HOGG FOUNDATION FOR MENTAL HEALTH ALLOCATIONS FOR PROGRAM SUPPORT

Allocations were made from the Hogg Foundation for Mental Health Trustee Approved Program Support account to the following institutions and agencies:

Avondale House, Houston, Texas - \$24,000.00

1. The Hogg Foundation Executive Committee recommends approval of a grant to Avondale House in the amount of \$24,000 for the period of December 1, 1981 through November 31, 1982.

Avondale House, an agency providing innovative services to autistic children and their families in the Houston area, has requested a third-year grant to fund the family support activities within their overall program. Recent funding cutbacks left Avondale House with less than half its yearly budget, and the agency was faced with the task of raising almost \$100,000 or closing its doors. Through the combined efforts of the Avondale board and staff and an overwhelming response from the public, they have raised enough to ensure continued service through the coming year. This grant would complete their effort and allow them to continue to provide many support services to families with autistic children in their program.

Dr. Carol Lynn Waryas will be responsible for the administration of the project, and will submit both a fiscal accounting and narrative evaluation of the program at the close of the grant period.

Dr. Terrence Tutchings and Dr. Ralph E. Culler will serve as liaison persons for the Hogg Foundation.

Big Brothers/Big Sisters of America, Austin, Texas - \$17,905.00

2. The Hogg Foundation Executive Committee recommends the approval of a six-month grant in the amount of \$17,905.00 for the period of November 1, 1981 through April 30, 1982 to Region X of Big Brothers/Big Sisters of America.

These funds, together with an additional \$14,020 from Big Brothers/Big Sisters of America will support the design and pilot testing of the curriculum for the Big Brothers/Big Sisters of America National Training Institute. Specifically, Hogg Foundation funds will be used to pay consultants and to provide partial support for per diem and travel expenses of one-half (19) of the trainees in attendance at the pilot session of the Institute which will be held in Austin during late spring, 1982.

Mrs. Eloise Campos, District Resource Development Manager, will be responsible for the administration of the project. Upon completion of the pilot training session, Mrs. Campos will provide both a fiscal accounting and narrative evaluation of the project. Dr. Charles Bonjean and Ms. Adrian Fowler will serve as liaisons for this project.

Texas Department of Mental Health and Mental Retardation, Austin, Texas - \$14,000.00

3. The Hogg Foundation Executive Committee has recommended the approval of a one-year grant in the amount of \$14,000.00 for the period of December 1, 1982 through November 30, 1982 to the Texas Department of Mental Health and Mental Retardation. This grant will support the Mental Health Code Task Force in identifying the most salient mental health issues and needs as related to current statutes, in soliciting public comment on these issues and in beginning the process of revising the code to more appropriately address these issues.

HOGG FOUNDATION FOR MENTAL HEALTH (Continued)

This grant will be used to underwrite the direct costs of the Task Force's Chairperson and her staff. The Chairperson, Mrs. Helen Farabee, will be serving as a volunteer in this capacity and the funds will be used only to underwrite costs such as travel and per diem (computed at State approved rates.)

Mr. James Adkins, Acting Commissioner of the Texas Department of Mental Health and Mental Retardation, will be responsible for administering the program. He will submit both a fiscal accounting statement and narrative report at the close of the grant period. Drs. Charles M. Bonjean and Terrence Tutchings will serve as Hogg Foundation liaisons for this project.

The University of Texas at Austin, Population Research Center

Toward a Competent Mexican Origin Community: Using Discourse Analysis to Explore Language and Power Relationships in Parent-School Interactions - \$12,309.00

4. After careful consideration of this proposal, the Hogg Foundation Executive Committee is recommending for approval a one-year research grant in the amount of \$12,309 to the Population Research Center to aid in supporting a project entitled, "Toward a Competent Mexican Origin Community: Using Discourse Analysis to Explore Language and Power Relationships in Parent-School Interactions." The grant period will extend from December 1, 1981, through November 30, 1982.

This research project seeks to demonstrate that cultural differences, parental literacy, and language differences alter the kinds of relationships that parents have with educational and social service agencies. Using the school as a center point because multiple information and referral services are provided there, the researchers will study ethnographically how language and power relationships act to facilitate or impede the delivery and utilization of services and information in the Mexican origin community. Moreover, the sociocultural and language problems that these Spanish-speaking families perceive will be assessed, and power relationships and miscommunication in social interaction situations will be analyzed. In sum, this investigation of power relationships, language, and cultural differences in the delivery and utilization of human services within the public school context has implications for the development of a competent community in East Austin. The results of this study will assist educational and social service institutions in developing policies, programs, or services for Spanish-speaking populations.

The initial phase of this project was supported by a Department of Labor grant to the Population Research Center. Dr. Harley L. Browning is the director of this larger project on immigration and labor market absorption trends. Background data and additional resources are available from the above Department of Labor-supported study.

The Hogg Foundation funds will support a part-time researcher, clerical services, transcription assistance, reproduction, and supplies. Dr. Harley Browning is responsible for the administration of the project and will submit an interim and final report, along with a fiscal accounting, to the Foundation at the close of the year or no later than January 31, 1983. Dr. Charles M. Bonjean and Mr. Reymundo Rodriguez will serve as the Foundation liaison persons for this project.

HOGG FOUNDATION FOR MENTAL HEALTH (Continued)The University of Texas at Austin, School of NursingImpact of Neonatal Attitudes, Beliefs, and Behavioral Patterns in Infant Development - \$975.00

5. The Hogg Foundation Executive Committee recommends for approval a one-time supplemental grant of \$975 and a time extension to January 31, 1982, for the project entitled "Impact of Neonatal Attitudes, Beliefs, and Behavioral Patterns in Infant Development."

These funds constitute a supplemental grant to a project initiated in January, 1981. The goal of the project was to analyze data gathered previously under a grant from the U. S. Public Health Service and additional data collected from 60 of the original 100 mothers and infants at the end of the first year of life. The potential value in this research lies in the longitudinal aspect of this study, which could provide a more definitive picture of the complex role of early experiences in influencing infants' attachment patterns. The additional funds are required to cover increased costs of coding the videotapes and increased mailing expenses.

Dr. Lorraine Walker will be responsible for administering the project and will submit a final fiscal accounting and narrative evaluation in February, 1982.

Dr. Ralph Culler and Dr. Charles M. Bonjean will serve as liaison persons for the Hogg Foundation.

1982-83 SYSTEM-WIDE PERSONNEL PAY PLAN RECOMMENDATION

The Administration of each of the component institutions has made recommendations for adjustments to those classifications utilized at their respective institutions. Chancellor E. D. Walker, Vice Chancellor Joe E. Boyd, Jr., and Mr. Claude E. Hempel, System Personnel Director, concur in these recommendations which are to be reflected in the System-wide 1982-83 Personnel Pay Plan effective September 1, 1982. The 1982-83 System-wide Personnel Pay Plan is submitted for approval at this time so it may be used for 1982-83 budget preparation.

The Personnel Pay Plan is supported by extensive studies which have been conducted by the respective institutional personnel offices. In arriving at the salary ranges, we have taken into account the State Classification Plan and the State Salary Schedule for September 1, 1982, which has been adjusted by a general rate increase of 8.7%. Also considered were numerous salary surveys which we have conducted or in which we have participated, pay schedules for other institutions, and prevailing rates in the applicable areas of competition.

Adjustments generally provide for an increase of 8.7% with exceptions for limited classifications. However, The University of Texas at Tyler adjusted salary ranges approximately 5.3% with limited exceptions. Their recommendation is influenced by funding restraints and is additionally submitted to alleviate salary compression which has developed. The institution has expressed concern that the relationship between salaries and longevity is inconsistent with acceptable compensation administration practices. The University of Texas at Dallas adjusted salary ranges approximately 12.1% with limited exceptions. Their recommendation is supported by the findings of the Dallas Community Salary Survey which had 54 corporate and governmental participants. Analysis of the institution's 50 benchmark classifications indicated the need for an adjustment of 12.1%.

It is felt that the recommended changes reflected in the Personnel Pay Plan are necessary for The University to maintain a competitive position, fairly compensate our employees providing equality with State pay rates, and attract qualified applicants in the current market. Each classification has been considered on its own merits and recommendations for adjustments have been made according to the individual requirements of each classification as appropriate.

Following is an analysis indicating exceptions from the recommended general increase. These exceptions are supported by the compensation administration data and measures, and the economic indicators cited above. It is presented by classification series with an indication of recommended action for each individual series differing from the general increase.

THE UNIVERSITY OF TEXAS AT ARLINGTON PARKING AND TRAFFIC REGULATIONS
{1981-1982} 1982-1983

II. General Regulations

2. The provisions of these regulations must be complied with on all parts of the campus throughout all hours of the day and night with the following exceptions: Any vehicle with a current University decal may park in any University lot except those that are "No Parking", "Handicap Parking", "Police Parking", "University Vehicle Parking", "Rent Property", "Visitor Parking", "Dorm Parking", "Fire Lanes", or "Health Center Parking", Student Area A parking or Faculty-Staff parking during the following periods: 5PM Monday - 7 AM Tuesday; 5 PM Tuesday - 7 AM Wednesday; 5 PM Wednesday - 7 AM Thursday; 5 PM Thursday - 7 AM Friday; 5 PM Friday - 7 AM Monday.

The following areas are excluded from parking at all times except for the approved purposes indicated by the designating signs:

- A. No Parking Areas
- B. Handicap Parking
- C. Police Parking
- D. University Vehicle Parking
- E. Rent Property or Apartment Parking
- F. Visitor Parking
- G. Dorm Parking
- H. Fire Lanes
- I. Health Center Parking

IV. Registration Of Vehicles

EXAMPLES:

5. Individuals having physical handicaps may apply for special parking assignments by submitting a letter to the Parking Office for a Handicap Parking Decal by contacting the Handicap Coordinator in Room 252, Davis Hall. Written confirmation of the person's handicap must be obtained from either the University Health Center or a qualified physician unless the handicap is of an obvious, permanent nature or as specified in Article IV, Section 4, "Disabled Veterans".

11. The higher parking assessment fee for faculty/staff is based on most faculty/staff being on campus twelve months whereas most students are considered to be on campus nine months. In addition, faculty/staff have preferred parking lots in relation to facilities on campus.

V. PARKING AREAS

2. Each person who has registered a vehicle in accordance with these regulations will be issued a numbered decal which will permit the vehicle to be parked in the area designated by the decal. Student parking areas are: A, B, H, L, M, T, D and RP.
5. The approved maximum dimensions for vehicles to park in the small car parking lot are 67" (width) x 175" (length). Any vehicle having a valid decal, whether student or faculty/staff, that meets the specified maximum dimensions may park in small car parking.
6. The Time-Fee Controlled parking area, Lot #8, will be available on a first-come, first-served basis to anyone willing to pay the fee for parking in accordance with the following rates when the lot is not reserved for specific functions.

Less than one hour.....	\$1.00
One hour to four hours.....	\$3.00
Four hours to eight hours.....	\$5.00
After 12 hours - rates will start over at the above rate schedule.	

7. This Time-Fee Controlled Area will be utilized to provide reserve parking for specific functions when approval is obtained in advance of the function. Request should be submitted to the Chief of Police at least ten days in advance of the function. The reservation fees are \$125.00 per day for half-the-area or \$250.00 per day for the entire lot.

VII. PARKING DECALS

9. A resident of a University dorm may register only one vehicle to park at their dorm. When the need arises to park a second vehicle, a temporary decal must be obtained that will be valid for five (5) school days. The fee for Dormitory Parking is \$27.00. Dorm decals are valid only in the designated dorm parking.
10. A resident of a University apartment may register no more than two (2) vehicles to park at the apartment complex. The fee will be \$27.00 for the first vehicle registered and \$1.00 for the second vehicle. Proof of ownership must be shown to register two vehicles. Apartment decals are valid in any Area A Student Parking.

VIII. VISITOR PARKING

1. A visitor is defined as a person who is neither a student, an employee of the University, nor is he or she a person who uses campus parking facilities for the benefit of a student or employee. The vehicles of immediate family members are not visitor's vehicles and are required to have a decal unless the student or employee obtains a visitor pass prior to the vehicle parking on campus in accordance with the following guidelines:
 - A. The immediate family of the student or employee must live outside a 50 mile radius of the University of Texas at Arlington campus, or
 - B. Be coming to campus for a special event or activity.

The student or employee is responsible for parking citation issued to vehicles registered to their immediate family.

IX. SHUTTLE BUSES

1. A Shuttle Bus System will operate between Maverick Stadium and the Athletic Park parking areas on approximate five minute intervals. Persons riding the Shuttle Buses will be transported to the designated bus stop on Campus Drive and College Street between the hours of 8:00 A.M. and 2:00 P.M., Monday through Friday. Pickup for return trips will be from the designated bus stop at the intersection of College and Campus Drive and will operate on the same time intervals.
2. Persons utilizing the shuttle buses may park at the Stadium and Athletic Park regardless of decal designation (open parking).
3. The hours of operation for the shuttle buses may be altered to meet the needs of the campus community.

JUSTIFICATION CODES FOR THE OFFERING OF SMALL CLASSES:

1. Required course for graduation. (The course is not offered each semester or term, and, if cancelled, may affect the date of graduation of those enrolled.)
2. Required course for majors in this field and should be completed this semester (or term) to keep proper sequence in courses.
3. Course in newly established degree program, concentration, or support area.
5. First time offering of the course.
6. Class size limited by accreditation or state licensing standards.
7. Class size limited by availability of laboratory or clinical facilities.
8. Voluntarily offered by a faculty member in excess of the institutional teaching load requirement and for which the faculty member receives no additional compensation.

Note: a. These two courses meet together. However, even if their enrollments are combined they still fall under the definitions for small classes. It should be noted, nevertheless, that they only constitute one small class.

The following contracts, grants, and agreements have been awarded and are submitted for formal approval by the Board of Regents:

1. Agency: Department of the Air Force
Grant: Air Force Office of Scientific Research
Project title: Bolling Air Force Base, D.C.
AFOSR-79-0008 - Modification AFOSR-79-0008C
Development of Practical MO Techniques for
Prediction of the Properties and Behavior
of Materials
Principal investigator: Michael J.S. Dewar, Ph.D.
New funds: \$124,999 - Increases total to \$449,994.
Grant period: 11/1/78 - 10/31/81 extended through 10/31/82
Description: Provides additional funds and extends the
period of performance.
County of expenditure: Travis

2. Agency: Department of the Air Force
Grant: Air Force Office of Scientific Research
Project title: Bolling Air Force Base, D. C.
AFOSR-79-0090 - Modification AFOSR-79-0090B
Studies of Polymer-Bound Macrocyclic Poly-
tertiary Phosphines
Principal investigator: Evan P. Kyba, Ph.D.
New funds: \$50,000 - Increases grant total from
\$159,641 to \$209,641.
Grant period: 2/1/79 - 9/30/81 extended through 9/30/82
Description: Extends performance period and provides
additional funds.
County of expenditure: Travis

3. Agency: Department of the Air Force
Grant: Air Force Office of Scientific Research
Project title: Bolling Air Force Base, D.C.
AFOSR-81-0047 - Modification AFOSR-81-0047A
The Study of Certain Aspects of Probabil-
ity with Applications in Communication Theory
Principal investigator: Gary L. Wise, Ph.D.
New funds: \$85,000 - Increases total to \$154,893.
Grant period: 10/1/80 - 9/30/81 extended through 9/30/82
Description: Provides additional support and extends
period of performance.
County of expenditure: Travis

4. Agency: Department of the Air Force
Contract: Air Force Systems Command, HQ Space Division
Project title: Worldway Postal Center
Los Angeles, California
F04701-81-K-0004 - Modification P00001
Halphen's Method for Calculation of High Alt-
itude Earth Satellite Orbits
Principal investigator: Roger A. Broucke, Ph.D.
New funds: None
Contract period: 3/1/81 - 9/30/81 extended through 12/31/81
Description: Extends period of performance only.

Administrative and Professional Salaries

Return funds transferred to the Center, in error, and reported in the docket for the December 11, 1981 Board Meeting. The \$40,000 was already allocated in the Original 1981-82 operating budget.
(RBC# 1502)

III. TRANSFERS FROM AVAILABLE UNIVERSITY FUND TO DEPARTMENTS OR PROJECTS

The following list of transfers represents appropriations to Departments and Projects from the allocations included in the 1981-82 Original Budget for:

- (a) Updating Teaching and Laboratory Equipment
- (b) Humanities Research Center Acquisitions
- (c) Repair Projects
- (d) Educational Programs and Projects
 - (1) Academic Projects

These AUF funds are allocated to the colleges/schools and other administrative units to support new classroom and laboratory equipment acquisitions, to replace worn out or obsolete instructional equipment and to be used as matching funds for those Federal funding programs that provide teaching and graduate research equipment on a matching basis. Funding is provided for major acquisitions purchased by the Humanities Research Center. Support is provided for special projects to improve and enhance selected instructional and graduate research training programs as approved by the President for emergency repairs, remodeling and related items necessary to maintain the academic facilities. (Account Nos. 19-9840-9000, 19-9830-9000, 19-9860-9000, 19-9820-9000)

664

The appropriation of these AUF funds for academic projects was approved by the Board of Regents on December 11-12, 1980 on a two year basis. The 1981-82 allocation to the Office of Admissions is to be used to redesign and more fully automate the admissions process, to upgrade the quality of the staff, and to increase salaries so as to improve retention of experienced personnel. The 1981-82 allocations to academic departments are to be used to upgrade lower-division programs, to improve course scheduling procedures and management of multi-section courses, and to improve utilization of the teaching staff.

PROPOSED CHANGE IN THE 1982-84 CATALOG
REGARDING DEGREE REQUIREMENTS FOR THE
MASTER OF SCIENCE IN HUMAN DEVELOPMENT

BOARD OF REGENTS MEETING FEBRUARY 11-12, 1982

The University of Texas at Dallas proposes a change in degree requirements for the Master of Science in Human Development for the 1982-84 Graduate Catalog. The faculty has recommended a required two-hour proseminar designed to facilitate the transition from diverse undergraduate backgrounds to the specialized, early childhood emphasis of the Human Development Program. This change increases the degree requirements for the Master of Science degree in Human Development from a total of 36 hours to a total of 38 hours effective Fall, 1982.

Subject to Regental approval, the proposed change will be reflected in the University of Texas at Dallas 1982-84 Graduate Catalog.
