

THE UNIVERSITY OF TEXAS  
Main University  
Office of the Chancellor  
Austin, Texas

April 1, 1964

Dr. Harry Ransom, Chancellor  
The University of Texas  
Austin, Texas

Dear Chancellor Ransom:

The following changes in the Main University Budget are submitted for your approval and submission to the Board of Regents at its meeting in Austin on April 24-25, 1964.

Recommended Amendments to the 1963-64 Budget

The term "rate" for academic personnel is the full-time nine-month base rate; for classified personnel it is the full-time twelve-month rate, the appointee receiving a proportionate amount depending upon the fraction of time for which he is appointed and the period of his appointment. Source of funds for payment of salaries, unless otherwise shown, is the departmental salaries account.

It is now estimated that the work is substantially completed and that the payment of the \$100,000 will become due sometime in May upon presentation by the Lessee of appropriate papers to the Endowment Office.

The Varner Properties endowment fund as of March 31, 1964, had cash on hand in the approximate amount of \$47,000.00, consisting of \$45,000.00 from maturity in March of a temporary investment and some \$2,000 of other uninvested cash. In order to provide the additional cash needed, it is recommended that authorization be granted by the Board of Regents for sale of the following common stocks held by the Varner Properties endowment fund, the timing of such sales to be subject to the discretion of the Staff Investment Committee, the sales to be carried out by the Securities Division of the Endowment Office.

## TRUST AND SPECIAL FUNDS - GIFT, BEQUEST AND ESTATE MATTERS.---

ESTATE OF MRS. MARY HEARD (A. CASWELL) ELLIS - ALEXANDER CASWELL ELLIS FELLOWSHIP FUND - FINAL DISTRIBUTION OF ASSETS AND CLOSING OF ESTATE. --The attorney for the Executors of the Estate of Mrs. Mary Heard (A. Caswell) Ellis have filed application for the closing of the Estate and have submitted to the University exhibits showing receipts and disbursements. A check for \$6,378.46 has been received as final distribution of assets, \$4,000 of which has been credited to the endowment account and \$2,378.46 to the current restricted account. The investment program for the assets of the Estate was approved by the Board of Regents at its meeting of July 13, 1963, and a review of the endowment account is attached to this docket.

It is recommended that the above actions be ratified by the Board of Regents.

MAIN UNIVERSITY - ESTATE OF WALTER PRESCOTT WEBB - HINDS-WEBB FUND.--The portions of the Will of Dr. Walter Prescott Webb, long-time distinguished Professor of History at The University of Texas, pertaining to the University are as follows:

"I own two pieces of real estate that are not community property. These are Friday Mountain Ranch in Hays County, purchased in 1942 and 1945, and a tract of some 5 or 6 acres at the intersection of Airport Boulevard and Lamar Boulevard, purchased before 1938. This tract is under lease until 1990 to C. B. Smith and will be called the C. B. Smith Lease.

"I desire that all income from this tract (the C. B. Smith Lease) go to my wife, Terrell D. Webb as long as she lives, and to her estate for one year following her death. Thereafter the proceeds from this lease are to go to Mildred Webb until her death. Thereafter full title to this property shall pass to the University of Texas. The proceeds from this property - whether from rental or sale - shall go permanently into the Hinds-Webb Fund set up at the University of Texas in about 1961.

"....In case of sale of any part or all of Friday Mountain Ranch, one-half of the proceeds of such sale shall be placed in a trust fund or in a savings account in the Austin National Bank. The income on the corpus of this fund shall be paid annually to Mildred Webb. On the death of Mildred Webb this fund shall go to the University of Texas Hinds-Webb Fund."

The Hinds-Webb Fund referred to was established at the University from various gifts and was administered until his death by Dr. Webb. Mr. Hinds had assisted Dr. Webb to secure an education though the two never met. The fund was to be used "to aid worthy students who are having a difficult time financially." As of February 29, 1964, there was \$1,926. in the fund. A committee is being appointed by the Chancellor to administer the fund with the sum of \$100 to be transferred from the balance above to establish an endowment fund in Funds Grouped for Investment (with income re-invested until further notice) in order to set up the account to which later additions from the estate may be made.

The Friday Mountain Ranch property referred to above has been sold and one-half of the consideration has been placed in a trust account at the Austin National Bank, the income from which will be paid to Miss Webb during her lifetime, and the remainder will then be made a part of the Hinds-Webb Fund.

It is recommended that the Board of Regents accept the portion of the estate willed to the University, and to come to the University at some future time, and ratify the actions taken to date.

## TRUST AND SPECIAL FUNDS - REAL ESTATE MATTERS.--

ARCHER M. HUNTINGTON MUSEUM FUND - RENEWAL OF GRAZING LEASE ON HUNTINGTON LANDS, GALVESTON COUNTY, TO JOE M. ROBINSON.--Grazing leases on Huntington Lands in Galveston County have been made with Mr. Joe M. Robinson since 1949. The present lease covers approximately 3,114.71 acres after the release of the portion of these lands sold to Union Carbide in 1962, at rental of \$1.20 per acre per year, payable in advance. Leases have for some years been negotiated through Mr. Vincent J. Schmitt, formerly a partner in the real estate firm of Kellner, Ayers & Schmitt in Texas City but now operating by himself as V. J. Schmitt & Co. Mr. Schmitt has conferred with Mr. Robinson who would like to renew the lease on its present terms for a three-year period from May 15, 1964. Inquiries have been made of other property owners in the area, as well as the First Hutchings-Sealy National Bank of Galveston, which handles the Thompson Estate acreage, and we believe the proposal is a fair one. It is, therefore recommended that the grazing lease of the Huntington Lands acreage in Galveston County, outlined above, be renewed for the period May 15, 1964, through May 14, 1967, at annual rental of \$1.20 per acre, payable in advance, on which rental V. J. Schmitt & Co. will be paid 5% commission, with the Chairman authorized to execute the lease after approval as to form by the University Attorney and as to content by the Endowment Officer.

TEXAS WESTERN COLLEGE - LUCILLE T. STEVENS ESTATE - RECOMMENDATION FOR EXCLUSIVE LISTING OF MAIN AND TEXAS PROPERTY FOR SALE OR LEASE.--Mrs. Lucille T. Stevens died in 1955 leaving a Will under which the Stevens building at Mesa and Texas in El Paso was left, together with another piece of El Paso property which is subject to a life estate held by Mrs. Stevens' brother, to the Board of Regents with the income to be used for scholarships at Texas Western College.

The property at Mesa and Texas was leased by Mrs. Stevens for 25 years from January 1, 1941, to December 31, 1965, to Mr. Nathan Feder at annual rental of \$14,400, and later Mr. Feder sub-leased the property, with the approval of Mrs. Stevens, to Grayson-Robinson Stores, Inc., for total gross rental of \$36,000 annually. Grayson-Robinson Stores, Inc., is now involved in bankruptcy proceedings. The Estate of Nathan Feder has continued to pay the rental due to Texas Western College under the primary lease and in addition pays approximately \$2,000 a year to the College under provisions of Mrs. Stevens' agreement with Mr. Feder as to ad valorem taxes.

With the present lease expiring December 31, 1965, it is believed that it is time to explore fully possibilities for sale or lease of the property.

The property was appraised by Mr. J. C. Holmes at \$350,000 in October, 1962, by Mr. J. Ted Cottle at \$432,000 in November, 1962, and at \$325,000 by Mr. A. E. Skiff in February, 1964. It is not believed that the recent appraisal by Mr. Skiff indicates a decrease in market value but rather a difference of opinion.

Mr. J. Ted Cottle is regarded as one of the outstanding realtors of El Paso on commercial downtown property, is a graduate of the University, and has worked closely with Texas Western College on many matters. Mr. Cottle has already made some preliminary inquiries as to lease or sale possibilities and proposes that the Board of Regents grant him an exclusive listing for sale or lease of the property, with 5% commission to be paid on either a sale or a lease but with a lease commission at this rate to be paid during the term of the lease as rental is collected. It is proposed that this exclusive listing run to April 30, 1965. The sale listing will be for sale at not less than \$432,000, before commission, and the listing as to leasing will provide that any lease will be subject to acceptance by the Board of Regents.

It is believed that such an arrangement with Mr. Cottle can be of distinct advantage to the Board of Regents without any handicap in making the best possible deal on the property.

It is therefore recommended that Mr. Cottle's proposal be accepted and that the Chairman of the Board of Regents be authorized to execute the appropriate instrument when approved as to form by the Land and Trust Attorney and as to content by the Endowment Officer.

ACADEMIC CONTRACTS: The following contracts have been executed at the Main University by the official indicated. I recommend approval and ratification of signatures:

1. Agreement with Homer A. Hunter Associates and Land Planning, Inc., signed by Vice-Chancellor Norman Hackerman, whereby the University through its Bureau of Business Research will commence within twenty days after the signing of the contract and will substantially complete within ninety days after this date an environment economics and population study of the City of Quanah. The contract was dated February 26, 1964, and the total amount to be paid the University is \$2,000.
2. Interagency Cooperation Contract No. 4413-919 with Texas Industrial Commission, signed by Business Manager James H. Colvin, whereby the University through its Bureau of Business Research will render such services and provide such materials as may be needed for use in advertising and in disseminating information to out-of-state prospects for industrial expansion. The period of the contract is March 10, 1964 - February 1, 1965, and the total payment is not to exceed \$3,000.
3. Training Grant No. Nsg(T)-83 with National Aeronautics and Space Administration, signed by Vice-Chancellor Norman Hackerman, whereby the sum of \$132,000 is given for the purpose of supporting the training of approximately ten graduate students in space-related science and technology during a period of approximately three years beginning about September 1, 1963. Of the total, approximately \$102,000 is to be used for stipends. The program is under the direction of Dean W. G. Whaley.
4. Training Grant No. Nsg(T)-83, Supplement No. 1, with National Aeronautics and Space Administration, signed by Vice-Chancellor Norman Hackerman, whereby the sum of \$158,400 is given for the purpose of supporting the training of twelve predoctoral graduate students in space-related sciences and technology during a period of three years beginning September 1, 1964. Of the total, \$122,400 will be used for stipends and \$36,000 may be used to strengthen the graduate programs in space-related sciences and technology and to cover reasonable institutional expenses attributable to training. The program is under the direction of Dean W. G. Whaley.
5. The Rockefeller Foundation has made a grant of \$100,000 to be handled through the University for use by the Inter-American Scholarly Book Center in Mexico City, a demonstration center sponsored jointly by the Association of American University Presses and the National University of Mexico. The center is to be operated by a non-profit organization established specifically for this purpose under the laws of Mexico, and the University has accepted the grant with the understanding that the Inter-American Scholarly Book Center will be organized in such manner that the University can legally turn this money over to it. The proposal submitted by the Association of American Presses states, "If this demonstration center and the programs which emanate from it are successful, it is believed that we will have taken an important first step toward the achievement of a truly multi-directional flow of scholarly books in the Americas, a vitally important desideratum." It is their hope that centers may be established later in other Latin-American cities and eventually in Asian and African cities.
6. Lease Agreement with Fred C. Smith, Jr., signed by Vice-Chancellor Norman Hackerman, whereby the University leases for a period of three years beginning February 1, 1964, and ending January 31, 1967, at a total cost of \$360 a tract of land in Williamson County on which to construct a television microwave radio tower. This is a renewal of the lease signed in 1961 by Chancellor Ransom, then President of Main University.
