INTRODUCTION

1.1 Description of The University of Texas System

For more than 130 years, The University of Texas System has been committed to improving the lives of Texans and people all over the world through education, research and health care.

The University of Texas System is one of the nation's largest systems of higher education, with [14 institutions](#) that educate more than 230,000 students. Each year, UT institutions award more than one-third of all undergraduate degrees in Texas and almost two-thirds of all health professional degrees. With about 20,000 faculty – including Nobel laureates – and more than 80,000 health care professionals, researchers, student advisors and support staff, the UT System is one of the largest employers in the state.

Life-changing research and invention of new technologies at UT institutions places the UT System among the [top 10 “World’s Most Innovative Universities,”](#) according to Reuters. The UT System [ranks eighth in the nation in patent applications](#), and because of the high caliber of scientific research conducted at UT institutions, the UT System is ranked No. 1 in Texas and No. 3 in the nation in federal research expenditures.

In addition, the UT System is home to three of the nation's National Cancer Institute Cancer Centers – UT MD Anderson, UT Southwestern and UT Health Science Center-San Antonio – which must meet rigorous criteria for world-class programs in cancer research. And the UT System is the only System in the country to have four Clinical and Translational Science Awards (CTSA) from the National Institutes of Health.

Transformational initiatives implemented over the past several years have cemented UT as a national leader in higher education, including the expansion of educational opportunities in South Texas with the opening of The University of Texas Rio Grande Valley in 2015. And UT was the only system of higher education in the nation that established not one, but two new medical schools in 2016 at The University of Texas at Austin and UT Rio Grande Valley.

University of Texas institutions are setting the standard for excellence in higher education and will continue to do so thanks to our generous donors and the leadership of the [Chancellor](#), [Board of Regents](#) and [UT presidents](#).

1.2 Background and Special Circumstances

UTS and its fourteen (14) institutions (the “**Institutions**”) operate in a highly competitive academic, research, and healthcare environment. Loss of critical functions, unplanned shutdowns, or delayed restoration of operations could have a significant adverse impact on UTS and its Institutions. If an initial spill and emergency response assessment reveals conditions that will require spill and emergency response efforts that are beyond UTS's and the Institutions' abilities, contractual agreements with qualified and experienced companies may be necessary. The Institutions, their locations and the individuals responsible for spill and emergency response at each institution are listed in **EXHIBIT TWO (Agreement: see Appendix 1)** attached to this

Request for Proposal for the Selection of Vendor to Provide Spill and Emergency Response Services for the Board of Regents of the University of Texas System No. **720-1921** (this "RFP") and incorporated for all purposes. One or more of the Institutions may elect not to use any contract that results from this RFP. NEITHER UTS NOR THE INSTITUTIONS WARRANT OR REPRESENT ANY EXPENDITURE OR ANY GUARANTEED MINIMUM EXPENDITURE UNDER ANY CONTRACT RESULTING FROM THIS RFP.

1.3 Objective of Request for Proposal

The University of Texas System is soliciting proposals in response to this Request for Proposal No.720-1921 (this "RFP"), from qualified vendors to provide Spill Response services (the "Services") more specifically described in **Section 5** of this RFP.

1.4 Group Purchase Authority

Texas law authorizes institutions of higher education (defined by [§61.003, Education Code](#)) to use the group purchasing procurement method (ref. §§[51.9335](#), [73.115](#), and [74.008](#), *Education Code*). Additional Texas institutions of higher education may therefore elect to enter into a contract with the successful Proposer under this RFP. In particular, Proposer should note that University is part of The University of Texas System (**UT System**), which is comprised of fourteen institutions described at <http://www.utsystem.edu/institutions>. UT System institutions routinely evaluate whether a contract resulting from a procurement conducted by one of the institutions might be suitable for use by another, and if so, this RFP could give rise to additional purchase volumes. As a result, in submitting its proposal, Proposer should consider proposing a pricing model and other commercial terms that take into account the higher volumes and other expanded opportunities that could result from the eventual inclusion of other institutions in the purchase contemplated by this RFP. Any purchases made by other institutions based on this RFP will be the sole responsibility of those institutions.

SECTION 2

NOTICE TO PROPOSER

2.1 Submittal Deadline

University will accept proposals submitted in response to this RFP until 2:30 p.m., Central Standard Time (“**CST**”) on Wednesday, May 29th, 2019 (the “**Submittal Deadline**”).

2.4 Historically Underutilized Businesses

- 2.4.1 All agencies of the State of Texas are required to make a good faith effort to assist historically underutilized businesses (each a “HUB”) in receiving contract awards. The goal of the HUB program is to promote full and equal business opportunity for all businesses in contracting with state agencies. Pursuant to the HUB program, if under the terms of any agreement or contractual arrangement resulting from this RFP, Contractor subcontracts any of the Services, then Contractor must make a good faith effort to utilize HUBs certified by the Procurement and Support Services Division of the Texas Comptroller of Public Accounts. Proposals that fail to comply with the requirements contained in this **Section 2.5** will constitute a material failure to comply with advertised specifications and will be rejected by University as non-responsive. Additionally, compliance with good faith effort guidelines is a condition precedent to awarding any agreement or contractual arrangement resulting from this RFP. Proposer acknowledges that, if selected by University, its obligation to make a good faith effort to utilize HUBs when subcontracting any of the Services will continue throughout the term of all agreements and contractual arrangements resulting from this RFP. Furthermore, any subcontracting of the Services by Proposer is subject to review by University to ensure compliance with the HUB program.
- 2.4.2 University has reviewed this RFP in accordance with [Title 34, Texas Administrative Code, Section 20.285](#), and has determined that subcontracting opportunities (HUB and/or Non-HUB) are probable under this RFP. The HUB participation goal for this RFP is **26%**.
- 2.4.3 A HUB Subcontracting Plan (“HSP”) is required as part of, *but submitted separately from*, Proposer’s proposal. The HSP will be developed and administered in accordance with University’s Policy on Utilization of Historically Underutilized Businesses and incorporated for all purposes.

*Each Proposer, **whether self-performing or planning to subcontract**, must complete and return the HSP in accordance with the terms and conditions of this RFP. Proposers that fail to do so will be considered non-responsive to this RFP in accordance with [§2161.252, Government Code](#).*

Questions regarding the HSP may be directed to:

Contact: Kyle Hayes
HUB Coordinator
Phone: 512-322-3745
Email: khayes@utsystem.edu

Contractor will not be permitted to change its HSP after the deadline submittal date unless: (1) Contractor completes a new HSP, setting forth all modifications requested by Contractor, (2) Contractor provides the modified HSP to University, (3) University HUB Program Office approves the modified HSP in writing, and (4) all agreements resulting from this RFP are amended in writing to conform to the modified HSP.

2.4.4 **Instructions on completing an HSP**

Proposer must visit <https://www.utsystem.edu/offices/historically-underutilized-business/hub-forms> to download the most appropriate HUB Subcontracting Plan (HSP) / Exhibit H form for use with this Request for Proposal. Proposer will find, on the HUB Forms webpage, a link to “[Guide to Selecting the Appropriate HSP Option](#)”. **Click on this link and read the Guide first before selecting an HSP Option.** Proposer shall select, from the four (4) Options available, the Option that is most applicable to Proposer’s

subcontracting intentions. These forms are in **fillable** PDF format and must be downloaded and opened with *Adobe Acrobat / Reader* to utilize the fillable function. If Proposer has any questions regarding which Option to use, Proposer shall submit the question via Bonfire portal.

Proposer must complete the HSP, then print, sign and scan *all pages* of the HSP Option selected, with additional support documentation*, **and submit via Bonfire portal.** NOTE: signatures must be “wet” signatures. Digital signatures are not acceptable.

Any proposal submitted in response to this RFP that does not have a corresponding HSP meeting the above requirements may be rejected by University and returned to Proposer as non-responsive due to material failure to comply with advertised specifications.

Each Proposer’s HSP will be evaluated for completeness and compliance prior to opening the proposal to confirm Proposer compliance with HSP rules and standards. Proposer’s failure to submit one (1) completed and signed HUB Subcontracting Plan **to the Bonfire portal** may result in University’s rejection of the proposal as non-responsive due to material failure to comply with advertised specifications.

***If Proposer’s submitted HSP refers to specific page(s) / Sections(s) of Proposer’s proposal that explain how Proposer will perform entire contract with its own equipment, supplies, materials and/or employees, Proposer must submit copies of those pages with the HSP sent to the Bonfire Portal. In addition, all solicitation emails to potential subcontractors must be included as backup documentation to the Proposer’s HSP to demonstrate Good Faith Effort.** Failure to do so will slow the evaluation process and may result in DISQUALIFICATION.

SECTION 3

SUBMISSION OF PROPOSAL

3.1 Proposal Validity Period

Each proposal must state that it will remain valid for University's acceptance for a minimum of one hundred and twenty (120) days after the Submittal Deadline, to allow time for evaluation, selection, and any unforeseen delays.

3.2.1 Proposer must comply with the requirements and specifications contained in this RFP, including the Agreement (ref. **APPENDIX TWO**), the Notice to Proposer (ref. **Section 2** of this RFP), Proposal Requirements (ref. **APPENDIX ONE**) and the Specifications and Additional Questions (ref. **Section 5** of this RFP). If there is a conflict among the provisions in this RFP, the provision requiring Proposer to supply the better quality or greater quantity of services will prevail, or if such conflict does not involve quality or quantity, then interpretation will be in the following order of precedence:

3.2.1.1. Specifications and Additional Questions (ref. **Section 5** of this RFP);

3.2.1.2. Agreement (ref. **Section 4** and **APPENDIX TWO**);

3.2.1.3. Proposal Requirements (ref. **APPENDIX ONE**);

3.2.1.4. Notice to Proposers (ref. **Section 2** of this RFP).

SECTION 4

GENERAL TERMS AND CONDITIONS

The terms and conditions contained in the attached Agreement (ref. **APPENDIX TWO**) or, in the sole discretion of University, terms and conditions substantially similar to those contained in the Agreement, will constitute and govern any agreement that results from this RFP. If Proposer takes exception to any terms or conditions set forth in the Agreement, Proposer will submit redlined **APPENDIX TWO** as part of its proposal in accordance with **Section 5.2** of this RFP. Proposer's exceptions will be reviewed by University and may result in disqualification of Proposer's proposal as non-responsive to this RFP. If Proposer's exceptions do not result in disqualification of Proposer's proposal, then University may consider Proposer's exceptions when University evaluates the Proposer's proposal.

SECTION 5

PROPOSER IS CAUTIONED TO READ THE INFORMATION CONTAINED IN THIS RFP CAREFULLY AND TO SUBMIT A COMPLETE RESPONSE TO ALL REQUIREMENTS AND QUESTIONS AS DIRECTED.

1.2 Inquiries and Interpretations

University may in its sole discretion respond in writing to written inquiries concerning this RFP and mail its response as an Addendum to all parties recorded by University as having received a copy of this RFP. Only University's responses that are made by formal written Addenda will be binding on University. Any verbal responses, written interpretations or clarifications other than Addenda to this RFP will be without legal effect. All Addenda issued by University prior to the Submittal Deadline will be and are hereby incorporated as a part of this RFP for all purposes.

Proposers are required to acknowledge receipt of each Addendum as specified in this Section. The Proposer must acknowledge all Addenda by completing, signing and returning the Addenda Checklist (ref. **Section 4** of **APPENDIX ONE**). The Addenda Checklist must be received by University prior to the Submittal Deadline and should accompany the Proposer's proposal.

Any interested party that receives this RFP by means other than directly from University is responsible for notifying University that it has received an RFP package, and should provide its name, address, telephone and facsimile (**FAX**) numbers, and email address, to University, so that if University issues Addenda to this RFP or provides written answers to questions, that information can be provided to that party.

1.3 Public Information

Proposer is hereby notified that University strictly adheres to all statutes, court decisions and the opinions of the Texas Attorney General with respect to disclosure of public information.

University may seek to protect from disclosure all information submitted in response to this RFP until such time as a final agreement is executed.

Upon execution of a final agreement, University will consider all information, documentation, and other materials requested to be submitted in response to this RFP, to be of a non-confidential and non-proprietary nature and, therefore, subject to public disclosure under the *Texas Public Information Act* (ref. [Chapter 552, Government Code](#)). Proposer will be advised of a request for public information that implicates their materials and will have the opportunity to raise any objections to disclosure to the Texas Attorney General. Certain information may be protected from release under §§[552.101](#), [552.104](#), [552.110](#), [552.113](#), and [552.131](#), *Government Code*.

1.4 Type of Agreement

Contractor, if any, will be required to enter into a contract with University in a form substantially similar to the Agreement between University and Contractor (the "**Agreement**") attached to this RFP as **APPENDIX TWO** and incorporated for all purposes.

1.5 Proposal Evaluation Process

University will select Contractor by using the competitive sealed proposal process described in this Section. Any proposals that are not submitted by the Submittal Deadline or that are not accompanied by required number of completed and signed originals of the HSP will be rejected by University as non-responsive due to material failure to comply with this RFP (ref. **Section 2.5.4** of this RFP). Upon completion of the initial review and evaluation of proposals, University may invite one or more selected Proposers to participate in oral presentations. University will use commercially reasonable efforts to avoid public disclosure of the contents of a proposal prior to selection of Contractor.

University may make the selection of Contractor on the basis of the proposals initially submitted, without discussion, clarification or modification. In the alternative, University may make the selection of Contractor on the basis of negotiation with any of the Proposers. In conducting negotiations, University will use commercially reasonable efforts to avoid disclosing the contents of competing proposals.

University may discuss and negotiate all elements of proposals submitted by Proposers within a specified competitive range. For purposes of negotiation, University may establish, after an initial review of the proposals, a competitive range of acceptable or potentially acceptable proposals composed of the highest rated proposal(s). In that event, University may defer further action on proposals not included within the competitive range pending the selection of Contractor; provided, however, University reserves the right to include additional proposals in the competitive range if deemed to be in the best interest of University.

After the Submittal Deadline but before final selection of Contractor, University may permit Proposer to revise its proposal in order to obtain the Proposer's best and final offer. In that event, representations made by Proposer in its revised proposal, including price and fee quotes, will be binding on Proposer. University will provide each Proposer within the competitive range with an equal opportunity for discussion and revision of its proposal. University is not obligated to select the Proposer offering the most attractive economic terms if that Proposer is not the most advantageous to University overall, as determined by University.

University reserves the right to (a) enter into an agreement for all or any portion of the requirements and specifications set forth in this RFP with one or more Proposers, (b) reject any and all proposals and re-solicit proposals, or (c) reject any and all proposals and temporarily or permanently abandon this selection process, if deemed to be in the best interests of University. Proposer is hereby notified that University will maintain in its files concerning this RFP a written record of the basis upon which a selection, if any, is made by University.

Emphasis should be on completeness, clarity of content, and responsiveness to the requirements and specifications of this RFP.
- 1.8.6 University makes no warranty or guarantee that an award will be made as a result of this RFP. University reserves the right to accept or reject any or all proposals, waive any formalities, procedural requirements, or minor technical inconsistencies, and delete any requirement or specification from this RFP or the Agreement when deemed to be in University's best interest. University reserves the right to seek clarification from any Proposer concerning any item contained in its proposal prior to final selection. Such clarification may be provided by telephone conference or personal meeting with or writing to University, at University's sole discretion. Representations made by Proposer within its proposal will be binding on Proposer.

Contractor understands that acceptance of funds under this Agreement constitutes acceptance of the authority of the Texas State Auditor's Office, or any successor agency (collectively, "Auditor"), to conduct an audit or investigation in connection with those funds (§§[51.9335\(c\)](#), [73.115\(c\)](#) and [74.008\(c\)](#), *Texas Education Code*). Contractor will include this provision in all contracts with subcontractors.

18.17 Limitation of Liability. EXCEPT FOR UTS'S OR AN INSTITUTION'S OBLIGATION (IF ANY) TO PAY CONTRACTOR CERTAIN FEES AND EXPENSES NEITHER UTS NOR ANY INSTITUTION WILL HAVE ANY LIABILITY TO CONTRACTOR OR TO ANYONE CLAIMING THROUGH OR UNDER CONTRACTOR BY REASON OF THE EXECUTION OR PERFORMANCE OF THIS AGREEMENT OR ANY WORK ORDER, REQUISITION, OR OTHER REQUEST OR AGREEMENT FOR WORK UNDER THIS AGREEMENT. NOTWITHSTANDING ANY DUTY OR OBLIGATION OF UTS OR THE INSTITUTIONS TO CONTRACTOR OR TO ANYONE CLAIMING THROUGH OR UNDER CONTRACTOR, NO PRESENT OR FUTURE AFFILIATED INSTITUTION, SUBCONTRACTOR, AGENT, OFFICER, DIRECTOR, EMPLOYEE, REPRESENTATIVE, ATTORNEY OR REGENT OF UTS, THE INSTITUTIONS, OR ANYONE CLAIMING UNDER UTS OR THE INSTITUTIONS HAS OR WILL HAVE ANY PERSONAL LIABILITY TO

CONTRACTOR OR TO ANYONE CLAIMING THROUGH OR UNDER CONTRACTOR BY REASON OF THE EXECUTION OR PERFORMANCE OF THIS AGREEMENT.

Contractor will receive no financial compensation for delay or hindrance to the Work if caused by the Contractor. In no event will UTS or any Institution be liable to Contractor or its employees, agents, representatives or subcontractors, for any damages arising out of or associated with any delay or hindrance to the Work, except to the extent the source of the delay or hindrance, including a force majeure occurrence, arises out of, or is due, in whole or in part, to the negligence, breach of contract or other fault of UTS or an Institution. Contractor's sole remedy from UTS or an Institution for any such delay or hindrance to the Work will be an extension of time.

To the extent authorized by the laws and Constitution of the State of Texas, in any action or suit to enforce any right or remedy under this Agreement or to interpret any provision of this Agreement, no party will be entitled to recover attorneys' fees, costs or other related expenses from the other parties.

18.18 Survival of Provisions. No expiration or termination of this Agreement will relieve either party of any obligations under this Agreement that by their nature survive expiration or termination, including **Sections 11.4, 15, 18.5, 18.9, 18.10, 18.11, 18.13, 18.16, 18.17, 18.19** and **18.21**.

18.19 Breach of Contract Claims.

18.19.1 To the extent that [Chapter 2260, Texas Government Code](#), as it may be amended from time to time ("**Chapter 2260**"), is applicable to this Agreement and is not preempted by other Applicable Laws, the dispute resolution process provided for in Chapter 2260 will be used, as further described herein, by UTS and Contractor to attempt to resolve any claim for breach of contract made by Contractor:

18.19.1.1 Contractor's claims for breach of this Agreement that the parties cannot resolve pursuant to other provisions of this Agreement or in the ordinary course of business will be submitted to the negotiation process provided in [subchapter B](#) of Chapter 2260. To initiate the process, Contractor will submit written notice, as required by [subchapter B](#) of Chapter 2260, to UTS and the applicable Institutions in accordance with the notice provisions in this Agreement. Contractor's notice will specifically state that the provisions of [subchapter B](#) of Chapter 2260 are being invoked, the date and nature of the event giving rise to the claim, the specific contract provision that UTS or an Institution allegedly breached, the amount of damages Contractor seeks, and the method used to calculate the damages. Compliance by Contractor with [subchapter B](#) of Chapter 2260 is a required prerequisite to Contractor's filing of a contested case proceeding under [subchapter C](#) of Chapter 2260. The chief business officer of UTS, or another officer of UTS as may be designated from time to time by UTS by written notice to Contractor in accordance with the notice provisions in this Agreement, will examine Contractor's claim and any counterclaim and negotiate with Contractor in an effort to resolve the claims.

- 18.1.1.2 If the parties are unable to resolve their disputes under **Section 18.19.1.1**, the contested case process provided in [subchapter C](#) of Chapter 2260 is Contractor's sole and exclusive process for seeking a remedy for any and all of Contractor's claims for breach of this Agreement by UTS or an Institution.
- 18.1.1.3 Compliance with the contested case process provided in [subchapter C](#) of Chapter 2260 is a required prerequisite to seeking consent to sue from the Legislature under [Chapter 107, Texas Civil Practices and Remedies Code](#). The parties hereto specifically agree that (i) neither the execution of this Agreement by UTS, issuance of any Work Order, Requisition, or other request or agreement for Work by UTS or an Institution, nor any other conduct, action or inaction of any representative of UTS or the Institutions relating to this Agreement constitutes or is intended to constitute a waiver of UTS's, the Institutions', or the state's sovereign immunity to suit and (ii) neither UTS nor any of the Institutions have waived their rights to seek redress in the courts.
- 18.19.2 The submission, processing and resolution of Contractor's claim is governed by the published rules adopted by the Texas Attorney General pursuant to [Chapter 2260](#), as currently effective, thereafter enacted or subsequently amended.
- 18.19.3 UTS and Contractor agree that any periods set forth in this Agreement for notice and cure of defaults are not waived.
- 18.20 Undocumented Workers. The *Immigration and Nationality Act* ([8 USC §1324a](#)) ("**Immigration Act**") makes it unlawful for an employer to hire or continue employment of undocumented workers. The United States Immigration and Customs Enforcement Service has established the [Form I-9 Employment Eligibility Verification Form \(I-9 Form\)](#) as the document to be used for employment eligibility verification ([8 CFR §274a](#)). Among other things, Contractor is required to: (1) have all employees complete and sign the I-9 Form certifying that they are eligible for employment; (2) examine verification documents required by the I-9 Form to be presented by the employee and ensure the documents appear to be genuine and related to the individual; (3) record information about the documents on the I-9 Form, and complete the certification portion of the I-9 Form; and (4) retain the I-9 Form as required by Applicable Laws. It is illegal to discriminate against any individual (other than a citizen of another country who is not authorized to work in the United States) in hiring, discharging, or recruiting because of that individual's national origin or citizenship status. If Contractor employs unauthorized workers during performance of this Agreement in violation of the Immigration Act then, in addition to other remedies or penalties prescribed by Applicable Laws, UTS may terminate this Agreement in accordance with **Section 14**. Contractor represents and warrants that it is in compliance with and agrees that it will remain in compliance with the provisions of the Immigration Act.
- 18.21 Limitations. THE PARTIES ARE AWARE THAT THERE ARE CONSTITUTIONAL AND STATUTORY LIMITATIONS ON THE AUTHORITY OF UTS AND THE INSTITUTIONS (STATE AGENCIES) TO ENTER INTO CERTAIN TERMS AND CONDITIONS THAT MAY BE A PART OF THIS AGREEMENT, INCLUDING THOSE TERMS AND CONDITIONS RELATING TO LIENS ON UTS OR ANY INSTITUTION'S PROPERTY; DISCLAIMERS AND LIMITATIONS OF WARRANTIES; DISCLAIMERS

AND LIMITATIONS OF LIABILITY FOR DAMAGES; WAIVERS, DISCLAIMERS AND LIMITATIONS OF LEGAL RIGHTS, REMEDIES, REQUIREMENTS AND PROCESSES; LIMITATIONS OF PERIODS TO BRING LEGAL ACTION; GRANTING CONTROL OF LITIGATION OR SETTLEMENT TO ANOTHER PARTY; LIABILITY FOR ACTS OR OMISSIONS OF THIRD PARTIES; PAYMENT OF ATTORNEYS' FEES; DISPUTE RESOLUTION; INDEMNITIES; AND CONFIDENTIALITY (COLLECTIVELY, THE "LIMITATIONS"), AND TERMS AND CONDITIONS RELATED TO THE LIMITATIONS WILL NOT BE BINDING ON UTS OR ANY INSTITUTION EXCEPT TO THE EXTENT AUTHORIZED BY THE LAWS AND CONSTITUTION OF THE STATE OF TEXAS.

- 18.22 Ethics Matters; No Financial Interest. Contractor and its employees, agents, representatives and subcontractors have read and understand UTS' Conflicts of Interest Policy available at <http://www.utsystem.edu/board-of-regents/policy-library/policies/int180-conflicts-interest-conflicts-commitment-and-outside->, UTS' Standards of Conduct Guide available at <https://www.utsystem.edu/documents/docs/policies-rules/ut-system-administration-standards-conduct-guide>, and applicable state ethics laws and rules available at <https://www.utsystem.edu/offices/systemwide-compliance/ethics>. Neither Contractor nor its employees, agents, representatives or subcontractors will assist or cause UTS or any Institution employees to violate UTS' Conflicts of Interest Policy, provisions described by UTS' Standards of Conduct Guide, or applicable state ethics laws or rules. Contractor represents and warrants that no member of the Board has a direct or indirect financial interest in the transaction that is the subject of this Agreement.
- 18.23 Enforcement. Contractor agrees and acknowledges that UTS is entering into this Agreement in reliance on Contractor's special and unique knowledge and abilities with respect to performing the Work. Contractor's performance of the Work provides a peculiar value to UTS and the Institutions. UTS and the Institutions cannot be reasonably or adequately compensated in damages for the loss of Contractor's Work. Accordingly, Contractor acknowledges and agrees that a breach by Contractor of the provisions of this Agreement will cause UTS and the Institutions irreparable injury and damage. Contractor, therefore, expressly agrees that UTS and the Institutions will be entitled to injunctive and/or other equitable relief in any court of competent jurisdiction to prevent or otherwise restrain a breach of this Agreement.
- 18.24 Historically Underutilized Business Subcontracting Plan. Contractor agrees to use good faith efforts to subcontract the Work in accordance with the Historically Underutilized Business Subcontracting Plan ("HSP") (ref. **Appendix 6**). Contractor agrees to maintain business records documenting its compliance with the HSP and to submit a monthly compliance report to UTS in the format required by the Statewide Procurement and Statewide Support Services Division of the Texas Comptroller of Public Accounts or successor entity (collectively, **SPSS**). Submission of compliance reports will be required as a condition for payment under this Agreement. If UTS determines that Contractor has failed to subcontract as set out in the HSP, UTS will notify Contractor of any deficiencies and give Contractor an opportunity to submit documentation and explain why the failure to comply with the HSP should not be attributed to a lack of good faith effort by Contractor. If UTS determines that Contractor failed to implement the HSP in good faith, UTS, in addition to any other remedies, may report nonperformance to the SPSS in accordance with 34 TAC [§§20.285\(g\)\(5\)](#), [20.585](#) and [20.586](#). UTS may also revoke this Agreement for breach and make a claim against Contractor.

- 18.24.1. Changes to the HSP. If at any time during the Term of this Agreement, Contractor desires to change the HSP, before the proposed changes become effective (a) Contractor must comply with 34 TAC Section 20.285; (b) the changes must be reviewed and approved by UTS; and (c) if UTS approves changes to the HSP, this Agreement must be amended in accordance with **Section 18.6** to replace the HSP with the revised subcontracting plan.
- 18.24.2. Expansion of the Work. If UTS expands the scope of the Work through a change order or any other amendment, UTS will determine if the additional Work contains probable subcontracting opportunities not identified in the initial solicitation for the Work. If UTS determines additional probable subcontracting opportunities exist, Contractor will submit an amended subcontracting plan covering those opportunities. The amended subcontracting plan must comply with the provisions of [34 TAC §20.285](#) before (a) this Agreement may be amended to include the additional Work; or (b) Contractor may perform the additional Work. If Contractor subcontracts any of the additional subcontracting opportunities identified by UTS without prior authorization and without complying with [34 TAC §20.285](#), Contractor will be deemed to be in breach of this Agreement under **Section 14** and will be subject to any remedial actions provided by Applicable Laws, including [Chapter 2161, Texas Government Code](#), and [34 TAC §20.285](#). UTS may report nonperformance under this Agreement to the SPSS in accordance with [34 TAC §§20.285\(g\)\(5\), 20.585](#) and [20.586](#).
- 18.25 **Contractor Certification regarding Boycotting Israel.** Pursuant to [Chapter 2270, Texas Government Code](#), Contractor certifies Contractor (1) does not currently boycott Israel; and (2) will not boycott Israel during the Term of this Agreement. Contractor acknowledges this Agreement may be terminated and payment withheld if this certification is inaccurate.
- 18.26 **Contractor Certification regarding Business with Certain Countries and Organizations.** Pursuant to [Subchapter F, Chapter 2252, Texas Government Code](#), Contractor certifies Contractor is not engaged in business with Iran, Sudan, or a foreign terrorist organization. Contractor acknowledges this Agreement may be terminated and payment withheld if this certification is inaccurate.
- 18.27 **Responsibility for Individuals Performing Work; Criminal Background Checks.** Each individual who is assigned to perform Work under this Agreement will be an employee of Contractor or an employee of a subcontractor engaged by Contractor. Contractor is responsible for the performance of all individuals performing Work under this Agreement. Prior to commencing Work under this Agreement or any Work Order, Requisitions, or other request issued or agreement entered into hereunder, Contractor will (1) provide UTS and the applicable Institutions with a list (**List**) of all individuals who may be assigned to perform that Work, and (2) have an appropriate criminal background screening performed on all the individuals. Contractor will determine on a case-by-case basis whether each individual assigned to perform Work is qualified to do so. Contractor will not knowingly assign any individual to provide Work who has a history of criminal conduct unacceptable for a university campus, facility, building, or healthcare center, including violent or sexual offenses. Contractor will update the List each time there is a change in the individuals assigned to perform Work.

Prior to commencing performance of Work under this Agreement, Contractor will provide UTS a letter signed by an authorized representative of Contractor certifying compliance with this Section. Contractor will provide UTS an updated certification letter each time there is a change in the individuals assigned to perform Work.

UTS and Contractor have executed and delivered this Agreement to be effective as of the Effective Date.
