

Lark Needham

Haley "Lark" Needham is the Senior Administrative Associate in The University of Texas System Office of Health Affairs where she supports Associate Vice Chancellors Melissa Garcia, Jonathan Lewis, and Eric Solberg. Prior to joining the Office of Health Affairs in April 2021, Lark was the Project Support Specialist to the Population Health team at U.T. Health Science Center Tyler for 5 years. Lark was employed with Gerdau Steel in Midlothian, TX, in various administrative and accounting positions, for 20 years before she made the move from Dallas to Austin. She was born and raised in Garland, TX.
