UT System Office of HUB Programs

UT System Administration HUB Office works directly with the UT System Office of Capital Projects (OCP) to help ensure that HUB contractors and subcontractors have opportunities to bid on OCP-managed capital projects (Projects over 10MM). OCP manages capital projects for the following UT System institutions:

- The University of Texas at Dallas
- The University of Texas at El Paso
- The University of Texas of the Permian Basin
- The University of Texas—Rio Grande Valley
- The University of Texas at Tyler

What We Do

- Procure goods and services with a spend of approximately \$121,124,623 million annually
- Administer procurement processes, including competitive solicitations, group purchases and exclusive acquisitions
- Manage the Rowdy Exchange eProcurement system, which provides UTSA with electronic procurement tools used for the coordination of purchasing goods and/or services in an effective and efficient manner
- Assist Historically Underutilized Businesses to compete for contracts and purchases and to improve community awareness

Current Opportunities

All solicitations, including previously awarded solicitations can be viewed by clicking the appropriate tab under the Business Opportunities section below and selecting a specific event title. [Click Here for Current Bidding Opportunities](#)

Procurement Authorization Levels

\$0.01 to \$14,999.99	Authorized limit for department requesters. Bids not required, but recommended.
\$15,000 to \$50,000	Requisitions submitted to Purchasing. Purchasing solicits three informal quotes — at least two from HUB vendors.
\$50,000+	Requisitions submitted to Purchasing, which issues formal competitive solicitations — at least two from HUB vendors.

bit.ly/CompetitiveThresholdRequirements

Mission

Procure goods and services in accordance with all federal, state and system regulations, and obtain the best procurement value upholding and supporting the educational and research missions of the university. It is the department’s goal to serve our customers with professionalism, courteousness, efficiency, accuracy and timeliness.

Statewide Historically Underutilized Business Program

UTSA’s commitment to maximizing opportunities for HUBs and small businesses to compete for contracts and purchases has resulted in positive gains in HUB vendor participation on procurements, as well as increased HUB awards. Since 2020, the university has distributed more than 2,0500 bidding opportunities to the HUB community. Additionally, over the last five years, UTSA has been consistently recognized as one of the state’s top 25 agencies for HUB expenditures.

ABOUT US

The Procurement Office strives to provide efficient and responsive procurement and related services to University departments with exceptional customer service and with the highest standards of ethics.

BID OPPORTUNITIES

What is the Difference Between a Bidder and a Vendor?

A Bidder is an individual or company who has submitted their pricing or proposal for consideration in a contract, however, they have not been awarded a UTRGV contract.

A Vendor has been selected as the awarded bidder for a contract.

Where Do I Find Bids?

UTRGV posts all bids on an electronic bid portal hosted by Bonfire. Bids can be viewed at <https://utrgv.bonfirehub.com/>

How Do I Register as a Bidder?

Interested bidders can register at <https://utrgv.bonfirehub.com/>

How Do I Register as a Vendor?

Awarded vendors will be send a registration email through PaymentWorks by the awarding Department. Questions regarding vendor set ups may be sent to vendorrequest@utrgv.edu

UT PERMIAN BASIN™

DEPARTMENT OF PURCHASING

Our Mission is to effectively support the procurement and contracting processes for goods and services that sustain, foster and support the educational, research and missions of the University of Texas Permian Basin. We strive to maintain the most efficient operations while adhering to the requirements of the university, state, and federal laws, rules and procedures. It is our goal to serve our customers in the most timely, efficient and transparent means possible.
