VIII. BACKGROUND INVESTIGATION

After receiving the DP-1 (Personal History Statement Form), DP-2 (Conditional Offer), DP -4 (Pre-Polygraph Questionnaire); the DP-5 (Polygraph Authorization); the DP-36 (Assumption of Risk) and the DP -38 (Authorization for Release of Personal Information); the institution police department must conduct a thorough background investigation on each applicant.

In 2021, the Texas Commission on Law Enforcement was tasked by the 87th Legislature (Senate Bill 24 (87R) to develop and implement an electronic process to ensure that proper pre-employment background investigations are being completed on TCOLE licensees, and to facilitate a secure electronic transfer of personal information held by previous employing law enforcement agencies in the State of Texas.

- A. On March 1, 2022, TCOLE implemented the Secure Share System (TSS) site. TSS provides a secure electronic portal that allows law enforcement agencies across Texas to share personnel information of applicants electronically. The University of Texas System Police will participate in the TCOLE Secure Share System on a statewide basis, but the management of the program and the time sensitive obligations rest with both ODOP and each institutional police department. The TSS holds both applicants and law enforcement agencies accountable by requiring review of pertinent employment records of prior conduct and activities before an applicant is hired by a law enforcement agency.
- B. Please see below on how to create an account and the guidelines of the TSS users.

Steps to become an active user:

1. Each campus will be required to select at least (2) two TSS representatives to manage requests from the TSS site.
2. All TSS representatives will need a PID number to use the system. If the TSS representatives are civilian and have no PID number, please complete the PID

request form, found [here](#). Once the form has been completed forward it to policepersonnel@utsystem.edu to be processed.

3. Selected TSS representatives will then need to visit the TCOLE website and apply for an account at <https://seureshare.tcole.texas.gov/login>. Once the representatives have been approved by TCOLE, the system will be immediately made available for use.
4. You can find additional information on TCOLE's Secure Share (TSS), as well as access the recorded how-to presentation, presentation slides and presentation handouts [here](#).

Guidelines for TSS Users

1. The chief administrator or designee of each appointing agency is required to contact every one of the prior appointing agencies when completing background investigations for employment. Per TCOLE an in-person review of personnel files may be conducted, but ONLY if both agencies agree to it. If the hiring agency requests employment documents via the TSS, the responding agency must provide the documents through the TSS system.
2. All requested documents must be uploaded to the system within 10 calendar days from the date of request. Once documents have been uploaded, the requesting agency rep will have 14 calendar days to view them. After the agency's designated TSS user has opened the file, the documents will only be viewable for 72 hours.
3. The failure of an agency head or the agency head's designee to comply with both ends of the process constitutes grounds for suspension of the agency head's license under Government Code Section 1701.501.
4. TSS users must ask for a release of information from the requesting agency before releasing personnel files.
5. Effective January 1, 2022, TCOLE has mandated that the Background Confirmation Forms ([BCF](#)) be included in hiring packets. A BCF must also be submitted for applicants who have no prior law enforcement experience (See VIII.B.4 of this policy for instructions to complete the form).

Background Confirmation Forms (BCF) that **do not meet** the following requirements will be rejected:

- a. All fields must be completed to include all current and former agencies
 - b. Must be signed by the agency's chief administrator or their designee

 - d. Must be submitted no earlier than 30 days prior to the tentative start date.
(Tentative Start Date is required) (**Note: this is not an all-inclusive list.**)
6. Additionally, in order to comply with Texas Occupations Code 1701.451 a background investigator must obtain and review personnel files. Therefore, BCF's that imply a background investigation was conducted over the phone, by email, by fax, or not attempted at all, will not be accepted. Please be advised that the TCOLE Secure Share (TSS) system is the only electronic system TCOLE recognized for the sharing of

personnel files.

- a) An applicant is in compliance with all minimum standards for employment; and
 - b) An applicant is screened out if, based on the applicant's past history or other relevant information, he/she is found to be unsuitable for the position.
