipment Collection and Recovery Act set forth in Chapter 361, Subchapter Y, Texas Health and Safety Code, and the rules adopted by the Texas Commission on Environmental Quality under that Act as set forth in Title 30, Chapter 328, Subchapter I, Texas Administrative Code. Preferred Supplier acknowledges that this Agreement may be terminated and payment may be withheld if this certification is inaccurate.

SECTION 7 – Tax Certification:

If Preferred Supplier is a taxable entity as defined by Chapter 171, Texas Tax Code (“**Chapter 171**”), then Preferred Supplier certifies that it is not currently delinquent in the payment of any taxes due under Chapter 171, or that Preferred Supplier is exempt from the payment of those taxes, or that Preferred Supplier is an out-of-state taxable entity that is not subject to those taxes, whichever is applicable.

SECTION 8 – Payment of Debt or Delinquency to the State:

Pursuant to Sections 2107.008 and 2252.903, *Texas Government Code*, Preferred Supplier agrees that any payments owing to Preferred Supplier under this Agreement may be applied directly toward any debt or delinquency that Preferred Supplier owes the State of Texas or any agency of the State of Texas regardless of when it arises, until such debt or delinquency is paid in full.

SECTION 9 – Loss of Funding:

Performance by UT Party under this Agreement may be dependent upon the appropriation and allotment of funds by the Texas State Legislature (the “**Legislature**”) and/or allocation of funds by the Board of Regents of The University of Texas System (the “**Board**”). If the Legislature fails to appropriate or allot the necessary funds, or the Board fails to allocate the necessary funds, then UT Party will issue written notice to Preferred Supplier and UT Party may terminate this Agreement without further duty or obligation hereunder, other than payment for goods and services already delivered or provided to Institutional Participant. Preferred Supplier acknowledges that appropriation, allotment, and allocation of funds are beyond the control of UT Party.

SECTION 10 – Force Majeure:

None of the parties to this Agreement will be liable or responsible to another for any loss or damage or for any delays or failure to perform due to causes beyond its reasonable control including acts of God, strikes, epidemics, war, riots, flood, fire, sabotage, or any other circumstances of like character (“**force majeure occurrence**”). Provided, however, in the event of a force majeure occurrence, Preferred Supplier agrees to use its best efforts to mitigate the impact of the occurrence so that UT Party may continue to provide healthcare services during the occurrence.

SECTION 11 – Notices:

Except as otherwise provided in this Section, all notices, consents, approvals, demands, requests or other communications provided for or permitted to be given under any of the provisions of this Agreement will be in writing and will be sent via registered or certified mail, overnight courier, confirmed facsimile transmission (to the extent a facsimile number is set forth below), or email (to the extent an email address is set forth below), and notice will be deemed given (i) if mailed, when deposited, postage prepaid, in the United States mail, (ii) if sent by overnight courier, one business day after delivery to the courier, (iii) if sent by facsimile (to the extent a facsimile number is set forth below), when transmitted, and (iv) if sent by email (to the extent an email address is set forth below), when received:

SECTION 12 – Preferred Supplier's Obligations.

12.1 Preferred Supplier represents that it has the knowledge, ability, skills, and resources to perform its obligations hereunder.

12.2 Preferred Supplier will maintain a staff of properly trained and experienced personnel to ensure satisfactory performance hereunder. Preferred Supplier will cause all persons connected with the Preferred Supplier directly in charge of performance hereunder to be duly registered and/or licensed under all applicable federal, state and municipal, laws, regulations, codes, ordinances and orders, including the rules, regulations and procedures promulgated by the Board or Institutional Participants, and those of any other body or authority having jurisdiction (collectively, "**Applicable Law**").

12.3 Preferred Supplier represents, warrants and agrees that (a) it will use commercially reasonable efforts to perform hereunder, in a good and workmanlike manner and in accordance with commercially reasonable standards of Preferred Supplier's profession or business, and (b) all good and services provided hereunder will be of the quality that prevails among similar businesses engaged in providing similar products and services in major United States urban areas under the same or similar circumstances.

12.4 Preferred Supplier warrants and agrees that all Services supplied under this Agreement will be accurate and free from any material defects. Preferred Supplier's performance hereunder will at no time be in any way diminished by reason of any approval by UT Party nor will Preferred Supplier be released from any liability by reason of any approval by UT Party, it being agreed that UT Party at all times is relying upon Preferred Supplier's skill and knowledge in performing hereunder. Preferred Supplier will, at

its own cost, correct all material defects in Services supplied under this Agreement, as soon as practical after Preferred Supplier becomes aware of the defects. If Preferred Supplier fails to correct such material defects within a reasonable time, then UT Party may correct the defect at Preferred Supplier's expense. This remedy is in addition to, and not in substitution for, any other remedy for the defect that UT Party may have at law or in equity.

12.5 Preferred Supplier will call to the attention of UT Party, in writing, all information in any materials supplied to Preferred Supplier (by UT Party or any other party) that Preferred Supplier regards as unsuitable, improper or inaccurate in connection with the purposes for which the material is furnished.

12.6 Preferred Supplier represents that if (i) it is a corporation or limited liability company, then it is a corporation duly organized, validly existing and in good standing under the laws of the State of Texas, or a foreign corporation or limited liability company duly authorized and in good standing to conduct business in the State of Texas, that it has all necessary corporate power and has received all necessary corporate approvals to execute and deliver this Agreement, and the individual executing this Agreement on behalf of Preferred Supplier has been duly authorized to act for and bind Preferred Supplier; or (ii) if it is a partnership, limited partnership, limited liability partnership, or limited liability company then it has all necessary power and has secured all necessary approvals to execute and deliver this Agreement and perform all its obligations hereunder, and the individual executing this Agreement on behalf of Preferred Supplier has been duly authorized to act for and bind Preferred Supplier.

12.7 Preferred Supplier will provide the warranties more particularly described in Section ___ of **Rider 100**, Scope of Work.

12.8 Preferred Supplier represents and warrants that neither the execution and delivery of this Agreement by Preferred Supplier nor Preferred Supplier's performance hereunder will (a) result in the violation of any provision [i] if a corporation, of Preferred Supplier's articles of incorporation or by-laws, [ii] if a limited liability company, of its articles of organization or regulations, or [iii] if a partnership, of any partnership agreement by which Preferred Supplier is bound; (b) result in the violation of any provision of any agreement by which Preferred Supplier is bound; or (c) to the best of Preferred Supplier's knowledge and belief, conflict with any order or decree of any court or other body or authority having jurisdiction.

SECTION 13 – State Auditor's Office:

Preferred Supplier understands that acceptance of funds under this Agreement constitutes acceptance of the authority of the Texas State Auditor's Office, or any successor agency (collectively, "**Auditor**"), to conduct an audit or investigation in connection with those funds pursuant to Sections 51.9335(c), 73.115(c) and 74.008(c), Education Code. Preferred Supplier agrees to cooperate with the Auditor in the conduct of the audit or investigation, including without limitation providing all records requested. Preferred Supplier will include this provision in all contracts with permitted subcontractors.

SECTION 14 –Governing Law:

Travis County, Texas, will be the proper place of venue for suit on or in respect of this Agreement. This Agreement and all of the rights and obligations of the parties thereto and all of the terms and conditions thereof will be construed, interpreted and applied in accordance with and governed by and enforced under the internal laws of the State of Texas.

SECTION 15 – Breach of Contract Claims:

15.1 To the extent that Chapter 2260, Texas Government Code, as it may be amended from time to time ("**Chapter 2260**"), is applicable to this Agreement and is not preempted by other Applicable Law, the dispute resolution process provided for in Chapter 2260 will be used, as further described herein, by UT Party and Preferred Supplier to attempt to resolve any claim for breach of contract made by Preferred Supplier:

15.1.1 Preferred Supplier's claims for breach of this Agreement that the parties cannot resolve pursuant to other provisions of this Agreement or in the ordinary course of business will be submitted to the negotiation process provided in subchapter B of Chapter 2260. To initiate the process, Preferred Supplier will submit written notice, as required by subchapter B of Chapter 2260, to UT Party in accordance with the notice provisions in this Agreement. Preferred Supplier's notice will specifically state that the provisions of subchapter B of Chapter 2260 are being invoked, the date and nature of the event giving rise to the claim, the specific contract provision that UT Party allegedly breached, the amount of damages Preferred Supplier seeks, and the method used to calculate the damages. Compliance by Preferred Supplier with subchapter B of Chapter 2260 is a required prerequisite to Preferred Supplier's filing of a contested case proceeding under subchapter C of Chapter 2260. The UT Party's chief business officer, or another officer of UT Party as may be designated from time to time by UT Party by written notice thereof to Preferred Supplier in accordance with the notice provisions in this Agreement, will examine Preferred Supplier's claim and any counterclaim and negotiate with Preferred Supplier in an effort to resolve the claims.

15.1.2 If the parties are unable to resolve their disputes under Section 4.11.1.1, the contested case process provided in subchapter C of Chapter 2260 is Preferred Supplier's sole and exclusive process for seeking a remedy for any and all of Preferred Supplier's claims for breach of this Agreement by UT Party.

15.1.3 Compliance with the contested case process provided in subchapter C of Chapter 2260 is a required prerequisite to seeking consent to sue from the Legislature under Chapter 107, Civil Practices and Remedies Code. The parties hereto specifically agree that (i) neither the execution of this Agreement by UT Party nor any other conduct, action or inaction of any representative of UT Party relating to this Agreement constitutes or is intended to constitute a waiver of UT Party's or the state's sovereign immunity to suit and (ii) UT Party has not waived its right to seek redress in the courts.

15.2 The submission, processing and resolution of Preferred Supplier's claim is governed by the published rules adopted by the Texas Attorney General pursuant to Chapter 2260, as currently effective, thereafter enacted or subsequently amended.

15.3 UT Party and Preferred Supplier agree that any periods set forth in this Agreement for notice and cure of defaults are not waived.

SECTION 16 – Compliance with Law:

Preferred Supplier will perform hereunder in compliance with all Applicable Law. Preferred Supplier represents and warrants that neither Preferred Supplier nor any firm, corporation or institution represented by Preferred Supplier, nor anyone acting for such firm, corporation or institution, (1) has violated the antitrust laws of the State of Texas, Chapter 15, *Texas Business and Commerce Code*, or

federal antitrust laws, or (2) has communicated directly or indirectly the content of Preferred Supplier's response to UT System's procurement solicitation to any competitor or any other person engaged in a similar line of business during the procurement process.

SECTION 17 – UT Party's Right to Audit:

At any time during the term of this Agreement and for a period of four (4) years thereafter UT System or a duly authorized audit representative of UT System, or the State of Texas, at its expense and at reasonable times, reserves the right to audit Preferred Supplier's records and books directly related to charges paid for all products and services provided under this Agreement. The right will not extend to any fixed fee component of the charges or to any services performed more than one year prior to the date of request for review. In the event such an audit by UT System reveals any errors or overpayments by UT System which error or overpayment is confirmed by Preferred Supplier, Preferred Supplier will refund UT System the full amount of such overpayments within thirty (30) days of such audit findings, or UT System, at its option, reserves the right to deduct such amounts owing to UT System from any payments due Preferred Supplier

SECTION 18 – Access to Documents:

To the extent applicable to this Agreement, in accordance with Section 1861(v)(1)(i) of the Social Security Act (42 U.S.C. 1395x) as amended, and the provisions of 42 CFR Section 420.300, et seq., Preferred Supplier agrees to allow, during and for a period of not less than four (4) years after this Agreement term, access to this Agreement and its books, documents, and records; and contracts between Preferred Supplier and its subcontractors or related organizations, including books, documents and records relating to same, by the Comptroller General of the United States, the U.S. Department of Health and Human Services and their duly authorized representatives.

SECTION 19 – Insurance:

19.1 Preferred Supplier, consistent with its status as an independent contractor, will carry and will cause its subcontractors to carry, at least the following insurance, with companies authorized to do insurance business in the State of Texas or eligible surplus lines insurers operating in accordance with the Texas Insurance Code, having an A.M. THE PROVISIONS OF THIS SECTION WILL NOT BE CONSTRUED TO ELIMINATE OR REDUCE ANY OTHER INDEMNIFICATION OR RIGHT WHICH ANY INDEMNITEE HAS BY LAW OR EQUITY. ALL PARTIES WILL BE ENTITLED TO BE REPRESENTED BY COUNSEL AT THEIR OWN EXPENSE.

20.2 IN ADDITION, PREFERRED SUPPLIER WILL AND DOES HEREBY AGREE TO INDEMNIFY, PROTECT, DEFEND WITH COUNSEL APPROVED BY UT PARTY, AND HOLD HARMLESS INDEMNITEES FROM AND AGAINST ALL CLAIMS ARISING FROM INFRINGEMENT OR ALLEGED INFRINGEMENT OF ANY PATENT, COPYRIGHT, TRADEMARK OR OTHER PROPRIETARY INTEREST ARISING BY OR OUT OF THE PERFORMANCE OF SERVICES OR THE PROVISION OF

IN THE EVENT OF LITIGATION, UT PARTIES AGREE TO REASONABLY COOPERATE WITH PREFERRED SUPPLIER. ALL PARTIES WILL BE ENTITLED TO BE REPRESENTED BY COUNSEL AT THEIR OWN EXPENSE.

SECTION 21 – Ethics Matters; No Financial Interest:

Preferred Supplier and its employees, agents, representatives and subcontractors have read and understand UT System's Conflicts of Interest Policy available at <http://www.utsystem.edu/policy/policies/int160.html>, UT System's Standards of Conduct Guide available at <http://www.utsystem.edu/systemcompliance/>, and applicable state ethics laws and rules available at www.utsystem.edu/ogc/ethics. Neither Preferred Supplier nor its employees, agents, representatives or subcontractors will assist or cause UT Party's employees to violate UT System's Conflicts of Interest Policy, provisions described by UT System's Standards of Conduct Guide, or applicable state ethics laws or rules. Preferred Supplier represents and warrants that no member of the Board has a direct or indirect financial interest in the transaction that is the subject of this Agreement.

SECTION 22 – Assignment of Overcharge Claims:

Preferred Supplier hereby assigns to UT Party any and all claims for overcharges associated with this Agreement arising under the antitrust laws of the United States, 15 U.S.C.A., Sec. 1 et seq., or arising under the antitrust laws of the State of Texas, Business and Commerce Code, Sec. 15.01, et seq.

SECTION 23 – Assignment and Subcontracting:

Except as specifically provided in any Historically Underutilized Business Subcontracting Plan (“HSP”) attached as **Rider 500** and incorporated for all purposes, neither Preferred Supplier's interest in this Agreement, its duties and obligations under this Agreement nor fees due to Preferred Supplier under this Agreement may be subcontracted, assigned, delegated or otherwise transferred to a third party, in whole or in part, and any attempt to do so will (1) not be binding on UT Party; and (2) be a breach of this Agreement for which Preferred Supplier will be subject to any remedial actions provided by Texas law, including Chapter 2161, Texas Government Code, and 34 Texas Administrative Code (“TAC”) Section 20.14. UT Party may report nonperformance under this Agreement to the Texas Procurement and Support Services Division of the Texas Comptroller of Public Accounts or any successor agency (collectively, “TPSS”) in accordance with 34 TAC Chapter 20, Subchapter F, Vendor Performance and Debarment Program. The benefits and burdens of this Agreement are, however, assignable by UT Party.

SECTION 24 – Historically Underutilized Business Subcontracting Plan:

24.1 If an HSP is attached to this Agreement, Preferred Supplier agrees to use good faith efforts to subcontract the scope of work in accordance with the HSP. Preferred Supplier agrees to maintain business records documenting its compliance with the HSP and to submit a monthly compliance report to UT Party in the format required by the TPSS. Submission of compliance reports will be required as a condition for payment under this Agreement. If UT Party determines that Preferred Supplier has failed to subcontract as set out in the HSP, UT Party will notify Preferred Supplier of any deficiencies and give Preferred Supplier an opportunity to submit documentation and explain why the failure to comply with the HSP should not be attributed to a lack of good faith effort by Preferred Supplier. If UT Party determines

that Preferred Supplier failed to implement the HSP in good faith, UT Party, in addition to any other remedies, may report nonperformance to the TPSS in accordance with 34 TAC Chapter 20, Subchapter F, Vendor Performance and Debarment Program. UT Party may also revoke this Agreement for breach and make a claim against the Preferred Supplier.

24.2 If at any time during the term of this Agreement, Preferred Supplier desires to change the HSP, before the proposed changes become effective (1) Preferred Supplier must comply with 34 TAC Section 20.14; (2) the changes must be reviewed and approved by UT Party; and (3) if UT Party approves changes to the HSP, this Agreement must be amended in accordance with Section 2.5.3 to replace the HSP with the revised subcontracting plan.

24.3 If UT Party expands the scope of this Agreement through a change order or any other amendment, UT Party will determine if the additional scope of work contains probable subcontracting opportunities not identified in the initial solicitation for the scope of work. If UT Party determines additional probable subcontracting opportunities exist, Preferred Supplier will submit an amended subcontracting plan covering those opportunities. The amended subcontracting plan must comply with the provisions of 34 TAC Section 20.14 before (1) this Agreement may be amended to include the additional scope of work; or (2) Preferred Supplier may perform the additional scope of work. If Preferred Supplier subcontracts any of the additional subcontracting opportunities identified by UT Party without prior authorization and without complying with 34 TAC Section 20.14, Preferred Supplier will be deemed to be in breach of this Agreement under Section 4.19 and will be subject to any remedial actions provided by Texas law including Chapter 2161, Texas Government Code, and 34 TAC Section 20.14. UT Party may report nonperformance under this Agreement to the TPSS in accordance with 34 TAC Chapter 20, Subchapter F, Vendor Performance and Debarment Program.

SECTION 25 – Payment and Invoicing:

Institutional Participant agrees to pay fees due under this Agreement in accordance with the Texas Prompt Payment Act (“Act”), Chapter 2251, *Texas Government Code*. Pursuant to the Act, payment will be deemed late on the 31st day after the later of: 1) the date the performance is completed, or 2) the date Institutional Participant receives an invoice for the related goods or services. Institutional Participant will be responsible for interest on overdue payments equal to the sum of: 1) one percent, plus 2) the prime rate as published in the Wall Street Journal on the first day of July of the preceding fiscal year (Institutional Participant’s fiscal year begins September 1) that does not fall on a Saturday or Sunday. Institutional Participant will have the right to verify the details set forth in Preferred Supplier’s invoices and supporting documentation, either before or after payment, by (a) inspecting the books and records of Preferred Supplier at mutually convenient times; (b) examining any reports with respect to the related goods or services; and (c) other reasonable action.

Section 51.012, *Texas Education Code*, authorizes UT Party to make any payment through electronic funds transfer methods. Preferred Supplier agrees to receive payments from UT Party through electronic funds transfer methods, including the automated clearing house system (also known as ACH). Prior to the first payment under this Agreement, UT Party will confirm Preferred Supplier’s banking information. Any changes to Preferred Supplier’s banking information will be communicated by Preferred Supplier to UT Party in writing at least thirty (30) days in advance of the effective date of the change.

SECTION 26 – Limitations:

The parties to this Agreement are aware that there are constitutional and statutory limitations on the authority of UT Party (a state agency) to enter into certain terms and conditions of this Agreement,

including, but not limited to, those terms and conditions relating to disclaimers and limitations of warranties; disclaimers and limitations of liability for damages; waivers, disclaimers and limitations of legal rights, remedies, requirements and processes; limitations of periods to bring legal action; granting control of litigation or settlement to another party; liability for acts or omissions of third parties; payment of attorneys' fees; dispute resolution; indemnities; and confidentiality (collectively, the "**Limitations**"), and terms and conditions related to the Limitations will not be binding on UT Party except to the extent authorized by the laws and Constitution of the State of Texas.

SECTION 27 – Affirmative Action:

Preferred Supplier agrees that either a written copy of Preferred Supplier's Civil Rights "Affirmative Action Compliance Program" or, if Preferred Supplier is not required to have such a written program, the reason Preferred Supplier is not subject to such requirement, is attached to this Agreement as **Rider 600** and incorporated for all purposes.

SECTION 28 – OSHA Compliance:

Preferred Supplier represents and warrants that all products and services furnished under this Agreement meet or exceed the safety standards established and promulgated under the Federal Occupational Safety and Health Law (Public Law 91-598) and its regulations in effect or proposed as of the date of this Agreement.

SECTION 29 - Certifications of Nonsegregated Facilities and Equal Employment Opportunities Compliance:

Preferred Supplier certifies that, except for restrooms and wash rooms and one (1) or more lactation rooms each of which is segregated on the basis of sex: (1) it does not maintain or provide for its employees any segregated facilities at any of its establishments and that it does not permit its employees to perform their services at any location under its control where segregated facilities are maintained; (2) it will not maintain or provide for its employees any segregated facilities at any of its establishments; and (3) it will not permit its employees to perform their services at any location under its control where segregated facilities are maintained. Preferred Supplier agrees that a breach of this certification is a violation of the Equal Opportunity clause in this Agreement. The term "**segregated facilities**" means any waiting rooms, work area, rest rooms and wash rooms, entertainment areas, transportation, or housing facilities provided for employees which are segregated by explicit directive or are in fact segregated on the basis of race, color, religion, sex, or national origin, because of habit, local custom, or otherwise. Preferred Supplier further agrees that, except where it has contracts prior to the award with subcontractors exceeding \$10,000.00 which are not exempt from the provisions of the Equal Opportunity clause, Preferred Supplier will retain such certifications for each one of its subcontractors in Preferred Supplier's' files, and that it will forward the following notice to all proposed subcontractors (except where the proposed subcontractors have submitted identical certifications for specific time periods):

NOTICE TO PROSPECTIVE SUBCONTRACTORS OF REQUIREMENTS FOR CERTIFICATIONS OF NONSEGREGATED FACILITIES - A Certification on Nonsegregated Facilities must be submitted prior to the award of any subcontract exceeding \$10,000.00 which is not exempt from the provisions of the Equal Opportunity clause. The certification may be submitted either for each subcontract or for all subcontracts during a period (i.e. quarterly, semiannually, or annually).

Preferred Supplier understands that the penalty for making false statements regarding the subject matters of this Section is prescribed in 18 U.S.C. 1001.

SECTION 30 – Premises Rules:

If this Agreement requires Preferred Supplier's presence on UT Party's premises or in UT Party's facilities, Preferred Supplier agrees to cause its representatives, agents, employees and permitted subcontractors (if any) to become aware of, fully informed about, and in full compliance with all applicable UT Party rules and policies, including, without limitation, those relative to personal health, security, environmental quality, safety, fire prevention, noise, smoking, and access restrictions; consideration for students, patients and their families as well as employees; parking; and security.

SECTION 31 – Debarment:

Preferred Supplier confirms that neither Preferred Supplier nor its Principals are suspended, debarred, proposed for debarment, declared ineligible, or voluntarily excluded from the award of contracts from United States ("U.S.") federal government procurement or nonprocurement programs, or are listed in the List of Parties Excluded from Federal Procurement or Nonprocurement Programs issued by the U.S. General Services Administration. "**Principals**" means officers, directors, owners, partners, and persons having primary management or supervisory responsibilities within a business entity (e.g. general manager, plant manager, head of a subsidiary, division or business segment, and similar positions). Preferred Supplier will provide immediate written notification to UT Party if, at any time prior to award, Preferred Supplier learns that this certification was erroneous when submitted or has become erroneous by reason of changed circumstances. This certification is a material representation of fact upon which reliance will be placed when UT Party executes this Agreement. If it is later determined that Preferred Supplier knowingly rendered an erroneous certification, in addition to the other remedies available to UT Party, UT Party may terminate this Agreement for default by Preferred Supplier.

SECTION 32 – Office of Inspector General Certification:

Preferred Supplier acknowledges that UT Party is prohibited by federal regulations from allowing any employee, subcontractor, or agent of Preferred Supplier to work on site at UT Party premises or facilities if that individual is not eligible to work on federal healthcare programs such as Medicare, Medicaid, or other similar federal programs. Therefore, Preferred Supplier will not assign any employee, subcontractor or agent that appears on the List of Excluded Individuals issued by the United States Office of the Inspector General ("**OIG**") to work on site at UT Party premises or facilities. Preferred Supplier will perform an OIG sanctions check quarterly on each of its employees, subcontractors and agents during the time such employees, subcontractors and agents are assigned to work on site at UT Party premises or facilities. Preferred Supplier acknowledges that UT Party will require immediate removal of any employee, subcontractor or agent of Preferred Supplier assigned to work at UT Party premises or facilities if such employee, subcontractor or agent is found to be on the OIG's List of Excluded Individuals. The OIG's List of Excluded Individuals may be accessed through the following Internet website: <http://www.dhhs.gov/progorg/oig/cumsan/index.htm>.

SECTION 33 – Termination:

33.1 In the event of a material failure by either party to perform in accordance with the terms of this Agreement ("**default**"), the other, non-defaulting party may terminate this Agreement upon thirty (30) days' written notice of termination setting forth the nature of the material failure. The termination will not be effective if the material failure is fully cured prior to the end of the 30-day period. No such termination

will relieve the defaulting party from liability for the underlying default or breach of this Agreement or any other act or omission.

33.2 UT System may terminate this Agreement, without cause, upon written notice to Preferred Supplier; provided, however, this Agreement will not terminate until the later of (1) 90 days after receipt of notice of termination, or (2) the date that performance is complete under all purchase orders issued by Institutional Participant to Preferred Supplier prior to receipt of notice of termination. Institutional Participant may not issue any purchase orders after receipt of notice of termination. Termination of this Agreement will not relieve any party from liability for its default under or breach of this Agreement or any other act or omission of that party. In the event that this Agreement is terminated, then within thirty (30) days after termination, Preferred Supplier will reimburse UT Party for all fees paid by UT Party to Preferred Supplier that were (a) not earned by Preferred Supplier prior to termination, or (b) for goods or services that UT Party did not receive from Preferred Supplier prior to termination.

33.3 UT System or Institutional Participant may terminate an IPA, without cause, upon written notice to Preferred Supplier; provided, however, the IPA will not terminate until the later of (1) thirty (30) days after receipt of notice of termination, or (2) the date that performance is complete under all purchase orders issued by Institutional Participant to Preferred Supplier prior to receipt of notice of termination. Institutional Participant may not issue any purchase orders after receipt of notice of termination. Termination of an IPA will not relieve any party from liability for its default under or breach of the IPA or any other act or omission of that party. In the event that an IPA is terminated, then within thirty (30) days after termination, Preferred Supplier will reimburse Institutional Participant for all fees paid by Institutional Participant to Preferred Supplier that were (a) not earned by Preferred Supplier prior to termination, or (b) for goods or services that Institutional Participant did not receive from Preferred Supplier prior to termination.

SECTION 34 – Authority:

The individuals executing this Agreement on behalf of each party have been duly authorized to act for and bind the party they represent.

SECTION 35 – Survival of Provisions:

Expiration or termination of this Agreement will not relieve either party of any obligations under this Agreement that by their nature survive such expiration or termination.

SECTION 36 – Confidentiality; Press Releases; Public Information:

36.1 Confidentiality and Safeguarding of UT Party Records. Under this Agreement, Preferred Supplier may (1) create, (2) receive from or on behalf of UT Party, or (3) have access to, UT Party's records or record systems (collectively, "**UT Party Records**"). However, it is expressly agreed that UT Party will not provide to Preferred Supplier, and Preferred Supplier will never seek to access, any UT Party Records that contain personally identifiable information regarding any individual that is not available to any requestor under the *Texas Public Information Act*, Chapter 552, Texas Government Code, including "directory information" of any student who has opted to prohibit the release of their "directory information" as that term is defined under the Family Educational Rights and Privacy Act, 20 U.S.C. §1232g ("**FERPA**") and its implementing regulations. Preferred Supplier represents, warrants, and agrees that it will: (1) hold UT Party Records in strict confidence and will not use or disclose UT Party Records except as (a) permitted or required by this Agreement, (b) required by Applicable Laws, or (c) otherwise authorized by UT Party in writing; (2) safeguard UT Party Records according to reasonable administrative, physical and technical standards (such as standards established by the National Institute

of Standards and Technology and the Center for Internet Security, as well as Payment Card Industry Data Security Standards) that are no less rigorous than the standards by which Preferred Supplier protects its own confidential information; (3) continually monitor its operations and take any action necessary to assure that UT Party Records are safeguarded and the confidentiality of UT Party Records is maintained in accordance with all Applicable Laws and the terms of this Agreement; and (4) comply with UT Party Rules regarding access to and use of UT Party's computer systems, including UTS 165 at <http://www.utsystem.edu/bor/procedures/policy/policies/uts165.html>. At the request of UT Party, Preferred Supplier agrees to provide UT Party with a written summary of the procedures Preferred Supplier uses to safeguard and maintain the confidentiality of UT Party Records.

36.2 Notice of Impermissible Use. If an impermissible use or disclosure of any UT Party Records occurs, Preferred Supplier will provide written notice to UT Party within one (1) business day after Preferred Supplier's discovery of that use or disclosure. Preferred Supplier will promptly provide UT Party with all information requested by UT Party regarding the impermissible use or disclosure.

36.3 Return of UT Party Records. Preferred Supplier agrees that within thirty (30) days after the expiration or termination of this Agreement, for any reason, all UT Party Records created or received from or on behalf of UT Party will be (1) returned to UT Party, with no copies retained by Preferred Supplier; or (2) if return is not feasible, destroyed. Twenty (20) days before destruction of any UT Party Records, Preferred Supplier will provide UT Party with written notice of Preferred Supplier's intent to destroy UT Party Records. Within five (5) days after destruction, Preferred Supplier will confirm to UT Party in writing the destruction of UT Party Records.

36.3 Disclosure. If Preferred Supplier discloses any UT Party Records to a subcontractor or agent, Preferred Supplier will require the subcontractor or agent to comply with the same restrictions and obligations as are imposed on Preferred Supplier by this **Section 36**.

36.4 Press Releases. Preferred Supplier will not make any press releases, public statements, or advertisement referring to this Agreement, or release any information relative to this Agreement for publication, advertisement or any other purpose, without the prior written approval of UT Party.

36.5 Public Information. UT Party strictly adheres to all statutes, court decisions and the opinions of the Texas Attorney General with respect to disclosure of public information under the *Texas Public Information Act* ("TPIA"), Chapter 552, *Texas Government Code*. In accordance with Section 552.002 of TPIA and Section 2252.907, *Texas Government Code*, and at no additional charge to UT Party, Preferred Supplier will make any information created or exchanged with UT Party pursuant to this Agreement (and not otherwise exempt from disclosure under TPIA) available in a format reasonably requested by UT Party that is accessible by the public.

36.6 Termination. In addition to any other termination rights set forth in this Agreement, and any other rights at law or equity, if UT Party reasonably determines that Preferred Supplier has breached any of the restrictions or obligations set forth in this Section, UT Party may immediately terminate this Agreement without notice or opportunity to cure.

36.7 Duration. The restrictions and obligations under this Section will survive expiration or termination of this Agreement for any reason.

SECTION 37 – Tax Exemption

UT Party may be an agency of the State of Texas or other non-profit entity and may be exempt from certain state taxes under various exemption statutes, including Texas Sales & Use Tax in accordance with Section 151.309, *Tax Code*, and Title 34 *Texas Administrative Code* (“**TAC**”) Section 3.322. Notwithstanding its exemption from certain state taxes, UT Party will be responsible for any taxes (except corporate income taxes, franchise taxes, and taxes on Preferred Supplier’s personnel, including personal income tax and social security taxes) from which UT Party is not exempt. Preferred Supplier will provide reasonable cooperation and assistance to UT Party in obtaining any tax exemptions to which UT Party is entitled.

SECTION 38 – Undocumented Workers:

The *Immigration and Nationality Act* (8 *United States Code* 1324a) (“**Immigration Act**”) makes it unlawful for an employer to hire or continue employment of undocumented workers. The United States Immigration and Customs Enforcement Service has established the Form I-9 Employment Eligibility Verification Form (“**I-9 Form**”) as the document to be used for employment eligibility verification (8 *Code of Federal Regulations* 274a). Among other things, Preferred Supplier is required to: (1) have all employees complete and sign the I-9 Form certifying that they are eligible for employment; (2) examine verification documents required by the I-9 Form to be presented by the employee and ensure the documents appear to be genuine and related to the individual; (3) record information about the documents on the I-9 Form, and complete the certification portion of the I-9 Form; and (4) retain the I-9 Form as required by law. It is illegal to discriminate against any individual (other than a citizen of another country who is not authorized to work in the United States) in hiring, discharging, or recruiting because of that individual's national origin or citizenship status. If Preferred Supplier employs unauthorized workers during performance of this Agreement in violation of the Immigration Act then, in addition to other remedies or penalties prescribed by law, UT Party may terminate this Agreement in accordance with Section 4.31. Preferred Supplier represents and warrants that it is in compliance with and agrees that it will remain in compliance with the provisions of the Immigration Act.

SECTION 39 – No Required Quantities or Minimum Amounts:

Preferred Supplier understands that this Agreement does not obligate UT Party to purchase any specific amount of goods or services from Preferred Supplier under this Agreement or otherwise. For example, this Agreement does not establish any minimum quantity or minimum dollar amount of goods or services that UT Party must purchase from Preferred Supplier during the term of this Agreement.

SECTION 40 – Access by Individuals with Disabilities:

Preferred Supplier represents and warrants (“**EIR Accessibility Warranty**”) that the electronic and information resources and all associated information, documentation, and support that it provides under this Agreement (collectively, the “**EIRs**”) comply with the applicable requirements set forth in Title 1, Chapter 213, *Texas Administrative Code*, and Title 1, Chapter 206, Rule §206.70, *Texas Administrative Code* (as authorized by Chapter 2054, Subchapter M, *Government Code*). To the extent Preferred Supplier becomes aware that the EIRs, or any portion thereof, do not comply with the EIR Accessibility Warranty, then Preferred Supplier represents and warrants that it will, at no cost to UT Party, either (1) perform all necessary remediation to make the EIRs satisfy the EIR Accessibility Warranty or (2) replace the EIRs with new EIRs that satisfy the EIR Accessibility Warranty. In the event Preferred Supplier fails or is unable to do so, UT Party may terminate this Agreement, and Preferred Supplier will

refund to UT Party all amounts UT Party has paid under this Agreement within thirty (30) days after the termination date.

SECTION 41 – Background Checks:

Preferred Supplier will not knowingly assign any individual to provide services on a UT Party's campus if the individual has a history of criminal conduct unacceptable for a university campus or healthcare center, including violent or sexual offenses. If requested by any UT Party to comply with its policy, Preferred Supplier will perform appropriate criminal background checks on each individual who will provide such services on the UT Party's campus.

SECTION 42 – Entire Agreement; Modifications:

This Agreement supersedes all prior agreements, written or oral, between Preferred Supplier and UT System and will constitute the entire agreement and understanding between the parties with respect to the subject matter of this Agreement. This Agreement and each of its provisions will be binding upon the parties and may not be waived, modified, amended or altered except by a writing signed by UT System and Preferred Supplier.

SECTION 43 – Captions:

The captions of sections and subsections in this Agreement are for convenience only and will not be considered or referred to in resolving questions of interpretation or construction.

SECTION 44 – Waivers:

No delay or omission in exercising any right accruing upon a default in performance of this Agreement will impair any right or be construed to be a waiver of any right. A waiver of any default under this Agreement will not be construed to be a waiver of any subsequent default under this Agreement.

SECTION 45 – Binding Effect:

This Agreement will be binding upon and inure to the benefit of the parties hereto and their respective permitted assigns and successors.

SECTION 46 – Limitations of Liability:

Except for UT Party's obligation (if any) to pay Preferred Supplier certain fees and expenses, UT Party will have no liability to Preferred Supplier or to anyone claiming through or under Preferred Supplier by reason of the execution or performance of this Agreement. Notwithstanding any duty or obligation of UT Party to Preferred Supplier or to anyone claiming through or under Preferred Supplier, no present or future affiliated enterprise, subcontractor, agent, officer, director, employee, representative, attorney or regent of UT Party, or anyone claiming under UT Party has or will have any personal liability to Preferred Supplier or to anyone claiming through or under Preferred Supplier by reason of the execution or performance of this Agreement.

SECTION 47 – Relationship of the Parties:

For all purposes of this Agreement and notwithstanding any provision of this Agreement to the contrary, Preferred Supplier is an independent contractor and is not a state employee, partner, joint venturer, or agent of UT Party. Preferred Supplier will not bind nor attempt to bind UT Party to any agreement or

contract. As an independent contractor, Preferred Supplier is solely responsible for all taxes, withholdings, and other statutory or contractual obligations of any sort, including workers' compensation insurance.

SECTION 48 – Severability:

In case any provision of this Agreement will, for any reason, be held invalid or unenforceable in any respect, the invalidity or unenforceability will not affect any other provision of this Agreement, and this Agreement will be construed as if the invalid or unenforceable provision had not been included.

SECTION 49 – External Terms:

This Agreement completely supplants, replaces, and overrides all other terms and conditions or agreements, written or oral ("**External Terms**"), concerning Preferred Supplier's performance under this Agreement. Such External Terms are null and void and will have no effect under this Agreement, regardless of whether UT Party or any of its employees, contractors, or agents consents or agrees to External Terms. Institutional Participants may elect to establish a local level SRM program by separate agreement with Preferred Supplier.

2.0 Quarterly Business Reviews

2.2 QBR Meeting Reports and Metrics

Preferred Supplier will prepare and deliver to the UT System Contract Administrator for review at each QBR a report of the Key Performance Indicators. The Key Performance Indicator report will be provided both in the aggregate, reflecting the total score for all Institutional Participants, and also will be reported separately for each Institutional Participant.

An advance copy of the Key Performance Indicator Report will be sent to the UT System Contract Administrator no less than ten (10) days prior to the scheduled QBR meeting date.

All report requirements may be modified by Institutional Participants within Preferred Supplier's reasonable capabilities to meet local requirements and service levels. Metrics may be revised upon mutual agreement between Preferred Supplier and the UT System Contract Administrator or the applicable Institutional Participant.

3.0 Preferred Supplier Evaluation and Rating

No less than once each quarter the UT System Contract Administrator will prepare and present to Preferred Supplier a scorecard of Preferred Supplier's performance based on their measured results under each of the KPIs for the preceding quarter. The scorecard will be presented and reviewed by Preferred Supplier and the UT System Contract Administrator during each QBR.

After the initial Agreement implementation period of six (6) months starting on the Effective Date, Preferred Supplier must obtain a minimum composite score of 90 from UT System for each quarter during the remaining term of this Agreement.

4.0 Corrective Action Plan

UT System will notify Preferred Supplier during a QBR if Preferred Supplier receives a score of less than 90% during the previous quarter for (1) any KPI or (2) its overall score

Within fifteen (15) calendar days after receipt of such notice, Preferred Supplier will provide UT System with a written corrective action plan (“**CAP**”) acceptable to UT System to address such unacceptable scores. At a minimum, the CAP will address Preferred Supplier’s performance issues resulting in unacceptable score(s) and contain a root cause analysis of the problems causing such performance issue, proposed solutions to those problems, proposed process modifications to prevent reoccurrence of such problems, a time frame for Preferred Supplier’s implementation of the proposed solutions and process modifications, and the person(s) who will be responsible for Preferred Supplier’s implementation of the CAP. The CAP will be presented to the UT System Contract Administrator for concurrence prior to implementation. Concurrence with the CAP by the UT System Contract Administrator will not be unreasonably withheld or delayed. Concurrence with the CAP will not constitute a waiver by UT System to exercise its rights regarding remedies.

5.0 Corrective Action and Remedies

If Preferred Supplier’s implementation of the CAP does not result in a minimum composite score of 85 or better, or if two (2) or more KPI’s remain with a score of zero (“0”), during each subsequent calendar quarter, UT System may, at its sole discretion:

- permit Preferred Supplier to submit a further CAP, or
- exercise other remedies available under this Agreement or applicable law.

APPENDIX FOUR

ACCESS BY INDIVIDUALS WITH DISABILITIES

Access by Individuals with Disabilities. Preferred Supplier represents and warrants (“**EIR Accessibility Warranty**”) that the electronic and information resources and all associated information, documentation, and support that it provides under this Agreement (collectively, the “**EIRs**”) comply with the applicable requirements set forth in Title 1, Chapter 213, *Texas Administrative Code*, and Title 1, Chapter 206, Rule §206.70, *Texas Administrative Code* (as authorized by Chapter 2054, Subchapter M, *Government Code*). To the extent Preferred Supplier becomes aware that the EIRs, or any portion thereof, do not comply with the EIR Accessibility Warranty, then Preferred Supplier represents and warrants that it will, at no cost to UT Party, either (1) perform all necessary remediation to make the EIRs satisfy the EIR Accessibility Warranty or (2) replace the EIRs with new EIRs that satisfy the EIR Accessibility Warranty. In the event Preferred Supplier fails or is unable to do so, UT Party may terminate this Agreement, and Preferred Supplier will refund to UT Party all amounts UT Party has paid under this Agreement within thirty (30) days after the termination date.

**POLICY ON UTILIZATION OF
HISTORICALLY UNDERUTILIZED BUSINESSES (HUBs)**

Introduction

In accordance with the Texas Government Code, Sections 2161.181-182 and Title 34, Section 20.13 of the Texas Administrative Code (TAC), The Board of Regents of the University of Texas System, acting through the Office of HUB Development shall make a good faith effort to utilize Historically Underutilized Businesses (HUBs) in contracts for construction services, including professional and consulting services; and commodities contracts. The HUB Rules promulgated by the Texas Comptroller of Public Accounts (the “Texas Comptroller”), set forth in 34 TAC Sections 20.10-20.28, encourage the use of HUBs by implementing these policies through race-, ethnic- and gender-neutral means.

The purpose of the HUB Program is to promote full and equal business opportunities for all businesses in State contracting in accordance with the following goals as specified in the State of Texas Disparity Study:

- **11.2% for heavy construction other than building contracts;**
- **21.1% for all building construction, including general contractors and operative builders contracts;**
- **32.7% for all special trade construction contracts;**
- **23.6% for professional services contracts**
- **24.6% for all other services contracts, and**
- **21% for commodities contracts.**

The University of Texas System shall make a good faith effort to meet or exceed these goals to assist HUBs in receiving a portion of the total contract value of all contracts that U. T. System expects to award in a fiscal year. The University of Texas System may achieve the annual program goals by contracting directly with HUBs or indirectly through subcontracting opportunities in accordance with the Texas Government Code, Chapter 2161, Subchapter F.

NOTE:

In accordance with 34 TAC §20.13 (d) (1)(D)(iii), the goals above are the State of Texas HUB goals. For purposes of this procurement, the University of Texas System goals listed in the Special Instructions on page 10 will apply.

SUMMARY OF REQUIREMENTS
Historically Underutilized Business (HUBs) Subcontracting Plan

It is the policy of The University of Texas System and each of its component institutions, to promote and encourage contracting and subcontracting opportunities for Historically Underutilized Businesses (HUBs) in all contracts. Accordingly, The University of Texas System has adopted “**EXHIBIT H, Policy on Utilization of Historically Underutilized Businesses**”. The Policy applies to all contracts with an expected value of \$100,000 or more. The Board of Regents of The University of Texas System is the contracting authority.

1. In all contracts for professional services, contracting services, and/or commodities with an expected value of \$100,000 or more, The University of Texas System (“U. T. System” or the “University”) will indicate in the purchase solicitation (e.g. RFQ, RFP, or CSP) whether or not U. T. System has determined that subcontracting opportunities are probable in connection with the contract. A HUB Subcontracting Plan is a required element of the architect, contractor or vendor Response to the purchase solicitation. The HUB Subcontracting Plan shall be developed and administered in accordance with the Policy. **Failure to submit a required HUB Subcontracting Plan will result in rejection of the Response.**
2. If subcontracting opportunities are probable, U. T. System will declare such probability in its invitations for bids, requests for proposals, or other purchase solicitation documents, and shall require submission of the appropriate HUB Subcontracting Plan with the Response.
 - a. When subcontracting opportunities are probable, and the Respondent proposes to subcontract any part of the work, the Respondent shall submit a **HUB Subcontracting Plan as prescribed by the Texas Comptroller** identifying subcontractors **[[34 TAC §20.14 (d) (1)(A)(B)(C)(D) (i)(ii)(iii)(2)(3)(A)(B)(C)(D)(E)(F)(4)(A)(B)].**
 - b. When subcontracting opportunities are probable, but the Respondent can perform such opportunities with its employees and resources, the Respondent’s HUB Subcontracting Plan shall include **the Self Performance HUB Subcontracting Plan, Section 3 – Self Performance Justification as the HUB Subcontracting Plan (HSP).** **[34 TAC §20.14 (d)(5)(A)(B)(C)(D)].**
3. If subcontracting opportunities are not probable, U. T. System will declare such probability in its invitations for bids, requests for proposals, or other purchase solicitation documents and shall require submission of the appropriate HUB Subcontracting Plan with the Response.
 - a. When subcontracting opportunities are not probable, and the Respondent proposes to perform all of the work with its employees and resources, the Respondent shall submit a HUB Subcontracting Plan that includes **the Self Performance HUB Subcontracting Plan, Section 3 – Self Performance Justification as the HUB Subcontracting Plan (HSP).**
 - b. When subcontracting opportunities are not probable, but the Respondent proposes to subcontract any part of the work, the Respondent shall submit a **HUB Subcontracting Plan as prescribed by the Texas Comptroller** identifying subcontractors.
4. Respondents shall follow, but are not limited to, procedures listed in the Policy when developing a HUB Subcontracting Plan.
5. In making a determination whether a good faith effort has been made in the development of the required HUB Subcontracting Plan, U. T. System shall follow the procedures listed in the Policy. If accepted by the University, the HUB Subcontracting Plan shall become a provision of the Respondent’s contract with the University of Texas System. **Revisions necessary to clarify and enhance information submitted in the original HUB subcontracting plan may be made in an effort to determine good faith effort.** Any revisions after the submission of the HUB Subcontracting Plan shall be approved by the HUB Coordinator.
6. The University of Texas System shall reject any Response that does not include a fully completed HUB Subcontracting Plan, as required. **An incomplete HUB Subcontracting Plan is considered a material failure to comply with the solicitation for proposals.**

7. Changes to the HUB Subcontracting Plan. Once a Respondent's HUB Subcontracting Plan is accepted by U. T. System and becomes a provision of the contract between Respondent and U. T. System, the Respondent can only change that HUB Subcontracting Plan if (a) the Respondent complies with 34 TAC Section 20.14; (b) the Respondent provides its proposed changes to U. T. System for review; (c) U. T. System (including U. T. System's HUB Coordinator) approves Respondent's proposed changes to its HUB Subcontracting Plan; and (d) U. T. System and the Respondent amend their contract (via a writing signed by authorized officials of both parties) in order to replace the contract's existing HUB Subcontracting Plan with a revised HUB Subcontracting Plan containing the changes approved by U. T. System.
8. Expansion of Work. If, after entering into a contract with a Respondent as a result of a purchase solicitation subject to the Policy, U. T. System wishes to expand the scope of work that the Respondent will perform under that contract through a change order or any other contract amendment (the "Additional Work"), U. T. System will determine if the Additional Work contains probable subcontracting opportunities not identified in the initial purchase solicitation for that contract. If U. T. System determines that probable subcontracting opportunities exist for the Additional Work, then the Respondent must submit to U. T. System an amended HUB Subcontracting Plan covering those opportunities that complies with the provisions of 34 TAC Section 20.14. Such an amended HUB Subcontracting Plan must be approved by U. T. System (including U. T. System's HUB Coordinator) before (a) the contract may be amended by U. T. System and the Respondent to include the Additional Work and the amended HUB Subcontracting Plan and (b) the Respondent performs the Additional Work. If a Respondent subcontracts any of the additional subcontracting opportunities identified by U. T. System for any Additional Work (i) without complying with 34 TAC Section 20.14 or (ii) before U. T. System and that Respondent amend their contract to include a revised HUB Subcontracting Plan that authorizes such subcontracting, then the Respondent will be deemed to be in breach of its contract with U. T. System. As a result of such breach, U. T. System will be entitled to terminate its contract with the Respondent, and the Respondent will be subject to any remedial actions provided by Texas law, including those set forth in Chapter 2161, Texas Government Code, and 34 TAC Section 20.14. University may report a Respondent's nonperformance under a contract between that Respondent and U. T. System to the Texas Comptroller in accordance with 34 TAC Sections 20.101 through 20.108.
9. A Response may state that the Respondent intends to perform all the subcontracting opportunities with its own employees and resources in accordance with the Policy. However, if such a Respondent enters into a contract with U. T. System as a result of such a Response but later desires to subcontract any part of the work set forth in that contract, before the Respondent subcontracts such work it must first change its HUB Subcontracting Plan in accordance with the provisions of Section 7 above .
10. The University shall require a vendor to whom a contract has been awarded to report the identity and the amount paid to its subcontractors on a monthly basis using a **HUB Subcontracting Plan (HSP) Prime Contractor Progress Assessment Report (PAR)** as a condition for payment.
11. If the University determines that the successful Respondent failed to implement an approved HUB Subcontracting Plan in good faith, the University, in addition to any other remedies, may report nonperformance to the Texas Comptroller in accordance with 34 TAC, Section 20.14, (g)(1) related remedies of nonperformance to professional services firms, contractor, and vender implementation of the HUB Subcontracting Plan.
12. In the event of any conflict between this "Summary of Requirements" and the remainder of the HUB Policy, the remainder of the HUB Policy will control.
13. These requirements, including the attachments referred to above, may be downloaded over the Internet from <http://www.utsystem.edu/hub/hubforms.html>. For additional information contact Office of HUB Development, The University of Texas System Administration, 512/499-4530.

**Continuous Contract: Any existing written agreement (including any renewals that are exercised) between a prime contractor and a HUB vendor, where the HUB vendor provides the prime contractor with goods or service under the same contract for a specified period of time. The frequency the HUB vendor is utilized or paid during the term of the contract is not relevant to whether the contract is considered continuous. Two or more contracts that run concurrently or overlap one another for different periods of time are considered by CPA to be individual contracts rather than renewals or extensions to the original contract. In such situations the prime contractor and HUB vendor are entering (have entered) into "new" contracts.*

The notice must specify at a minimum the contracting agency's name and its point of contact for the contract, the contract award number, the subcontracting opportunity they (the subcontractor) will perform, the approximate dollar value of the subcontracting opportunity and the expected percentage of the total contract that the subcontracting opportunity represents. - The respondent must submit monthly compliance reports (Prime Contractor Progress Assessment Report – PAR) to the contracting agency, verifying its compliance with the HSP, including the use of and expenditures made to its subcontractors (HUBs and Non-HUBs). (The PAR is available at <http://www.window.state.tx.us/procurement/prog/hub/hub-forms/progressassessmentrpt.xls>).

If the HSP is modified without the contracting agency's prior approval, respondent may be subject to any and all enforcement remedies available under the contract or otherwise available by law, up to and including debarment from all state contracting.
- The respondent must, upon request, allow the contracting agency to perform on-site reviews of the company's headquarters and/or work-site where services are being performed and must provide documentation regarding staffing and other resources.

SECTION B-3 NOTIFICATION OF SUBCONTRACTING OPPORTUNITY

When completing this section you MUST comply with items a, b, c and d, thereby demonstrating your Good Faith Effort of having notified Texas certified HUBs and minority or women trade organizations or development centers about the subcontracting opportunity you listed in SECTION B-1. Your notice should include the scope of work, information regarding the location to review plans and specifications, bonding and insurance requirements, required qualifications, and identify a contact person. When sending notice of your subcontracting opportunity, you are encouraged to use the attached HUB Subcontracting Opportunity Notice form, which is also available online at <http://www.window.state.tx.us/procurement/prog/hub/hub-subcontracting-plan/>

Retain supporting documentation (i.e., certified letter, fax, e-mail) demonstrating evidence of your good faith effort to notify the Texas certified HUBs and minority or women trade organizations or development centers. Also, be mindful that a working day is considered a normal business day of a state agency, not including weekends, federal or state holidays, or days the agency is declared closed by its executive officer. The initial day the subcontracting opportunity notice is sent/provided to the HUBs and to the minority or women trade organizations or development centers is considered to be "day zero" and does not count as one of the seven (7) working days.

- a. Provide written notification of the subcontracting opportunity you listed in SECTION B-1, to three (3) or more Texas certified HUBs. Unless the contracting agency specified a different time period, you must allow the HUBs at least seven (7) working days to respond to the notice prior to your submitting your bid response to the contracting agency. When searching for Texas certified HUBs, ensure that you use the State of Texas' Centralized Master Bidders List (CMBL) and Historically Underutilized Business (HUB) Search directory located at <http://www.window.state.tx.us/procurement/cmb/cmbhub.html>. HUB Status code "A" signifies that the company is a Texas certified HUB.
- b. List the three (3) Texas certified HUBs you notified regarding the subcontracting opportunity you listed in SECTION B-1. Include the company's Vendor ID (VID) number, the date you sent notice to that company, and indicate whether it was responsive or non-responsive to your subcontracting opportunity notice.

- c. Provide written notification of the subcontracting opportunity you listed in SECTION B-1 to two (2) or more minority or women trade organizations or development centers in Texas to assist in identifying potential HUBs by disseminating the subcontracting opportunity to their members/participants. Unless the contracting agency specified a different time period, you must provide your subcontracting opportunity notice to minority or women trade organizations or development centers at least seven (7) working days prior to submitting your bid response to the contracting agency. A list of trade organizations and development centers that have expressed an interest in receiving notices of subcontracting opportunities is available on the Statewide HUB Program's webpage at <http://www.window.state.tx.us/procurement/prog/hub/mwb-links-1/>
- d. List two (2) minority or women trade organizations or development centers you notified regarding the subcontracting opportunity you listed in SECTION B-1. Include the date when you sent notice to it and indicate if it accepted or rejected your notice.

HUB Subcontracting Opportunity Notification Form

In accordance with Texas Gov't Code, Chapter 2161, each state agency that considers entering into a contract with an expected value of \$100,000 or more shall, before the agency solicits bids, proposals, offers, or other applicable expressions of interest, determine whether subcontracting opportunities are probable under the contract. The state agency I have identified below in **Section B** has determined that subcontracting opportunities are probable under the requisition to which my company will be responding.

34 Texas Administrative Code, §20.14 requires all respondents (prime contractors) bidding on the contract to provide notice of each of their subcontracting opportunities to at least three (3) Texas certified HUBs (who work within the respective industry applicable to the subcontracting opportunity), and allow the HUBs at least seven (7) working days to respond to the notice prior to the respondent submitting its bid response to the contracting agency. In addition, the respondent must provide notice of each of its subcontracting opportunities to two (2) or more minority or women trade organizations or development centers at least seven (7) working days prior to submitting its bid response to the contracting agency.

We respectfully request that vendors interested in bidding on the subcontracting opportunity scope of work identified in **Section C, Item 2**, reply no later than the date and time identified in **Section C, Item 1**. Submit your response to the point-of-contact referenced in **Section A**.
